Introduction

Welcome to collection No. 7!

This collection is primarily a compilation of items circulating in the Email circuits, or as hard copy in our work places. They come, they go, they come around again. . .

No one knows where they originate, nor where they'll end up, hopefully with a few laughs along the way.

If you take offense along the way, well, change the gender, hair color or nationality of the brunt of the joke to something else.

None are meant to offend, it's a sad state when we can't laugh at ourselves, with each other.

Not all are in the best of taste, if I had to rate some, this would be rated PG (for Partially Gagging)! I tried weeding out objectionable material, but, it got to where what is objectional from one person to the next (besides I ended up with a much smaller volume)!

Anyways, there all here uncensored. . .

You've been warned, if you can't take a joke, proceed no further. . .

If you do, enjoy and have a good laugh. . .

What's in a name

Many colleges and business's tend to strip the last name down to 6 characters and add the first and last initial to either the beginning or end to make up an e-mail address.

For example, Mary L. Ferguson = mlfergus or fergusml. They are just now beginning to realize the problems that may happen when you have a large and diverse pool of people to choose from. Add to that a large database of company/college acronyms and you have some very funny addresses. Probably not funny to the individual involved, however:

TOP TEN Actual E-mail Addresses

10. Helen Thomas Eatons (Duke University) - eatonsht @ dku.edu
 9. Mary Ellen Dickinson (Indiana University of Pennsylvania) - dickinme @ iup.edu
 8. Francis Kevin Kissinger (Las Verdes University) kissinfk @ lvu.edu

Gone to see sea

A nearsighted minister glanced at the note that Mrs. Jones had sent to him by an usher.

The note read: "Bill Jones having gone to sea, his wife desires the prayers of the congregation for his safety."

Failing to observe the punctuation, he startled his audience by announcing: "Bill Jones, having gone to see his wife, desires the prayers of the congregation for his safety."

Time to go

Benny: "Now you take my grandpa, he knew the exact day of the year that he was going to die. It was the right year too. Not only that, but he knew what time he would die that day, and he was right about that too."

Louie: "Wow, that's Incredible. How did he know all of that?"

Benny: "A judge told him."

\$1 for 5 boxes

A woman walks into a drug store to buy tampons. She notices a group of tampons stacked on a table in the corner with a sign on them saying "5 boxes for a dollar."

Well, the woman just could not believe this price so she asks the clerk if it was correct.

He said "Oh yes, 5 for a dollar."

She said, "That can't be right!"

The clerk says "Oh yes, it's right!! 5 boxes for a dollar, no strings attached."

Libraries

The history of the Presidency of the United States has been a popular topic of many academics and amateurs alike. We, as a country, have been indeed very fortunate to have the various Presidential libraries as a repository for the invaluable records of in depth research. Future historians will be able to study at the Gerald Ford Library; the Jimmy Carter Library; the Ronald Reagan Library, the George Bush Library, and the Bill Clinton Adult Bookstore.

Every cent

"Don't worry," a patient told his psychiatrist. "I'll pay every cent I owe or my name isn't Alexander the Great!"

Letter

Mr. John Hinckley
St. Elizabeth's Hospital
Washington D.C.

Dear John,

Hillary and I wanted to drop you a short note to tell you how pleased we are with the great strides you are making in your recovery. In our Country's new spirit of understanding and forgiveness we want you to know there is a bilateral consensus of compassion and forgiveness abroad throughout the land.

Hillary and I want you to know that no grudge is born against you for shooting President Reagan. We, above all are aware of how the mental stress and pain could have driven you to such an act of desperation. Hillary and I are confident that you will soon make a complete recovery and return to your family to join the world again as a healthy and productive young man.

Best wishes,

Bill Clinton

P.S. Ken Starr is screwing Jodie Foster.
Tears

Why does Mike Tyson cry during sex?

Mace will do that to you.

Read the signs

Three Drunk Irishmen were rumbling through a cemetery in search of the oldest person buried there.

One blasted bloke, Shamus yells out, "Here's a fella that died when he was 145 years old!"

"What was his name?" asks Paddy.

Shamus lights a match to see what else is written on the stone marker, and exclaims, " He was 'Miles, from Dublin.'"

Another blonde

A blonde at a party, was telling her friend that she'd sworn off men for life.

"They lie, they cheat, and they're just no damn good," she moaned. "From now on, when I want sex, I'm going to use my tried and tested plastic companion," she said.

"What happens when the batteries run out?" asked her friend.

"That's simple," replied the blonde. "I'll just fake an orgasm as usual."

Guess who

One morning a milkman called on one of his regular customers and was surprised to see a white bed sheet with a hole in the middle hanging up in her living room.

The housewife explained that she'd had a party then night before in which the company played "Who's Whose" - each of the men had put their equipment through the hole and the women tried to guess their identity.

"Gee, that sounds like fun," said the milkman. "Sure wish I'd been there."

"You should have been," said the housewife. "Your name came up three times."

Employer perception

"I see you were last employed by a psychiatrist," said the employer to the applicant. "Why did you leave?"

"Well," she replied, "I just couldn't win. If I was late to work, I was hostile. If I was early, I had an anxiety complex. If I was on time, I was compulsive."

