Introduction

Welcome to collection No. 9!

This collection is primarily a compilation of items circulating in the Email circuits, or as hard copy in our work places. They come, they go, they come around again. . .

No one knows where they originate, nor where they'll end up, hopefully with a few laughs along the way.

If you take offense along the way, well, change the gender, hair color or nationality of the brunt of the joke to something else.

None are meant to offend, it's a sad state when we can't laugh at ourselves, with each other.

Not all are in the best of taste, if I had to rate some, this would be rated PG (for Partially Gagging)! I tried weeding out objectionable material, but, it got to where what is objectional from one person to the next (besides I ended up with a much smaller volume)!

Anyways, there all here uncensored. . .

You've been warned, if you can't take a joke, proceed no further. . .

If you do, enjoy and have a good laugh. . .

 Why doesn't glue stick to the inside of the bottle?
 Why don't you ever see the headline "Psychic Wins Lottery"?

injured golfer

A guy out on the golf course takes a high speed ball right in the crotch. Writhing in agony, he falls to the ground. He finally gets himself to the doctor. He says, "How bad is it doc? I'm going on my honeymoon next week and my fiancée is still a virgin in every way."

The doc said, "I'll have to put your penis in a splint to let it heal and keep it straight. It should be okay next week." So he took four tongue depressors and formed a neat little 4-sided bandage and wired it all together. It was an impressive work of art.

The guy mentions none of this to his girlfriend. They marry and on their honeymoon night in the motel room, she rips open her blouse to reveal a gorgeous set of breasts. This was the first time he ever saw them. She says, "You are the first, no one has ever touched these breasts." He pulls down his pants, whips it out and says, "Look at this; it's still in the CRATE!"

Eat what

A little girl wore a medical bracelet. When someone asked her what it was for, she replied, "I'm allergic to nuts and eggs." The person then asked, "Are you allergic to cats?" The girl answered, "I don't know. I don't eat cats."

Don't ask

"It's just too hot to wear clothes today," said Bill as he stepped out of the shower. "Honey, what do you think the neighbors would think if I mowed the lawn like this?" "Probably that I married you for your money," she replied.

Japanese Proverb

Give a man a fish, and he eats for a day,
 Teach a man to fish, and he gets hit by a nuclear submarine.

Job Interviews

We've all been interviewed for jobs. And, we've all spent most of those interviews thinking about what not to do. Don't bite your nails. Don't fidget. Don't interrupt. Don't belch.

If we did any of the don'ts, we knew we'd disqualify ourselves instantly.

But some job applicants go light years beyond this.

We surveyed top personnel executives of 100 major American corporations and asked for stories of unusual behavior by job applicants.

The lowlights:

1. "... stretched out on the floor to fill out the job application."
2. "She wore a Walkman and said she could listen to me and the music at the same time."
3. "A balding candidate abruptly excused himself. Returned to the office a few minutes later, wearing a hairpiece."
4. "... asked to see interviewer's resume to see if the personnel executive was qualified to judge the candidate."
5. "... announced she hadn't had lunch and proceeded to eat a hamburger and French fries in the interviewer's office - wiping the ketchup on her sleeve"
6. "Stated that, if he were hired, he would demonstrate his loyalty by having the corporate logo tattooed on his forearm."
7. "Interrupted to phone his therapist for advice on answering specific interview questions."
8. "When I asked him about his hobbies, he stood up and started tap dancing around my office."
9. "At the end of the interview, while I stood there dumbstruck, he went through my purse, took out a brush, brushed his hair, and left."
10. "... pulled out a Polaroid camera and snapped a flash picture of me. Said he collected photos of everyone who interviewed him."
11. "Said he wasn't interested because the position paid too much."
12. "While I was on a long-distance phone call, the applicant took out a copy of Penthouse, and looked through the photos only, stopping longest at the centerfold."
13. "During the interview, an alarm clock went off from the candidate's brief case. He took it out, shut it off, apologized and said he had to leave for another interview."
14. A telephone call came in for the job applicant. It was from his wife. His side of the conversation went like this: "Which company? When do I start? What's the salary?"
I said, "I assume you're not interested in conducting the interview any further."
He promptly responded, "I am as long as you'll pay me more."
I didn't hire him, but later found out there was no other job offer. It was a scam to get a higher offer.
15. "His attaché [case] opened when he picked it up and the contents spilled, revealing ladies' undergarments and assorted makeup and perfume."
16. "Candidate said he really didn't want to get a job, but the unemployment office needed proof that he was looking for one."
17. "... asked who the lovely babe was, pointing to the picture on my desk. When I said it was my wife, he asked if she was home now and wanted my phone number. I called security."
18. "Pointing to a black case he carried into my office, he said that if he was not hired, the bomb would go off. Disbelieving, I began to state why he would never be hired and that I was going to call the police. He then reached down to the case, flipped a switch and ran. No one was injured, but I did need to get a new desk."

Job posting

Open Job Requisition: Position: PARENT

JOB DESCRIPTION: Long term team players needed for challenging permanent work in an often-chaotic environment. Candidates must possess excellent communication and organizational skills and are willing to work variable hours, which will include evenings and weekends and frequent 24-hour shifts on call. Some overnight travel required, including trips to primitive camp-

ing sites on rainy weekends and endless sports tournaments in far away cities. Travel expenses not reimbursed. Extensive courier duties also required.

