Introduction

Welcome to Just Blondes! A collection of jokes just about the supposed legendary thought processes of blondes. If your a blonde, you know the secret password for `blondes' is really redheads, and if your a redhead, well you know blondes.

This collection is primarily a compilation of items circulating in the Email circuits, or as hard copy in our work places. They come, they go, they come around again. . .

No one knows where they originate, nor where they'll end up, hopefully with a few laughs along the way.

If you take offense along the way, well, change the gender, hair color or nationality of the brunt of the joke to something else.

None are meant to offend, it's a sad state when we can't laugh at ourselves, with each other.

Not all are in the best of taste, if I had to rate some, this would be rated PG (for Partially Gagging)! I tried weeding out objectionable material, but, it got to where what is objectional from one person to the next (besides I ended up with a much smaller volume)!

Anyways, there all here uncensored. . .

You've been warned, if you can't take a joke, proceed no further. . .

If you do, enjoy and have a good laugh. . .

SHE WAS SO BLONDE THAT....

She thought a quarterback was a refund.

She took a ruler to bed to see how long she slept.

If she spoke her mind, she'd be speechless.

When she heard that 90% of all crimes happened around the home, she moved.

Did you hear about the blond that got an AM radio?
It took her months to figure out she could use it at night.

Why can't blondes take coffee breaks?
They're too hard to retrain.

What do you call 9 blondes standing in a circle?
A dope ring.

Why can't blondes be pharmacists?
Because they can't fit the bottle in the typewriter.

What do you call a smart blonde?
A golden retriever.

What's the definition of eternity?
4 blondes at a 4-way stop.

What do you call five blondes at the bottom of the ocean?
An air pocket.

Why do blondes have TGIF on their shirts?
"This Goes in Front."

A great blonde joke!

A blonde and a lawyer are seated next to each other on a flight from Los Angeles to New York. The lawyer asks if she would like to play a fun game. The blonde, tired, just wants to take a nap, so she politely declines and rolls over to the window to catch a few winks. The lawyer persists and explains that the game is easy and a lot of fun.

He says, "I ask you a question, and if you don't know the answer, you pay me five dollars, and vice versa." Again, she declines and tries to get some sleep.

The lawyer, now agitated, says, "Okay, if you don't know the answer, you pay me \$5, and if I don't know the answer, I will pay you \$500."

This catches the blonde's attention and, figuring there will be no end to this torment, agrees to the game. The lawyer asks the first question: "What's the distance from the earth to the moon?"

The blonde doesn't say a word, reaches into her purse, pulls out a \$5.00 bill, and hands it to the lawyer. "Okay," says the lawyer, "your turn."

She asks, "What goes up a hill with three legs and comes down with four legs?"

The lawyer, puzzled, takes out his laptop computer and searches all his references... no answer. He taps into the air phone with his modem and searches the Internet and the Library of Congress ... no answer. Frustrated, he sends e-mails to all his friends and coworkers but to no avail.

After an hour, he wakes the blonde and hands her \$500. The blonde thanks him and turns back to get some more sleep. The lawyer, who is more than a little miffed, stirs the blonde and

asks, "Well, what's the answer?"

Without a word, the blonde reaches into her purse, hands the lawyer \$5, and goes back to sleep.

And you thought blondes were dumb.

Blonde Flashers

A blonde's car breaks down on the Interstate one day. So she eases it over onto the shoulder of the road. She carefully steps out of the car and opens the trunk. Out jump two men in trench coats who walk to the rear of the vehicle where they stand facing oncoming traffic and begin opening their coats and exposing themselves to approaching drivers.

Not surprisingly, one of the worst pileups in history of this highway occurs.

It's not very long before a police car shows up. The cop, clearly enraged, runs toward the blonde of the disabled vehicle yelling, "What the hell is going on here?"

"My car broke down," says the lady, calmly.

"Well, what are these perverts doing here by the road?" asks the cop!

And she said.....

(This is good...)

(Ready?)

(Remember, she's a blonde...)

"Those are my emergency flashers!" she replied!

911

A blonde dials 911 to report that her car has been broken into. She is hysterical as she explains her situation to the dispatcher.

"They've stolen the dashboard, the steering wheel, the brake pedal, and even the accelerator!" she cries.

The 911 dispatcher says, "Stay calm. An officer is on the way. He will be there in two minutes."

Before the police get to the crime scene, however, the 911 dispatcher's telephone rings a second time, and the same blonde is on the line again.

"Never mind," giggles the blonde, "I got in the back seat by mistake."