Gender impressions

Congratulating a friend after her son and daughter got married within a month of each other, a woman asked, "What kind of boy did your daughter marry?"

"Oh, he's wonderful," gushed the mother. "He lets her sleep late, wants her to go to the beauty parlor regularly, and insists on taking her out to dinner every night."

"That's nice," said the woman. "What about your son?"

"I'm not so happy about that," the mother sighed. "His wife sleeps late, spends all her time in the beauty parlor, and makes them eat take-out meals!"

Can you believe it

Can you imagine working at the following Company? It has a little over 500 employees with the following statistics:

- 29 have been accused of spousal abuse,
- 7 have been arrested for fraud,
- 19 have been accused of writing bad checks,
- 117 have bankrupted at least two businesses,
- 3 have been arrested for assault,
- 71 cannot get a credit card due to bad credit,
- 14 have been arrested on drug-related charges,
- 8 have been arrested for shoplifting,
- 21 are current defendants in lawsuits.

In 1998 alone, 84 were stopped for drunk driving.

Can you guess which organization this is? Give up? It's the 535 members of the United States Congress. The same group that perpetually cranks out hundreds of new laws designed to keep the rest of us in line.

Suppose

Suppose you were an idiot; and suppose you were a member of Congress; but I repeat myself. —Mark Twain, American Humorist (1835-1910)

There is no distinctly American criminal class – except Congress. —Mark Twain

Substances

Lewis went out one night and got pretty wasted at a local bar. He awoke with a terrible hang-over and went to take some Alka-Seltzer and relieve himself. When he looked down he saw he had a red and brown crusty substance around his dick. He scraped off a little of each into a container and sent it to a lab for identification.

When he went to see the lab technician, the tech said he had some good news and some bad. The good is that the red substance was ordinary lipstick, the bad is that the brown substance was chewing tobacco.

Reason

The angry wife met her husband at the door. There was alcohol on his breath and lipstick on his collar. "I assume," she snarled, "that there is a very good reason for you to come waltzing in here at six o'clock in the morning?"

"There is," he replied. "Breakfast."

Mortgage

One day little Johnny went to his father, and asked him if he could buy him a \$200 bicycle for his birthday. Johnny's father said, "Johnny, we have an \$80,000 mortgage on the house, and you want me to buy you a bicycle? Wait until Christmas."

Christmas came around, and Johnny asked again. The father said, "Well, the mortgage is still extremely high, sorry about that. Ask me again some other time."

Well, about 2 days later, the boy was seen walking out of the house with all his belongings in a suitcase. The father felt sorry for him, and asked him why he was leaving.

The boy said, "Last night I was walking past your room, and I heard you say that you were pulling out, and mommy said that you should wait because she was coming too, "And I'll be DAMNED if I'm gonna get stuck with an \$80,000 mortgage!"

Oops

I told my girlfriend last night how much I loved her, and she said that I must have been out drinking again. I asked her why she would say that, and she said, 'Because I'm your father.' — Dave George

When the man arrived, Nancy led him down the row of stalls until she saw the nail. She pointed to the stall and the man remarked, "Are you sure?"

"Yep, it's the one with the nail," said Nancy.

"What's the nail for?" inquired the man.

"Well, I guess it's there to hang your pants on."

"Really," said the other girl. "Who's she marrying?"

"Winston James, the famous director."

"Oh, you'll like him," the other girl exclaimed. "He was my daddy last year."

“No, not worth it!”

“How about 10?”

“It was ME,” chortled the Indian.

Cheer

One day Jack decided that he was going to show the world his new blue cheer laundry detergent. So he went up to this lady's house and asked if he could wash some of her clothes. She agreed.

"O.k lady, I will need a blouse, socks, a pair of your dirty underwear and two bowls of water."

"Alright, hold on a second," and she went to get those things.

Jack took the blouse and to sing while washing it.

"WASH, WASH, WASH IN MY NEW BLUE CHEER! RINSE, RINSE, RINSE IN THE CLEAR WATER AND RUN IT UNDER YOUR NOSE! IT SMELLS LIKE A ROSE."

Samurai

Back in the time of the Samurai there was a powerful emperor who needed a new head Samurai so he sent out a declaration throughout the country that he was searching for one.

A year passed and only 3 people showed up: a Japanese Samurai, a Chinese Samurai and a Jewish Samurai. The emperor asked the Japanese Samurai to come in and demonstrate why he should be head Samurai. The Japanese Samurai opened a matchbox and out popped a little fly. Whoosh goes his sword and the fly drops dead on the ground in 2 pieces.

The emperor exclaimed: "That is very impressive!"

The emperor then asked the Chinese Samurai to come in and demonstrate. The Chinese Samurai also opened a matchbox and out popped a fly. Whoosh, whoosh goes his sword. The fly drops dead on the ground in 4 pieces.

The emperor exclaimed: "That is really very impressive!"

The emperor then had the Jewish Samurai demonstrate why he should be head Samurai. The Jewish Samurai also opened a matchbox and out popped a fly. His flashing sword goes whoooooooooosshhh whoooooooooosshhh whoooooooooosshhh whoooooooooosshhh. A gust of wind fills the

room, but the fly is still alive and buzzing around.