RESPONSIBILITIES: Must provide on-site training in basic life skills, such as nose blowing. Must have strong skills in negotiating, conflict resolution and crisis management. Ability to suture flesh wounds a plus. Must be able to think out of the box but not lose track of the box, because you most likely will need it for a school project. Must reconcile petty cash disbursements and be proficient in managing budgets and resources fairly, unless you want to hear, "He got more than me!" for the rest of your life. Also, must be able to drive motor vehicles safely under loud and adverse conditions while simultaneously practicing above-mentioned skills in conflict resolution. Must be able to choose your battles and stick to your guns. Must be able to withstand criticism, such as "you don't know anything." Must be willing to be hated at least temporarily, until someone needs \$5 to go skating. Must be willing to bite tongue repeatedly. Also, must possess the physical stamina of a pack mule and be able to go from zero to 60mph in three seconds flat in case, this time, the screams from the backyard are not someone just crying, "wolf". Must be willing to face stimulating technical challenges, such as small gadget repair, mysteriously sluggish toilets and stuck zippers. Must screen phone calls, maintain calendars and coordinate production of multiple homework projects. Must have ability to plan and organize social gatherings for clients of all ages and mental outlook. Must be willing to be indispensable one minute, an embarrassment the next. Must handle assembly and product safety testing of a half million cheap, plastic toys and battery operated devices.

Also, must have a highly energetic entrepreneurial spirit, because fund-raiser will be your middle name. Must have a diverse knowledge base, so as to answer questions such as "What makes the wind move?" or "Why can't they just go in and shoot Saddam Hussein?" on the fly. Must always hope for the best but be prepared for the worst. Must assume final, complete accountability for the quality of the end product. Responsibilities also include floor maintenance and janitorial work throughout the facility.

POSSIBILITY FOR ADVANCEMENT AND PROMOTION: Virtually none. Your job is to remain in the same position for years, without complaining, constantly retraining and updating your skills, so that those in your charge can ultimately surpass you.

PREVIOUS EXPERIENCE: None required, unfortunately. On-the-job training offered on a continually exhausting basis.

WAGES AND COMPENSATION: You pay them, offering frequent raises and bonuses. A balloon payment is due when they turn 18 because of the assumption that college will help them become financially independent. When you die, you give them whatever is left.

BENEFITS: While no health or dental insurance, no pension, no tuition reimbursement, no paid holidays and no stock options are offered, job supplies limitless opportunities for personal growth and free hugs for life if you play your cards right.

Chili Tester Named Frank

"Recently I was honored to be selected as an Outstanding Famous Celebrity in Texas, to be a judge at a chili cook-off because no one else wanted to do it. Also the original person called in sick at the last moment and I happened to be standing there at the judge's table asking directions to the beer wagon when the call came. I was assured by the other two judges that the chili wouldn't be all that spicy, and besides they told me I could have free beer during the tasting, so I accepted this as being one of those burdens you endure when you're an internet writer and therefore know and adored by all."

Here are the scorecards from the event:

Chili # 1: Mike's Maniac Mobster Monster Chili

JUDGE ONE:

A little too heavy on tomato. Amusing kick.

JUDGE TWO:

Nice, smooth tomato flavor. Very mild.

FRANK:

Holy smokes, what is this stuff? You could remove dried paint from your driveway with it. Took me two beers to put the flames out. Hope that's the worst one. These people are crazy.

**Chili # 2: Arthur's Afterburner Chili****JUDGE ONE:**

Smoky (barbecue?) with a hint of pork. Slight Jalapeno tang.

JUDGE TWO:

Exciting BBQ flavor, needs more peppers to be taken seriously.

FRANK:

Keep this out of reach of children! I'm not sure what I am supposed to taste besides pain. I had to wave off two people who wanted to give me the Heimlich maneuver. Shoved my way to the front of the beer line. The barmaid looks like a professional wrestler after a bad night. She was so irritated over my gagging sounds that the snake tattoo under her eye started to twitch. She has arms like Popeye and a face like Winston Churchill. I will NOT pick a fight with her.

Chili # 3: Fred's Famous Burn Down the Barn Chili**JUDGE ONE:**

Excellent firehouse chili! Great kick. Needs more beans.

JUDGE TWO:

A beanless chili, a bit salty, good use of red peppers.

FRANK:

This has got to be a joke. Call the EPA, I've located a !?##?!?%?~?! uranium spill. My nose feels like I have been sneezing Drano. Everyone knows the routine by now and got out of my way so I could make it to the beer wagon. Barmaid pounded me on the back; now my backbone is in the front part of my chest. She said her friends call her "Sally." Probably behind her back they call her "Forklift."

Chili # 4: Bubba's Black Magic**JUDGE ONE:**

Black bean chili with almost no spice. Disappointing.

JUDGE TWO:

Hint of lime in the black beans Good side dish for fish or other mild foods, not much of a chili.

FRANK:

I felt something scraping across my tongue but was unable to taste it. Sally was standing behind me with fresh refills so I wouldn't have to dash over to see her. When she winked at me her snake sort of coiled and uncoiled... it's kinda cute.

Chili # 5: Linda's Legal Lip Remover**JUDGE ONE:**

Meaty, strong chili. Cayenne peppers freshly ground adding considerable kick. Very impressive.

JUDGE TWO:

Chili using shredded beef; could use more tomato. Must admit the cayenne peppers make a strong statement.

FRANK:

My ears are ringing and I can no longer focus my eyes. I belched and four people in front of me needed paramedics. The contestant seemed hurt when I told her that her chili had given me brain damage. Sally saved my tongue by pouring beer directly on it from a pitcher. Sort of irritates me that one of the other judges asked me to stop screaming.