Blonde boater

A true story. If she had killed herself, she'd be a shoe-in for the Darwin Award (might be a problem in the gene pool).

Last summer, down on Lake Isabella, located in the high desert an hour east of Bakersfield, a blonde, new to boating was having a problem. No matter how hard she tried, she just couldn't get her brand new 22-foot Bayliner to perform. It wouldn't get on a plane at all, and it was very sluggish in almost every maneuver, no matter how much power she applied.

After about an hour of trying to make it go, she putted over to a nearby marina. Maybe they could tell her what was wrong. A thorough topside check revealed everything was in perfect working order. The engine ran fine, the out drive went up and down, and the prop was the correct size and pitch. So, one of the marina guys jumped in the water, to check underneath the boat. He came up choking on water, he was laughing so hard.

Under the boat, still strapped securely in place, was the trailer.

Blonde Elevator Joke

A businessman got on an elevator in a building. When he entered the elevator, there was a blonde already inside and she greeted him by saying, "T-G-I-F" (letters only).

He smiled at her and replied, "S-H-I-T" (letters only)." She looked at him, puzzled, and said, "T-G-I-F" again.

He acknowledged her remark again by answering, "S-H-I-T."

The blond was trying to be friendly, so she smiled her biggest smile and said as sweetly as possibly "T-G-I-F" another time.

The man smiled back to her and once again replied with a quizzical expression, "S-H-I-T."

The blond finally decided to explain things, and this time she said, "T-G-I-F, Thank Goodness It's Friday, get it?"

The man answered, "Sorry, Honey, its Thursday."

Blonde Flyer

A blonde went to a flight school insisting she wanted to learn to fly that day. As all the planes were currently in use, the owner agreed to instruct her on how to pilot the helicopter solo by radio.

He took her out, showed her how to start it and gave her the basics, and sent her on her way.

After she climbed 1000 feet, she radioed in. "I'm doing great! I love it! The view is so beautiful, and I'm starting to get the hang of this."

After 2000 feet, she radioed again, saying how easy it was becoming to fly. The instructor watched her climb over 3000 feet, and was beginning to worry that she hadn't radioed in.

A few minutes later, he watched in horror as she crashed about half a mile away. He ran over and pulled her from the wreckage.

When he asked what happened, she said: "I don't know! Everything was going fine, but as I got higher, I was starting to get cold. I can't remember anything after I turned off the big fan."

Blonde with a gun

A blonde suspects that her boyfriend has been cheating on her for some time. In a fit of rage she visits a local gun shop and buys a pistol. She then takes the gun to her boyfriend's apartment to confront him with her suspicions.

As she arrives, she hears amorous moans coming from within the apartment. In a rage she bursts in and finds her boyfriend making love to a woman on the floor in front of her.

She reaches into her purse to retrieve the weapon and as she does so, she is overcome with grief. In her grief she raises the gun to her own head. The boyfriend jumps up and begins to plead with her not to end it all. She cocks the gun, looks him angrily in the eye and says,

"Sit down and shut up, you're next!"

BEST BLONDE JOKE YET!

A blonde had just gotten a new sports car and was out for a drive when she accidentally cut off a truck driver.

He motioned for her to pull over. When she did, he got out of his truck and pulled a piece of chalk from his pocket. He drew a circle on the side of the road and gruffly commanded the blonde "stand in that circle and DON'T MOVE!"

He then went to her car and cut up her leather seats. When he turned around she had a slight grin on her face, so he said "Oh you think that's funny? Watch this!" He gets a baseball bat out of his truck and breaks every window in her car. When he turns and looks at her she has a smile on her face. He is getting really mad. He gets his knife back out and slices all her tires.

Now she's laughing. The truck driver is really starting to lose it. He goes back to his truck and gets a can of gas, pours it on her car and sets it on fire. He turns around and she is laughing so hard she is about to fall down.

"What's so funny?" the truck driver asked the blonde.

She replied, "Every time you weren't looking, I stepped outside the circle!"

blonde jokes

A highway patrolman pulled alongside a speeding car on the freeway.

Glancing at the car, he was astounded to see that the blonde behind the wheel was knitting! Realizing that she was oblivious to his flashing lights and siren, the trooper cranked down his window, turned on his bullhorn and yelled, "PULLOVER!" "NO," the blonde yelled back, "IT'S A SCARF!"

The Blonde said, "So what, we're going to be the first on the sun!" The Russian and the American looked at each other and shook their heads.

"You can't land on the sun, you idiot! You'll burn up!" said the Russian.

To which the Blonde replied, "We're not stupid, you know. We're going at night!"