The emperor, obviously disappointed, asks: "After all of that, why is the fly not dead?"

The Jewish Samurai smiled, "Well, circumcision is not intended to kill."

College boy

The Father, passing thru the son's college town late one night on a business trip, thought he would pay a surprise visit to the boy.

Arriving at the fraternity house, he knocked on the door. After several minutes of knocking, a sleepy voice drifted down from a second floor window. "Whaddya want?"

The next morning the man woke his wife with a pinch on the breast and said, “You know if

you firmed these up we could get rid of your bra.”

This was beyond a silence response, so she rolled over and grabbed him by the penis. With a death grip in place she said, “You know if you firmed this up we could get rid of the postman, the gardener, the pool man... and your brother!

Stimulation

A man was visiting his wife in hospital where she has been in a coma for several years. On this visit he decides to rub her left breast instead of just talking to her. On doing this she lets out a sigh.

The man runs out and tells the doctor who says this is a good sign and suggests he should try rubbing her right breast to see if there is any reaction. The man goes in and rubs her right breast and this brings a moan.

From this, the doctor suggests that the man should go in and try oral sex, saying he will wait outside as it is a personal act and he doesn’t want the man to be embarrassed. The man goes in then comes out about five minutes later, white as a sheet and tells the doctor his wife is dead.

The doctor asks what happened to which the man replies:

“I think she choked.”

Give to score

A father said, “Son, the object of dating is to SCORE! And to do that, you have to give the woman something. So when you pick up your date later, make sure you have some flowers or chocolates to give her. Girls go crazy over that stuff. The more you give, the more you get!”

So, the son showed up for his date with flowers AND chocolates. She was very flattered and pleased, and she rewarded him with a long, passionate kiss. She pressed her chest against him and rubbed her fingers through his hair,.... hoping to give him the best kiss that he had ever received.

After the kiss, he turned and bolted for the door.

“Oh! I’m sorry,” she said. “I didn’t mean to scare you away.”

“You didn’t!” he replied. “I’m going out to get you some jewelry!”

New hat

My uncle spent days looking for his new hat. Finally, he decided that he’d go to church on Sunday and sit at the back. During the service he would sneak out and grab a hat from the rack at the front door.

On Sunday, he went to church and sat at the back. The sermon was about the 10 Commandments. He sat through the whole sermon and instead of sneaking out he went to talk to the minister.

He said to the minister, "Father, I came here today to steal a hat to replace the one I lost. But after hearing your sermon on the 10 Commandments, I changed my mind."

The minister said, "Bless you my son. Was it when I started to preach thou shall not steal, that changed your heart?"

My uncle responded, "No, it was the one on adultery. When you started to preach on that, I remembered where I left my hat."

Love me anyways

A very wealthy man says to his wife, "Honey, if I lost all of my money, would you still love me?"

"Of course I would," says the wife. "But I sure would miss you!"

Converting

Two old Jewish men are strolling down the street one-day when they happen to walk by a Catholic church. They see a big sign posted that says, "Covert to Catholicism and get \$10."

One of the Jewish men stops walking and stares at the sign. His friend turns to him and says, "Murray, what's going on?"

"Abe," replies Murray, "I'm thinking of doing it."

Abe says, "What are you, crazy?"

Murray thinks for a minute and says, "Abe, I'm going to do it."

With that, Murray strides purposefully into the church and comes out twenty minutes later with his head bowed.

"So," asks Abe, "did you get your ten dollars?"

Murray looks up at him and says, "Is that all you people think of?"

Phone call

A man needed to call home, but the only pay phone he could find was in use. So, he stood to the side and waited until it was free, thinking it would only be a couple of minutes.

Five minutes went by, and still the man was on the phone. He was just standing there, not saying a word. Ten minutes later, he was still not talking.

Finally, the man tapped the guy on the shoulder and asked if he could use the phone. "I really would be long, but I really need to make an important call."

"Hold your horses," responded the man using the pay phone, covering the receiver. "I'm talking to my wife."

Blonde perfume

Two blonde girls walk into a department store. They walk up to the perfume counter and pick up a sample bottle. Nancy sprays it on her wrist and smells it, "That's quite nice, don't you think, Kathy?"

Kathy takes a sniff and replies, "That is nice. What's it called?"

"Viens a moi," replies Nancy.

"Viens a moi? What the heck does that mean?"

At this stage the store clerk offers some help. "Viens a moi, ladies, means 'come to me' in French."

Nancy takes another sniff, then offers her arm to Kathy again, and remarks, "That doesn't smell like cum to me. Does that smell like cum to you?"

Who ya gonna tell

A young single guy is stranded on a deserted island. As he washes ashore, he sees a woman passed out in the sand. Able to perform CPR on her, he saves her life. Suddenly, he realizes that the woman is Cindy Crawford. Immediately,

Cindy falls in love with the man. Days and weeks go by, and they're making passionate love morning, noon and night. True Heaven on earth in the man's eyes. Alas, one day she notices he's looking kind of glum.

"What's wrong, sweetheart?" she asks. "I know we're stranded, but we're in love and we have a wonderful life together. Is there something wrong? Is there anything I can do?"