Chili # 6: Vera's Very Vegetarian Variety**JUDGE ONE:**

Thin yet bold vegetarian variety chili. Good balance of spice and peppers.

JUDGE TWO:

The best yet. Aggressive use of peppers, onions, and garlic. Superb.

FRANK:

My intestines are now a straight pipe filled with gaseous flames. No one seems inclined to stand behind me except Sally. I asked if she wants to go dancing later.

Chili # 7: Susan's Screaming Sensation Chili

JUDGE ONE;

A mediocre chili with too much reliance on canned peppers.

JUDGE TWO:

Ho Hum, tastes as if the chef threw in canned peppers at the last moment. I should note that I am worried about Judge number 3, he appears to be in a bit of distress.

FRANK:

You could put a hand grenade in my mouth and pull the pin and I wouldn't feel it. I've lost the sight in one eye and the world sounds like it is made of rushing water. My clothes are covered with chili which slid unnoticed out of my mouth at some point. Good! At autopsy they'll know what killed me. Go Sally, save yourself before it's too late. Tell our children I'm sorry I was not there to conceive them. I've decided to stop breathing, it's too painful and I'm not getting any oxygen anyway. If I need air I'll just let it in through the hole in my stomach. Call the X-Files people and tell them I've found a super nova on my tongue.

Chili # 8: Helen's Mount Saint Chili

JUDGE ONE:

This final entry is a good, balanced chili, neither mild nor hot. Sorry to see that most of it was lost when Judge Number 3 fell and pulled the chili pot on top of himself.

JUDGE TWO:

A perfect ending, this is a nice blend chili, safe for all, not too bold but spicy enough to declare its existence.

FRANK:

I want my Momma??!!

Lecturer

A cardiologist came up with a new operating procedure that would cut down the time that heart surgery would take and would cause less trauma to the patient. He was praised by his peers when he presented it at a convention in Washington D.C. He was also paid \$50,000 to present his find. He did a couple more of these presentations and realized that it would be more lucrative to do lectures on his find than to work as a surgeon. So he decides to do the lectures full-time. He hires a driver and purchases a limousine.

One day, after he'd been doing the lecture circuit for about 6 months, his driver turns to him and says, "You know... This is completely unfair."

"What do you mean?" asks the surgeon

"Well, you get paid \$50,000 every time you do this lecture and that's more than I get paid in a year," says the driver.

The surgeon explains to him that it is a very complicated procedure and that he is the only person that can give this lecture.

"That's not true. I can do your lecture blindfolded. I have seen you do your lecture so many times that I know it by heart." says the driver.

"Well if that's the case, I'll tell you what. You do this lecture and you can keep the \$50,000 if you do it right," says the surgeon.

The driver replies, "OK. You're on."

So when they arrive at the lecture hall, the surgeon and the driver change coats and the surgeon puts on the driver's hat and sits in the back of the room.

The driver nails the presentation. Not only that, he also answers all the questions without any problems. Just when the driver thinks he's done, an audience member, wearing a lab coat and tape covered glasses stands up and asks a complex question that the driver is not able to answer.

"You know..." says the driver. "I have done this lecture 287 times and I have never been asked such a stupid question. As a matter of fact, that question is SO stupid that I am going to let my driver answer it."

FROM THE WHITE HOUSE ...

Democrats announced today they are changing their emblem from a donkey to a condom because it more clearly reflects their party's political stance.

A condom stands up to inflation, halts production, discourages cooperation, protects a bunch of dicks and gives a sense of security while screwing others.

Just for fun...poopies

It takes class, imagination and a good memory and I'm sure you can all relate!!

Ghost Poopie- The kind where you feel the poopie come out, but there's no poopie in the toilet.

Clean Poopie- The kind where you poopie it out, see it in the toilet, but there's nothing on the toilet paper.

Wet Poopie- The kind where you wipe your butt 50 times and it still feels unwiped, so you have to put some toilet paper between your butt and your underwear so you don't ruin them with skid marks.

Second Wave Poopie- It happens when your done poopie-ing, and you have pulled your pants up to your knees and you realize you have to poopie some more.

Pop-A-Vein-In-Your-Forehead-Poopie- The kind where you strain so much to get it out, you almost have a stroke.

Richard Simmons Poopie- You poopie so much you lose 30 pounds.

Lincoln Log Poopie- The kind of poopie that is so huge, you're afraid to flush without breaking it up into little pieces with the toilet brush.

Corn Poopie- Self Explanatory!

Gee, I Wish I Could Poopie, Poopie- It's the kind where you want to poopie real bad, but all you do is sit, cramp, and fart a few times.

Spinal Tap Poopie- That's where it hurts so bad coming out, you'd swear it was leaving you sideways.

Wet Cheeks Poopie (The Power Dump)- The kind that comes out of your rectum so fast, your butt cheeks get splashed with water.

Liquid Poopie- The kind where yellowish-brown liquid shoots out of your butt and splatters all over the toilet, and at the same time chronically burns your tender poop chute.

Mexican Food Poopie- It smells so bad the room is condemned.

The Girlie Poopie- The people that think their poopie doesn't stink..

Fisherman's Bobber Poopie- That's the kind where you're in the public rest-room, and there are two people waiting for your stall. You poopie and flush two times, but several golf ball-sized pieces are still floating on the water..