A police officer stops a blond for speeding and asks her very nicely if he could see her license. She replied in a huff, "I wish you guys would get your act together. Just yesterday you take away my license and then today you expect me to show it to you!"

A blonde was playing Trivial Pursuit one night. It was her turn. She rolled the dice and she landed on "Science & Nature." Her question was, "If you are in a vacuum and someone calls your name, can you hear it?"

She thought for a time and then asked, "Is it on or off?"

The blonde reported for her university final examination that consists of "yes/no" type questions. She takes her seat in the examination hall, stares at the question paper for five minutes, and then in a fit of Inspiration takes her purse out, removes a coin and starts tossing the coin and marking the answer sheet-Yes for Heads and No for Tails.

Within half an hour she is all done whereas the rest of the class is sweating it out. During the last few minutes, she is seen desperately throwing the coin, muttering and sweating. The moderator, alarmed, approaches her and asks what is going on. "I finished the exam in half an hour. But I'm rechecking my answers.

An airline captain was breaking in a very pretty new blonde stewardess.

The route they were flying had a stay-over in another city, so upon their arrival, the captain showed the stewardess the best place for airline personnel to eat, shop and stay overnight. The next morning as the pilot was preparing the crew for the day's route, he noticed the new stewardess was missing. He knew which room she was in at the hotel and called her up wondering what happened to her. She answered the phone, sobbing, and said she couldn't get out of her room. "You can't get out of your room?" the captain asked, "Why not?" The stewardess replied, "There are only three doors in here," she cried, "one is the bathroom, one is the closet, and one has a sign on it that says, 'Do Not Disturb!'"

A guy's out jogging and he spots a brand new tennis ball lying in the road. He picks it up and slips it into his shorts' pocket. Later, he's standing on a corner waiting for the light to change. A blonde is standing next to him, and she sees the bulge in his shorts, so she says,

“What’s that?” He says, “Tennis ball.”

She says, “Oh, that must be painful...I had tennis elbow once.”

The first house she came to, a man answered the door and told Julie, "Yeah, I have a job for you.

How would you like to paint the porch?"

"Sure that sounds great!" said Julie.

"Well, how much do you want me to pay you?" asked the man.

"Is fifty bucks all right?" Julie asked.

"Yeah, great. You'll find the paint and ladders you'll need in the garage."

The man went back into his house to his wife who had been listening.

"Fifty bucks! Does she know the porch goes all the way around the house?" asked the wife.

"Well, she must, she was standing right on it!" her husband replied.

About 45 minutes later, Julie knocked on the door. "I'm all finished," she told the surprised homeowner. The man was amazed.

"You painted the whole porch?"

"Yeah," Julie replied, "I even had some paint left, so I put on two coats!"

The man reached into his wallet to pay Julie.

"Oh, and by the way," said Julie, "That's not a Porch, it's a Ferrari."

The policeman says, "Well...uh...that's because the picture shows his profile." Slightly flustered by this ridiculous response, he flashes the picture for 5 seconds at the second blonde and asks her, "This is your suspect, how would you recognize him?" The second blonde giggles, flips her hair and says, "Ha! He'd be too easy to catch because he only has 1 ear!" The policeman angrily responds, "What's the matter with the two of you? Of course only 1 eye and 1 ear are showing because it's a picture of his profile!! Is that the best answer you can come up with?" Extremely frustrated at this point, he shows the picture to the third blonde and in a very testy voice asks, "This is your suspect, how would you recognize him?" He quickly adds, "...think hard before giving me a stupid answer."

The blonde looks at the picture intently for a moment and says, "Hmmm...the suspect wears contact lenses." The policeman is surprised and speechless because he really doesn't know himself if the suspect wears contact lenses or not. "Well, that's an interesting answer...wait here for a few minutes while I check his file and I'll get back to you on that" He leaves the room and goes to his office, checks the suspect's file in his computer, and comes back with a beaming smile on his face. "Wow! I can't believe it...It's TRUE!...The suspect does in fact wear contact lenses. Good work! How were you able to make such an astute observation?"

The second one, the redhead, said to herself, "I wonder if she made it. I guess it's better to try to get to the mainland than stay here and starve." So she attempts to swim out. The redhead had a lot more endurance than the brunette, as she swam out 10 miles before she even got tired. After 15 miles, she was too tired to go on, so she drowned.

So the blonde thought to herself, "I wonder if they made it? I think I'd better try to make it, too." So she swam out 5 miles, ten miles, 15 miles, NINETEEN miles from the island. The shore was just in sight, but she said, "I'm too tired to go on!" So she swam back.