He says, "Actually, Cindy, there is. Would you mind, putting on my shirt and pants?" "Sure," she says, "if it'll help." He takes off his shirt and pants and she puts it on. "Okay, would you put on my hat now, and draw a little mustache on your face?" he asks. "Whatever you want, sweetie," she says.

Then he says, "Now, would you start walking around the edge of the island?" She starts walking around the perimeter of the island. He sets off in the other direction. They meet up half way around the island a half hour later.

He rushes up to her, grabs her by the shoulders, and says, "Dude! You'll never believe who I'm sleeping with!"

Wrong answer

"Can you explain to me how this lipstick got on your collar?" the suspicious wife sneered.

"No, I can't," the husband replied. "I distinctly remember taking my shirt off."

Yep

Man: "I have seen you looking at me all night and I know I make you think of sex."

Woman: "Yeah, 'cause you look like a prick."

Census

An old man was sitting on his porch, when a young man walked up with a pad and pencil in his hand. "What are you selling young man?" he asked.

"I'm not selling anything, sir," the young man replied. "I'm a Census Taker."

"A what?" the man asked.

“A Census Taker. We are trying to find out how many people are in the United States.”

“Well,” the man answered, “you’re wasting your time with me, I have no idea.”

Chinese laundry

A woman sends her clothing out to the Chinese laundry. When it comes back there are still stains in her panties. The next week she encloses a note to the Chinaman that says, “Use more soap on panties.”

This goes on for several weeks, the woman sending the same note to the laundry.

Finally fed up the Chinaman responded with his own note that said, “Use more paper on ass.”

Change

A husband visited a marriage counselor and said, “When we were first married, I would come home from the office, my wife would bring my slippers and our cute little dog would run around barking. Now after ten years it’s all different.

I come home, the dog brings the slippers and my wife runs around barking.”

“Why complain?” said the counselor, “You’re still getting the same service.

Salesman twist

A traveling salesman finds himself stranded in the tiniest town in Australia. He knocks on the door of a little hotel.

“Sorry, we don’t have a spare room,” says the manager, “but you’re welcome to share with a little red-headed schoolteacher, if that’s okay.”

“Oh, that’ll be great,” says the salesman, grinning from ear to ear. “And don’t worry, I’ll be a real gentleman.”

“Just as well,” says the manager. “So will the little red-headed schoolteacher.”

Gifts

Pope vs. Queen

The Pope and the Queen of England are on the same stage in front of a huge crowd. Her Majesty and His Holiness, however, have seen it all before, so to make it a little more interesting, the Queen says to the Pope, “Did you know that with just one little wave of my hand I can make every English person in the crowd go wild?”

He doubts it, so she shows him. Sure enough, the royal wave elicits rapture and cheering from every English person in the crowd. Gradually, the cheering subsides. The Pope, not wanting to be outdone by someone wearing a worse frock and hat than he, considers what he could do.

“Your Majesty, that was impressive. But did you know that with just one little wave of MY hand I can make every IRISH person in the crowd go crazy with joy? This joy will not be a momentary display like that of your subjects, but will go deep into their hearts, and they will forever speak of this day and rejoice?”

The Queen seriously doubts this, and says so. "One little wave of your hand and all Irish people will rejoice forever? Show me."

So the Pope slaps her...

Hotel cowboy

A cowboy went to the city for a little rest and relaxation. But he didn't succeed in coping well with the complexities of city life. At midnight, he was alone in his hotel room, jerking off.

Suddenly a bellhop carrying a drink intended for the room next door opened the door. "Pardon me, sir," said the flustered bellhop, "but where would you like me to sit your drink?"

"I didn't order no drink," retorted the cowboy, thinking fast. "Can't you see I'm already so drunk that I'm taking advantage of myself?"

Oh-oh

Her precocious six-year old daughter came tugging at the mother's skirt, asking, "Mommy, can I have a baby?"

"Of course not, dear," the mother replied, without missing a stroke of her ironing.

"Are you sure?" the little girl persisted.

"Certainly," said the mother.

As she ran to rejoin her playmates in the yard, the child called out, "OK, fellas, same game!"

Comparative medicine

"Doctor", the embarrassed man said, "I have a sexual problem. I can't get it up for my wife anymore.

"Mr. Thomas, bring her back with you tomorrow and let me see what I can do."

The next day the worried fellow returned with his wife. "Take off your clothes, Mrs. Thomas," the medic said. "Now turn all the way around. Lie down please. Uh-huh, I see. Ok, you may put your clothes back on."

The doctor took the husband aside. “You’re in perfect health,” he said. “Your wife didn’t give me an erection either.”

Order

A young man at his first job as a waiter in a diner has a large trucker sit down at the counter and order, “Gimme 3 flat tires and a couple of headlights.”

Bewildered he goes to the kitchen and tells the cook, “I think this guy’s in the wrong store, look at what he ordered!”

The cook says, “He wants 3 pancakes & 2 eggs sunny-side up.”

The waiter takes a bowl of beans to the trucker.

He looks at it and growls, “What’s this? I didn’t order this!”