The VanGough Poopie- That's where after you poopie, you are shocked to see all the different colors in your poopie, and try to figure out what you ate to do it again.

The Show-and-Tell Poopie- You're so impressed with your own poopie, you leave it in the bowl so all your friends can appreciate it too

The Wipers Nightmare- That's the kind that breaks off too soon, so half falls in to the bowl and half stays hanging.

Ambush Poopie- That's when your in public and you think you have to fart, but you get a sneak attack squirt instead.

Paralyzing Poopie- When you're sitting poopie-ing so long your legs fall asleep.

He Just Poopied, Poopie- When you get done poopie-ing, you put your shorts back on and go out in public with those identifying bright red pressure circles on the back of your legs for all to see.

The "What Crawled Up Your Butt & Died?" Poopie- Also sometimes referred to as The Toxic Dump. Of course you don't warn anyone of the poisonous bathroom odor. Instead, you stand innocently near the door and enjoy the show as they run out gagging and gasping for air.

The Snake Charmer Poopie- A long skinny poopie which has managed to coil itself into a frightening position usually harmless.

The Ritual Poopie- This poopie occurs at the same time each day and is accomplished with the aid of a newspaper (reading, not wiping).

The Ranger Poopie- A poopie which refuses to let go. It is usually necessary to engage in a rocking or bouncing motion, but quite often the only solution is to push it away with a small piece of toilet paper.

The Premeditated Poopie- Laxative induced. Doesn't count.

The Porridge Poopie- The type that comes out like toothpaste, and just keeps on coming. You have two choices: 1) Flush and keep going. 2) Risk it piling up to your crack while you sit there helpless.

The Pebbles-From-Heaven Poopie- An adorable collection of small turds in a cluster, often a gift from God when you cannot poop.

The Peek-A-Boo Poopie- Now you see it, now you don't! This poopie is playing games with you. Requires patience and muscle control.

The Mood Enhancer- This poopie occurs after a lengthy period of constipation, thereby allowing you to be your old self again.

The "I Think I'm A Bunny" Poopie- When you drop lots of cute, little round ones that look like marbles and make tiny splashing sounds when they hit the water.

The "I'm Going To Chew My Food Better" Poopie- When the bag of Doritos you ate last night lacerates the insides of your poop shoot on the way out in the morning.

The Honeymoon's Over Poopie- This is any poopie created in the presence of another person.

The Groaner- A poopie so huge it cannot exit without vocal assistance.

The Energizer Poopie- "Still Going!" **The Crowd Pleaser-** This poopie is so intriguing in size and/or appearance that you have to show it to someone before flushing.

The Cliffhanger- Where you just sit there patiently and wait for the last cling-on to drop off, because if you wipe now it's going to smear all over the place.

The Back-To-Nature Poopie- This poopie may be of any variety but is always deposited either in the woods or while hiding behind the passenger side of your car. Beware of poison ivy wipes.

The Aftershock Poopie- This poopie has an odor so powerful that anyone entering the vicinity within the next 7 hours is affected.

The Terminator- You poopie so hard you fall off the toilet.

T2- More extreme than The Terminator, you require some medical assistance to restart your heart. Clear!

The Cowboy- You've got to poopie so bad that you proceed to buck and holler until finally the poopie's been tamed.

The Runner's Poopie- Experienced by long distance runners who don't want to stop so they poopie in their shorts. (inspired by Jeff Reigal of BadAxe, MI)

Poopszophrenia- Fear of poopie-ing, can be fatal!

The Pool Poopie- Usually performed by younger children. It's too much fun in the pool so why get out? Makes a great floatie toy afterwards!

Painter's Poopie- You're up on the scaffolding and it takes too long to get down so you just cramp it and wait.

Lost Poopie- That's when there's a poopie in the urinal.

In flight

1. Two vultures board an airplane, each carrying two dead raccoons. The stewardess looks at them and says; I'm sorry, gentlemen, only one carrion allowed per passenger.

2. Did you hear that NASA recently put a bunch of Holsteins into low earth orbit? They called it the herd shot 'round the world.

3. Two boll weevils grew up in South Carolina. One went to Hollywood and became a famous actor. The other stayed behind in the cotton fields and never amounted to much. The second one, naturally, became known as the lesser of two weevils.

4. Two Eskimos sitting in a kayak were chilly, but when they lit a fire in the craft, it sank proving once again that you can't have your kayak and heat it, too.

5. A three legged dog walks into a saloon in the Old West. He slides up to the bar and announces: I'm looking for the man who shot my paw.

6. Did you hear about the Buddhist who refused Novocain during a root canal? He wanted to transcend dental medication.

7. A group of chess enthusiasts checked into a hotel and were standing in the lobby discussing their recent tournament victories. After about an hour, the manager came out of the office and asked them to disperse. But why? they asked, as they moved off. Because, he said, I can't stand chess nuts boasting in an open foyer.

8. A woman has twins, and gives them up for adoption. One of them goes to a family in Egypt and is named Amal. The other goes to a family in Spain; they name him Juan. Years later, Juan sends a picture of himself to his birth mother. Upon receiving the picture, she tells her husband that she wishes she also had a picture of Amal. Her husband responds, They're twins! If you've seen Juan, yo've seen Amal.

9. These friars were behind on their belfry payments, so they opened up a small florist shop to raise funds. Since everyone liked to buy flowers from the men of God, a rival florist across town thought the competition was unfair. He asked the good fathers to close down, but they would not. He went back and begged the friars to close. They ignored him. So, the rival florist hired Hugh MacTaggart, the roughest and most vicious thug in town to persuade them to close. Hugh beat up the friars and trashed their store, saying he'd be back if they didn't close up shop. Terrified, they did so, thereby proving that: Hugh, and only Hugh, can prevent florist friars.