The young man tells him, “The cook says that while you’re waiting for your parts you might as well gas up

Homework

A story from the mid-1930s, U. of Edinburgh medical school, second-term human physiology course, Prof. Kenneth Ivors, Instructor:

“Good morning, class. Before we begin today’s lecture, I should like to discover how well ye have been tracking the previous material. Miss MacMaster, will ye stand?”

She stands.

“Can ye tell me, which organ of the body achieves 10 times its normal size when it is excited?”

She stammers, reddens, and says nothing.

“Ye may sit down. Mr. Campbell, can ye answer that question?”

“It is the pupil of the eye, sir.”

“Vurra good. Now, Miss MacMaster, I have three things to say to you: One, you have not done your homework, Two, you have a dirty mind, and Three, you’re in for a big disappointment.”

Remembering

An 80-year-old couple were having problems remembering things, so they decided to go to their doctor to get checked out to make sure nothing was wrong with them.

When they arrived at the doctors, they explained to the doctor about the problems they were having with their memory. After checking the couple out, the doctor told them that they were physically okay but might want to start writing things down and make notes to help them remember things. The couple thanked the doctor and left.

Later that night while watching TV, the man got up from his chair and his wife asked, "Where are you going?"

He replied, "To the kitchen."

She asked, "Will you get me a bowl of ice cream?"

He replied, "Sure."

She then asked him, "Don't you think you should write it down so you can remember it?"

He said, "No, I can remember that."

She then said, "Well I would also like some strawberries on top. You had better write that down because I know you'll forget that."

He said, "I can remember that, you want a bowl of ice cream with strawberries."

She replied, "Well I also would like whipped cream on top. I know you will forget that so you better write it down."

With irritation in his voice, he said, "I don't need to write that down! I can remember that." He then fumes into the kitchen.

After about 20 minutes he returned from the kitchen and handed her a plate of bacon and eggs. She stared at the plate for a moment and said angrily:

"I TOLD you to write it down! You forgot my toast!"

Blond Hail Stones

A blonde woman was driving her car home one night when she suddenly found herself in the middle of a really bad hailstorm. The hailstones were as big as golf balls and her car gets dented up really bad. The next day she takes it in to a repair shop to have the dents looked at.

The repair guy noticing that she is blonde and quite dingy when she speaks, decides to have some fun and tells her to blow into the tail pipe of the car really hard when she gets home, and that doing this will cause all of the dents to pop out.

When she gets home she starts blowing into the tail pipe as hard as she can, over and over. Just then, her best friend who also is blonde shows up. Her friend sees her blowing into the tail pipe and is quite startled by the action. She blurts out all flippantly, "What are you doing?"

She tells her the repair guy told her to blow into the tail pipe real hard and the dents would pop out.

Her girlfriend says "Duh! You need to roll up the windows first!"

Blonde Movie Rental

A blonde decides to do something wild she hasn't done before, so she sets out to rent her first X-rated adult video. She goes to the video store and, after looking around for a while, selects a title that sounds very stimulating. She drives home, lights some candles, slips into something comfortable, and puts the tape in the VCR. To her disappointment, there's nothing but static on the screen, so she calls the video store to complain.

Blonde: "I just rented an adult movie from you and there's nothing on the tape, but static."

Store Clerk: "Sorry about, that. We've had problems with some of those tapes. Which title did you rent?"

Blonde: "Let see. It's from Sony. OK! I got it! It's called 'Head Cleaner.'"

Dumb Plumbers

There were two plumbers sitting at a bar one day. They ordered their drinks and sat at the bar for a while. Suddenly, they both stood up, slapped hands, and yelled, "Fifty-five!" The bartender was pretty confused but just decided to ignore them.

About five or ten minutes later, they both stood up again, slapped hands, and yelled, "Fifty-five!" Again the bartender just decided to ignore them.

Ten minutes later they followed the same routine. By now the bartender was getting pretty annoyed, so he went over and asked, "Why do you guys keep standing up and yelling fifty-five?"

One of the plumbers said, "Well, we stopped at Toys R Us on the way here and got a puzzle. On the side of the box it said 2 to 4 years, but we got it done in fifty-five minutes!"

Florida Lottery

I won the Florida lottery! I'm now a multi-millionaire! Can you believe it? I'm bouncing off the walls here! You see, my ticket doesn't have the exact winning numbers on it, but I meant to pick those winning numbers.

The ticket was very confusing when I was filling it out and so I ended up with the wrong numbers on my card. But since I really meant to pick those other numbers, they're going to give me the money anyway! They really shouldn't make those darn cards so hard to fill out! Even though I was confused, I didn't ask for help because no one would have helped me anyway.

I know the FL State Lottery will give me the money. If they don't I'll just sue them!

Snow Plow

A lady was lost in her car in a bad snowstorm. She remembered what her dad had once told her. If you ever get stuck in a snowstorm, wait for a snowplow and follow it.

Pretty soon a snowplow came by and she started to follow it. She followed the plow for about 45 minutes. Finally the driver of the snowplow got out and asked what she was doing.

She explained that her dad had told her that if she ever got stuck in the snow, to follow a plow.

The driver nodded, and said, "Well I'm through with the Wal-mart lot, now you can follow me over to the K-mart."