10. And finally, there was a man who sent ten different puns to friends, in the hope that at least one of the puns would make them laugh. Unfortunately, no pun in ten did.

Computer Plane

The world's first fully computerized airliner was ready for its maiden flight without pilots or crew. The plane taxied to the loading area automatically, its doors opened automatically, the steps came out automatically. The passengers boarded the plane and took their seats.

The steps retreated automatically, the doors closed, and the airplane taxied toward the runway.

"Good afternoon, ladies and gentlemen," a voice intoned. "Welcome to the debut of the world's first fully computerized airliner. Everything on this aircraft is run electronically. Just sit back and relax. Nothing can go wrong ... Nothing can go wrong...nothing can go wrong...."

justice

Bill Clinton dies and is on his way to Hell. At Hell's gates he meets Satan.

Satan tells Clinton that Hell is full, but that Clinton will be replacing one of the current inhabitants. Clinton will be given the choice of who he will replace forever in Hell. Three doors appear before Clinton.

The first door opens. Behind it is Newt Gingrich. He's being forced to pound big rocks into little rocks. Upon seeing Newt in this predicament Clinton cringes and says, "That looks painful. I don't think this is for me!"

The second door opens. Behind it is Ted Kennedy. He is bobbing for automobile parts in a large pool of dirty water. Grimacing at the filthy scene, Clinton says, "I don't think so."

The third door opens and behind it is Ken Starr. He's naked and bound hand and foot. Kneeling before Ken is Monica Lewinsky, doing what she does best.

"I can handle that!" Clinton proclaims enthusiastically.

"Very well," says Satan. "Monica, you may go."

KIDS AGAIN

A first grader was sitting in class as the teacher was reading the story of the Three Little Pigs. She came to the part of the story where the first pig was trying to acquire building materials for his home. She said "...And so the pig went up to the man with a wheelbarrow full of straw and said 'Pardon me sir, but might I have some of that straw to build my house with?'

Then the teacher asked the class, "And what do you think that man said?"

My friend's son raised his hand and said "I know! I know!, he said..... 'Holy smokes! A talking pig!'"

The teacher was unable to teach for the next 10 minutes.

A Sunday school teacher was discussing the Ten Commandments with her five and six year olds. After explaining the commandment to "honor thy father and thy mother," she asked "Is there a commandment that teaches us how to treat our brothers and sisters?"

Without missing a beat one little boy (the oldest of a family) answered, "Thou shall not kill."

An honest seven-year-old admitted calmly to her parents that Billy Brown had kissed her after class. "How did that happen?" gasped her mother.

"It wasn't easy," admitted the young lady, "but three girls helped me catch him."

One day, a little girl is sitting and watching her mother do the dishes at the kitchen sink. She suddenly notices that her mother has several strands of white hair sticking out in contrast on her brunette head. She looks at her mother and inquisitively asks, "Why are some of your hairs white, Mom?"

Her mother replied, "Well, every time that you do something wrong and make me cry or unhappy, one of my hairs turns white."

The little girl thought about this revelation for a while, and then said, "So, Momma, how come ALL of grandma's hairs are white?"

The children had all been photographed, and the teacher was trying to persuade them each to buy a copy of the group picture. "Just think how nice it will be to look at it when you are all grown up and say, 'There's Jennifer; she's a lawyer,' or 'That's Michael, he's a doctor.'" A small voice at the back of the room rang out, "And there's the teacher; she's dead."

A teacher was giving a lesson on the circulation of the blood. Trying to make the matter clearer, he said, "Now, boys, if I stood on my head the blood, as you know, would run into it, and I should turn red in the face." "Yes, sir," the boys said. "Then why is it that while I am standing upright in the ordinary position the blood doesn't run into my feet?" A little fellow shouted, "Cause yer feet ain't empty."

For weeks, a six-year old lad kept telling his first grade teacher about the baby brother or sister that was expected at his house. One day the mother allowed the boy to feel the movements of the unborn child. The six-year old was obviously impressed, but made no comment. Furthermore, he stopped telling his teacher about the impending event. The teacher finally sat the boy on her lap and said, "Tommy, whatever has become of that baby brother or sister you were expecting at home?" Tommy burst into tears and confessed, "I think Mommy ate it!"

A three-year-old boy went with his dad to see a new litter of kittens. On returning home, he breathlessly informed his mother, "There were two boy kittens and two girl kittens." "How did you know that?" his mother asked.

"Daddy picked them up and looked underneath," he replied. "I think it's printed on the bottom."

The math teacher saw that little Johnny wasn't paying attention in class. She called on him and said, "Johnny! What are 4, 2, 28 and 44?"

Little Johnny quickly replied, "NBC, CBS, HBO, and the Cartoon Network!"

When I stopped the bus to pick up Chris for preschool, I noticed an older woman hugging him as he left the house. "Is that your grandmother?" I asked. "Yes," Chris said. "She's come to visit us for Christmas."

"How nice," I said. "Where does she live?"

"At the airport," Chris replied. "Whenever we want her, we just go out there and get her."

A little girl and a little boy were at day care one day. The girl approaches the boy and says, "Hey Tommy, wanna play house?"

He says, "Sure! What do you want me to do?"

The girl replies, "I want you to communicate!"

He says to her, "That word is too big. I have no idea what it means."

The little girl smirks and says, "Perfect. You can be the husband."

I didn't know if my granddaughter had learned her colors yet, so I decided to test her. I would point out something and ask what color it was. She would tell me and always she was correct. But it was fun for me, so I continued. At last, she headed for the door, saying sagely, "Grandma, I think you should try to figure out some of these yourself!"

When the mother returned from the grocery store, her small son pulled out the box of animal crackers he had begged for, then he tossed the animal-shaped crackers all over the kitchen counter. "What are you doing?" his mom asked.

"The box says you can't eat them if the seal is broken," the boy explained.... "I'm looking for the seal."

Her 7-year-old grandson surprised this grandmother one morning. He had made her coffee. She drank what was the worst cup of coffee in her life. When she got to the bottom there were three of those little green army men in the cup.

She said, "Honey, what are these army men doing in my coffee?"

Her grandson said, "Grandma, it says on TV- 'The best part of waking up is soldiers in

your cup!”

In the supermarket was a man pushing a cart, which contained a screaming, bellowing baby. The gentleman kept repeating softly, “Don’t get excited, Albert; don’t scream, Albert; don’t yell, Albert; keep calm, Albert.”

A woman standing next to him said, “You certainly are to be commended for trying to soothe your son Albert.”

The man looked at her and said, “Lady, I’m Albert.”

One Sunday morning the pastor noticed little Johnny was standing staring up at the large plaque that hung in the foyer of the church. The young man of seven had been staring at the plaque for some time, so the pastor walked up and stood beside him and gazing up at the plaque he said quietly, “Good morning son.”

“Good morning pastor” replied the young man, not taking his eyes off the plaque. “Sir, what is this?” Johnny asked.

“Well, son, these are all the people who have died in the service”, replied the pastor. Soberly, they stood together staring up at the large plaque.

Little Johnny’s voice barely broke the silence when he asked quietly, “Which one sir, the 8:30 or the 10:30?”

In Scotland, the most important time for a young lad is when he ‘comes of age’ and buys his first kilt A young lad found the material he wanted and told the tailor: ‘I’d like ye to make me a kilt with this, and, if ye don’t mind, I’d like ye to make me a pair of matching underwear. I hear it gets a might drafty up these things!’

A few days later the tailor called the lad back. ‘Here’s yer kilt, and here’s yer underwear and here’s five yards left over Ye might want to keep it in case you want anything else made.’

The lad rushed home, donned his kilt, and ran to his girlfriend’s house to show off his purchase. Unfortunately, in his excitement, he forgot to don his underwear.

When his girlfriend answered the door, she exclaimed: ‘Ah, but that’s a fine looking kilt.’ ‘Aye, and if ye like it, ye’ll really like what’s underneath,’ he stated as he lifted his kilt. ‘Oh, but that’s a dandy,’ his girlfriend shouted admiringly.

Still not realising that he didn’t have his underwear on, he exclaimed proudly: ‘Aye, and if ye like it, I’ve got five more yards of it at home!’

kimosabe

The Lone Ranger and Tonto walked into a bar and sat down to drink a beer. After a few minutes, a big tall cowboy walked in and said, “Who owns the big white horse outside?”

The Lone Ranger stood up, hitched his gun belt, and said, “I do...Why?”

The cowboy looked at the Lone Ranger and said, “I just thought you’d like to know that your horse is about dead outside!” The Lone Ranger and Tonto rushed outside and sure enough Silver was ready to die from heat exhaustion. The Lone Ranger got the horse watered and soon Silver was starting to feel a little better. The Lone Ranger turned to Tonto and said, “Tonto, I want you to run around Silver and see if you can create enough of a breeze to make him start to feel better.”

Tonto said, “Sure, Kemosabe” and took off running circles around Silver.

Not able to do anything else but wait, the Lone Ranger returned to the bar to finish his drink. A few minutes later, another cowboy struts into the bar and asks, “Who owns that big white horse outside?”

The Lone Ranger stands again, and claims, “I do, What’s wrong with him this time?” The cowboy looks him in the eye and says,...

L.O.L. drivers

Two elderly women were out driving in a large car - both could barely see over the dashboard. As they were cruising along, they came to an intersection. The stop light was red, but they just went on through. The woman in the passenger seat thought to herself "I must be losing it. I could have sworn we just went through a red light".

After a few more minutes, they came to another intersection and the light was red again. Again, they went right through. The woman in the passenger seat was almost sure that the light had been red but was really concerned that she was losing it. She was getting nervous and decided to pay very close attention to the road and the next intersection.

At the next intersection, sure enough, the light was red and they went on through. So, she turned to the other woman and said, "Mildred, did you know that we just ran through three red lights in a row? You could have killed us both!"

Mildred turned to her and said, "Oh! Am I driving?"

Lobsters

After a day fishing in the ocean a fisherman is walking from the pier carrying two lobsters in a bucket. He is approached by the Game Warden who asks him for his fishing license.

Not having one the fisherman says to the warden, "I did not catch these lobsters, they are my pets. Every day I come down to the water and whistle and these lobsters jump out and I take them for a walk only to return them at the end of the day."

The warden, not believing him, reminds him that it is illegal to fish without a license.

The fisherman turns to the warden and says, "If you don't believe me then watch," as he throws the lobsters back into the water.

The warden says, "Now whistle to your lobsters and show me that they will come out of the water."

The fisherman turns to the warden and says, "What lobsters?"