The Marine replied, "Yes Sir! Mighty fine pigs, Sir!"

President Clinton responded, "These aren't just ordinary pigs Marine, they are pure Arkansas Razorback Pigs!!"

The Marine replied, "Yes Sir! Mighty fine Razorbacks, Sir!"

The President then responded, "I got this one for Hillary, and this one for Monica."

The Marine guard then replied, "Yes Sir! Good trade, Sir!!!"

coffee

A blonde was recently hired at an office. Her first task was to go out for coffee.

Eager to do well her first day on the job, she grabbed a large thermos and hurried to a nearby coffee shop.

She held up the thermos and the coffee shop worker quickly came over to take her order.

"Is this big enough to hold six cups of coffee?" the blonde asked.

The coffee shop worker looked at the thermos, hesitated a few seconds, then finally replied, "Yeah. It looks like about six cups to me."

“Oh good!” the blonde sighed in relief.

“Then give me two regular, two black, and two decaf.

College exam

Two college seniors had a week of exams coming up. They decided to party instead. Their biggest exam was on Wednesday and they showed up telling the professor that their car had broken down the night before due to a very flat tire and they needed a bit more time to study.

The professor told them that they could have another day to study. That evening, both of the boys crammed all night until they were sure that they knew just about everything.

Arriving to class the next morning, each boy was told to go to two separate classrooms to take the exam. Each boy just shrugged and went to two different parts of the building.

As each sat down, they read the first question.

“For 5 points, explain the contents of an atom.”

At this point, they both thought that this was going to be a piece of cake, and answered the question with ease. Then, the test continued.

“For 95 points, tell me which tire it was.”

MEN & WOMEN COMPARED:

NICKNAMES - If Laura, Suzanne, Debra and Rose go out for lunch, they will call each other Laura, Suzanne, Debra and Rose. But if Mike, Charlie, Bob and John go out for a drink, they will affectionately refer to each other as FatBoy, Godzilla, Peanut-Head and Useless.

EATING OUT - When the bill arrives, Mike, Charlie, Bob and John will each throw in \$20, even though it's only for \$22.50. None of them will have anything smaller, and none will actually admit they want change back. When the women get their bill, out come the pocket calculators.

MONEY - A man will pay \$2 for a \$1 item he wants. A woman will pay \$1 for a \$2 item that she doesn't want.

BATHROOMS - A man has six items in his bathroom: a toothbrush, shaving cream, razor, a bar of soap, and a towel from the Holiday Inn. The average number of items in the typical woman's bathroom is 337. A man would not be able to identify most of these items.

ARGUMENTS - A woman has the last word in any argument. Anything a man says after that is the beginning of a new argument.

CATS - Women love cats. Men say they love cats, but when women aren't looking, men kick cats.

FUTURE - A woman worries about the future until she gets a husband. A man never worries about the future until he gets a wife.

SUCCESS - A successful man is one who makes more money than his wife can spend. A successful woman is one who can find such a man.

MARRIAGE - A woman marries a man expecting he will change, but he doesn't. A man marries a woman expecting that she won't change, and she does.

DRESSING UP - A woman will dress up to go shopping, water the plants, empty the garbage, answer the phone, read a book, get the mail. A man will dress up for weddings and funerals.

NATURAL - Men wake up as good-looking as they went to bed. Women somehow deteriorate during the night.

OFFSPRING - Ah, children. A woman knows all about her children. She knows about dentist appointments, romances, best friends, favorite foods, secret fears, hopes, and dreams. A man is vaguely aware of some short people living in the house.

Thought for the Day

Any married man should forget his mistakes.
There's no use in two people remembering the same thing.

Gender of Computers

A scientist had previously been a sailor. He was very aware that ships are addressed as "she" and "her". He often wondered what gender computers should be addressed. To answer that question, he set up two group of computer experts.

The first group was composed of women, and the second of men. Each group was asked to recommend whether computer should be referred to in the feminine gender, or the masculine gender. They were asked to give 4 reasons for their recommendations.

The group of women reported that computers should be referred to in the masculine gender because:

1. In order to get their attention you have to turn them on.
2. They have a lot of data, but are still clueless.
3. They are supposed to help you solve problems, but half the time they are the problem.
4. As soon as you commit to one, you realize that if you had waited a little longer you could have had a better model.

The men, on the other hand, concluded that computers should be referred to in the feminine gender because:

1. No one but the Creator understands their internal logic.
 2. The native language they use to communicate with other computers is incomprehensible to everyone else.
 3. Even your smallest mistakes are stored in long-term memory for later retrieval.
- As soon as you make a commitment to one, you find yourself spending half of your paycheck on accessories for it

cop quotes

“The handcuffs are tight because they’re new. They’ll stretch out after you wear them awhile.”

“If you run, you’ll only go to jail tired.”

“So, you don’t know how fast you were going. I guess that means I can write anything I want on the ticket, huh?”

“Yes sir, you can talk to the shift supervisor, but I don’t think it will help. Oh, did I mention that I am the shift supervisor?”

“Warning! You want a warning? O.K., I’m warning you not to do that again or I’ll give you another ticket.”

“The answer to this last question will determine whether you are drunk or not. Was Mickey Mouse a cat or dog?”