Communism: You have two cows. The government takes them both and provides you with milk.

Fascism: You have two cows. The government takes them and sells you the milk.

Capitalism: You have two cows. You sell one and buy a bull.

Corporate: You have two cows. You sell one, force the other to produce the milk of four cows and then act surprised when it drops dead.

Democracy: You have two cows. The government taxes you to the point that you must sell them both in order to support a man in a foreign country who has only one cow which was a gift from your government.

Saint Peter

Saint Peter was at the Pearly Gates when three people arrived.

The first one comes up to the entrance and St. Peter asks, "What did you die of?"

The man replies, "I died of the big 'C'."

St. Peter says, "The big 'C'? What's that?"

The man replies, "Cancer. It ate me up alive."

St. Peter says, "You poor soul. Go right on in." The next man walks up to Saint Peter, and Saint Peter asks, "What did you die of?"

The man replies, "I died of the big 'H'."

Saint Peter asks, "The big 'H'? What's the big 'H'?"

The man says, "Heart attack. I was playing with my kids when my heart gave out, and here I am." Saint Peter says, "You poor soul. Go right on in." The third person, a lady, walks up to Saint Peter. She is dressed like a street walker.

Saint Peter asks, "What did you die of?"

The girl replies, "I died of the big 'G'."

Saint Peter says, "The big 'G'? I've never heard of the big 'G'."

She says, "That's the big 'G' for Gonorrhoea."

Saint Peter replies, "Gonorrhoea? No one dies of gonorrhoea!"

The girl replies, "You do if you give it to Leroy!"

Whose baby

The young blonde bride made her first appointment with a gynecologist and told him that she and her husband wished to start a family.

"We've been trying for months now, Doctor, and I don't seem to be able to get pregnant," she confessed miserably.

"I'm sure we'll solve your problem," the doctor reassured her.

"If you'll just take off your underpants and get up on the examining table."

"Well, all right, Doctor," agreed the young woman, blushing, "but I'd rather have my husband's baby."

Penny

After tucking their three-year-old child Sammy in for bed one night, his parents heard sobbing coming from his room. Rushing back in, they found him crying hysterically. He managed to tell them that he had swallowed a penny and he was sure he was going to die. No amount of talking helped. His father, in an attempt to calm him down, palmed a penny from his pocket and pretended to pull it from Sammy's ear. Sammy was delighted.

In a flash, he snatched it from his father's hand, swallowed it, then cheerfully demanded, "Do it again, Dad!"

Gotcha

A guy is standing at a urinal when he notices that he's being watched by a midget. Although the little fellow is staring at him intently, the guy doesn't get uncomfortable until the midget drags a small stepladder up next to him, climbs it, and proceeds to admire his privates at close range.

"Wow!" comments the midget. "Those are the nicest balls I have ever seen!"

Surprised and flattered-the man thanks the midget and starts to move away. "Listen, I know this is a rather strange request," says the little fellow, "but I wonder if you would mind if I touched them?"

Again the man is rather startled, but seeing no real harm in it, he obliges the request. The midget reaches out, gets a tight grip on the man's balls, and says, "Okay, hand over your wallet or I'll jump!"

Father

The father of five children had won a toy at a raffle. He called his kids together to ask which one should have the present.

"Who is the most obedient?" he asked. "Who never talks back to mother? Who does everything she says?"

Five small voices answered in unison. "Okay, dad, you get the toy."

Whiskey

A man was arrested for selling home-stilled whiskey. His lawyer put him on the stand and asked the jurors to look carefully at his client.

"Now, Ladies and Gentleman of the jury," concluded the lawyer, "you've looked carefully at the defendant. Can you sit there in the jury box and honestly believe that if my client had ANY whiskey he would sell it?"

Eating

One afternoon, a man was riding in the back of his limousine when he saw two men eating grass by the road side. He ordered his driver to stop and he got out to investigate. "Why are you eating grass?" he asked one man.

"We don't have any money for food.", The poor man replied.

"Oh, come along with me then."

"But sir, I have a wife with two children!"

"Bring them along! And you, come with us too!", he said to the other man.

"But sir, I have a wife with six children!" the second man answered.

"Bring them as well!"

They all climbed into the car, which was no easy task, even for a car as large as the limo. Once underway, one of the poor fellows says "Sir, you are too kind. Thank you for taking all of us with you."

The rich man replied "No, I appreciate you: the grass at my home is about three feet tall!"

Tee-off

Two couples went out golfing together. The men hit first from the men's tee and walked with the ladies to their tee box.

The first lady took a mighty swing at the ball, missing it completely, while passing some gas rather loudly in the process. No one commented.

She addressed the ball again but this time she passed just a little gas as she made contact

with the ball, topping it and moving it only a short distance.

She said, "I wonder why it didn't go any further?"

One of the men said, "I don't think you gave it enough gas!"

Party for two

A successful businessman became disenchanted with the stress of the fast life in the big city and decides to chuck it all.

He takes his savings and purchases a large ranch in the middle of nowhere, Montana.

After a couple of months of enjoying the solitude he hears the drumming of hoof beats outside his cabin. Grabbing his rifle he challenges the man riding up on the horse.

"Hold it friend," the man says, "I'm your neighbor. I have a ranch about 6 miles from here, and I want to invite you to a welcome party I'm throwing for you next Saturday. There's going to be music, dancin', drinkin' huggin', kissin', humpin' and fightin'.... It's gonna be a great time!"