“Yeah, we have a quota. Two more tickets and my wife gets a toaster oven.”

“Life’s tough, it’s tougher if you’re stupid.”

“No sir, we don’t have quotas anymore. We used to have quotas, but now we’re allowed to write as many tickets as we want.”

“Just how big were those two beers?”

“In God we trust, all others are suspects.”

corny

A blonde and her brunette friend were talking. “I hate all the blonde jokes people say.”

“Oh, they are only jokes. There are a lot of stupid people out there. Here, I’ll prove it to you.”

So they went outside and hailed a taxi driver.

“Please take me to 29 Nickle Street to see if I’m home,” said the brunette.

The taxi drove them and when they finally got out the brunette looked at the blonde and said, "See? That guy was really stupid."

"No kidding," replies the blonde. "There was a pay phone just around the corner. You could have called instead!"

Cowboy story

Be Careful What You Wish For

It was spring in the old west. The cowboys rode the still snow-choked trails looking for cattle that survived the winter. As one cowboy's horse went around the narrow trail, it came upon a rattlesnake warming itself in the spring sunshine. The horse reared and the cowboy drew his six-gun to shoot the snake.

"Hold on there, partner," said the snake, "don't shoot. I'm an enchanted rattlesnake, and if you don't shoot me, I'll give you any three wishes you want."

The cowboy decided to take a chance. He knew he was safely out of the snakes striking range. He said, "OK, first, I'd like to have a face like Clark Gable, then, I'd like a build like Arnold Schwarzenegger, and finally, I'd like sexual equipment like this here horse I'm riding."

The rattlesnake said, "All right, when you get back to the bunk house you'll have all three wishes."

The cowboy turned his horse around and galloped at full speed all the way to the bunk-house. He dismounted on the run and went straight inside to the mirror. Staring back at him in the mirror was the face of Clark Gable. He ripped the shirt off his back and revealed bulging, rippling muscles, just like Arnold Schwarzenegger's. Really excited now, he tore down his jeans, looked at his crotch and shouted, "Oh my gosh, I was riding the mare!"

cowboy

An old grizzled cowboy with his old hat, chaps & boots was having a drink in a bar. This gal comes in, sits down by him and asks him, "Are you a cowboy?"

"Guess I am," he replies. "I break horses, roundup cattle, fix fences, & do cattle drives so I guess you would call me a cowboy."

He asked her, "What do you call yourself?"

"I call my self a lesbian, I think about women all day; when I eat, when I sleep, when I watch TV. When anything I do I just keep thinking about women."

Later a couple came in and sat down beside the cowboy and asked him, "Are you a cowboy?"

"Well I thought I was, but I just found out, I am a lesbian."

The Cynic's Guide to Life OR Casey's Rules

1. Always follow your dream! Unless it's the one where you're at work in your underwear during a fire drill.
2. Always take time to stop and smell the roses and sooner or later, you'll inhale a bee.
3. Do not walk behind me, for I may not lead. Do not walk ahead of me, for, I may not follow. Do not walk beside me, either. Just leave me alone.
4. If you don't like my driving, don't call anyone. Just take another road. That's why the highway department made so many of them.
5. If a motorist cuts you off, just turn the other cheek. Nothing gets the message across like a good mooning.
6. When I'm feeling down, I like to whistle. It makes the neighbor's dog run to the end of his chain and gag himself.
7. It's always darkest before the dawn. So if you're going to steal the neighbor's newspaper, that's the time to do it.
8. A handy telephone tip: Keep a small chalkboard near the phone. That way, when a salesman calls, you can hold the receiver up to it and run your fingernails across it until he hangs up.
9. Each day I try to enjoy something from each of the four food groups: the bonbon group, the salty-snack group, the caffeine group and the Whatever-the-thing-in-the-foil-at-the-back-of-the-fridge-is" group.
10. Into every life some rain must fall. Usually when your car windows are down.

13. This morning I woke up to the unmistakable scent of pigs in a blanket. That's the price you pay for letting the relatives stay over.
14. It's a small world. So you gotta use your elbows a lot.
15. Keep your nose to the grindstone and your shoulder to the wheel. It's a lot cheaper than plastic surgery.
16. This land is your land. This land is my land. So stay on your land.
17. Love is like a roller coaster: When it's good you don't want to get off, and when it isn't, you can't wait to throw up.

Darn!!

A new monk arrives at the monastery. He is assigned to help the other monks in copying the old texts by hand. He notices, however, that they are copying copies, not the original books.

So the new monk goes to the head monk to ask him about this. He points out that if there were an error in the first copy, that error would be continued in all of the other copies. The head monk says "We have been copying from the copies for centuries, but you make a good point, my son."

He goes down into the cellar with one of the copies to check it against the original. Hours later, nobody has seen him. Finally one of the monks goes downstairs to look for him. He hears a sobbing coming from the back of the cellar, and finds the old monk leaning over one of the original books crying.

He asks what's wrong.

"The word is celebrate," says the old monk

David & the Parrot

David received a parrot for his birthday. The parrot was fully-grown with a bad attitude and worse vocabulary. Every other word was an expletive. Those that weren't expletives, were to say the least, rude.

David tried hard to change the bird's attitude and was constantly saying polite words, playing soft music, anything he could think of to try and set a good example... Nothing worked. He yelled at the bird and the bird yelled back. He shook the bird and the bird just got angrier and ruder. Finally, in a moment of desperation, David put the parrot in the freezer. For a few moments he heard the bird squawk and kick and scream - then suddenly, there was quiet.

Not a sound for half a minute. David was frightened that he might have hurt the bird and quickly opened the freezer door. The parrot calmly stepped out onto David's extended arm and said, "I believe I may have offended you with my rude language and actions. I will endeavor at once to correct my behavior. I really am truly sorry and beg your forgiveness."

David was astonished at the bird's change in attitude and was about to ask what had made such a dramatic change when the parrot continued, "By the way, may I ask what the chicken did?"

DID GOD MAKE ME?

The little girl was sitting in her grandfather's lap as he read her a goodnight story.

From time to time, she would take her eyes off the book and reach up and touch his wrinkled cheek.

By and by, she was alternately stroking her own cheek and then his again. Finally, she spoke "Granddaddy, did God make you?"

"Yes, Sweetheart," he answered; "God made me, a long time ago."

"Oh," she said. Then, "Granddaddy, did God make me, too?"

"Yes, indeed, Honey," he assured her. "God made you, just a little while ago."

"Oh," she said. Feeling their respective faces again, she observed,

"God's getting better at it now, isn't He?"

Nursing stories

Sometimes the truth is more amusing than fiction:

A nurse at the beginning of the shift places her stethoscope on an elderly and slightly deaf female patient's anterior chest wall. "Big breaths," instructed the nurse. "Yes, they used to be," remorseful the patient.

One day I had to be the bearer of bad news when I told a wife that her husband had died of a massive myocardial infarct. Not more than five minutes later, I heard her reporting to the rest of the family that he had died of a "massive internal fart."

I was performing a complete physical, including the visual acuity test. I placed the patient twenty feet from the chart and began, "Cover your right eye with your hand." He read the 20/20 line perfectly. "Now your left." Again, a flawless read. "Now both," I requested. There was silence. He couldn't even read the large E on the top line. I turned and discovered that he had done exactly what I had asked; he was standing there with both his eyes covered. I was laughing too hard to finish the exam.

A nurses' aide was helping a patient into the bathroom when the patient exclaimed, "You're not coming in here with me. This is only a one seater!"

During a patient's two-week follow-up appointment with his cardiologist, he informed his doctor that he was having trouble with one of his medications.

"Which one?" asked the doctor. "The patch. The nurse told me to put on a new one every six hours and now I'm running out of places to put it!" The doctor had him quickly undress and discovered what he hoped he wouldn't see.... Yes, the man had over fifty patches on his body! Now the instructions include removal of the old patch before applying a new one.

While acquainting myself with a new elderly patient I asked, "How long have you been bed-ridden?" After a look of complete confusion she answered, "Why not for about twenty years-when, my husband was alive."

And of course, the best is saved for last.... A nurse caring for a woman from Tennessee asked, "So how's your breakfast this morning?" "It's very good, except for the Kentucky Jelly. I can't seem to get used to the taste," the patient replied. The nurse asked to see the jelly and the woman produced a foil packet labeled "KY Jelly."

By yourself

"It's like magic. When you live by yourself, all your annoying habits are gone!"
—Merrill Markoe

Condoms

A very proper man started going into the neighborhood drug store every week and buying 2 dozen boxes of condoms. Week after week, he would come in with the same order.

One day, the druggist felt he had to say something to the man.

"Wow! You must have the stamina of a bull. Talk about getting lucky! How on earth do you use that many condoms a week?"

The man looked at him in disgust and said, "I beg your pardon, but I find the whole idea of sex repulsive!"

So, the druggist asked, "Then what do you do with all those condoms?"

The gentleman answered, "I feed them to my poodle and now she poops in little plastic bags."

DR SUESS

If Dr. Suess Were a Woman, he'd write:

I'm glad I'm a woman -Yes I am, yes I am. I don't live on Budweiser, Beer nuts and Spam.

I don't brag to my buddies about my erections; I won't drive to Hell before asking directions.

I act nice at parties; don't act like a clown; And I know how to put the damn toilet seat down.

I won't grab your boobies; I won't pinch your butt. My belt is not hidden beneath my beer gut.

I don't go around readjusting my crotch; or make sure my headboard bears each hard-earned notch.

I don't belch in public; don't scratch my behind. I'm a woman, you see- I'm just not that kind!

I'm glad I'm a woman; so glad I could sing- and thrilled I'm not covered in shag carpeting.

Hair won't grow from my ears, or cover my back. And when I bend over you can't see my crack.

I'm a woman, alas-and I'm proud, don't you see? I'm blessed to have two boobs and squat when I pee.

I don't live for golf, or shoot basketball. I don't swagger and spit like a Neanderthal.

I don't need male bonding; I don't cruise for chicks- I'll never join the "Hair Club", or think with my dick.

I'm a woman, by chance and thankful I am! I'm so glad I'm a woman, Not a man, yes I am

And a good day to you all too. . .so ya in the next one