Not wanting to be un-neighborly the new rancher lowers the rifle and asks, "How should I dress?"

"Aw, don't matter," replied the neighbor. "Only gonna be the two of us."

G. W. Bush's Inaugural Address Song

(to the tune of "What a Wonderful World" by Sam Cooke)

Don't know much about history
 Don't know much foreign policy
 Don't remember how I got through school
 I'm sure I didn't break the rules
 But what's it matter 'cause my granny says
 "Boy, if you want to you can be the prez
 And what a wonderful world this will be"
 Don't know much about the women's vote
 Don't know much about the bill I wrote
 Don't know much about the foreign vets
 I've never voted for 'em yet
 But I do know if your dad tries hard
 He can get you in the National Guard
 And what a wonderful place that can be
 Now I never claimed to be an A student
 But what's wrong with C's?
 And maybe by knowing the names of my cabinet
 I can win their love for me
 Don't know much about air pollution
 Don't know much about the constitution
 Don't know much about th'economy
 It never much affected me

But there's one thing that I know for sure
 If the rich stay rich and the poor stay poor
 What a wonderful world this will be
 Don't know much about the national debt
 I've never had to pay one yet
 If we need to we can sell the States
 To the Japanese at discount rates
 But I do know if things get bad
 Dick and I can always call my dad
 And what a wonderful world this will be

Luke and Obi-Wan

Luke and Obi-Wan are in a Chinese restaurant having a meal. Skillfully using his chopsticks, Obi-Wan deftly dishes himself a large portion of noodles into his bowl, then tops it off with some chicken and cashew nuts. All this is done with consummate ease you'd expect from a Jedi Master.

Poor old Luke is having a nightmare, using his chopsticks in both hands, dropping his food all over the table and eventually himself.

Obi-Wan looks at Luke disapprovingly and says, "Use the FORKS, Luke."

From his father Vinnie received a brand new handgun, while at his bar mitzvah, Myron's father strapped a beautiful gold watch on his wrist. The next day Vinnie was full of admiration for the watch, while Myron was consumed with envy after one glance at the pistol. So the two friends decided to trade gifts.

Cop story

It was the end of the day when I parked my police van in front of the station. As I gathered my equipment, my K-9 partner, Jake, was barking, and I saw a little boy staring in at me.

"Is that a dog you got back there?" he asked.

"It sure is," I replied.

Puzzled, the boy looked at me and then towards the back of the van. Finally he said, "What'd he do?"

What

"I don't know," said the kid. "How much did you see?"

Mother's work

When my wife quit work to take care of our new baby daughter, countless hours of peek-a-boo and other games slowly took their toll. One evening she smacked her bare toes on the corner of a dresser and, grabbing her foot, sank to the floor. I rushed to her side and asked where it hurt.

She looked at me through tear-filled eyes and managed to moan, "It's the piggy that ate roast beef."

My neighbor, a primary school teacher, asked one of her pupils, an adopted child, how he felt about his mother's pregnancy.

An old cowboy dressed to kill with cowboy shirt, hat, jeans, spurs and chaps went to a bar and ordered a drink. As he sat there sipping his whiskey, a young lady sat down next to him.

After she ordered her drink she turned to the cowboy and asked him, "Are you a real cowboy?"

"Well, I have spent my whole life on the ranch herding cows, breaking horses, mending fences... I guess I am," replied the cowboy.

After a short while he asked her what she was.

"I've never been on a ranch so I'm not a cowboy," said the young woman, "but I am a lesbian. I spend my whole day thinking about women. As soon as I get up in the morning I think of women. When I eat, shower, watch TV, everything seems to make me think of women."

A short while later she left and the cowboy ordered another drink. A couple sat down next to him and asked, "Are you a real cowboy?"

"I always thought I was, but I just found out that I'm a lesbian."

The bride said she wanted three children, while the young husband said two would be enough for him.

They discussed this discrepancy for a few minutes until the husband thought he'd put an end to things by saying boldly, "After our second child, I'll just have a vasectomy."

Without a moments hesitation, the bride retorted, "Well, I hope you'll love the third one just as if it's your own."

Union negotiations

Negotiations between union members and their employer were at an impasse. The union denied that their workers were flagrantly abusing the sick-leave provisions set out by their contract.

One morning at the bargaining table, the company's chief negotiator held aloft the morning edition of the newspaper, "This man," he announced, "called in sick yesterday!"

There on the sports page, was a photo of the supposedly ill employee, who had just won a local golf tournament with an excellent score.

A union negotiator broke the silence in the room.

"Wow!" he said. "Just think of what kind of score he could have had if he hadn't been sick!"

Reverend Fuzz

The Reverend John Fuzz was pastor of a small congregation in a little Pennsylvania town.

One day he was walking down Main Street and he happened to notice a female member of his congregation sitting in the town bar, drinking beer. The reverend thought this was sinful and not something a member of his congregation should do, so he walked through the open door of the bar and sat down next to the woman.

"Mrs. Fitzgerald," the reverend said sternly. "This is no place for a member of my congregation. Why don't you let me take you home?"

"Shure," she said with a slur, obviously very drunk.

When Mrs. Fitzgerald stood up from the bar, she began to weave back and forth. The reverend realized that she had had too much to drink and he grabbed hold of her arms to steady her. When he did, they both lost their balance and tumbled to the floor.

After rolling around for a few seconds, the reverend wound up lying on top of Mrs. Fitzgerald, her skirt hiked up to her waist.

The bartender looked over the bar and said, "Here, here, buddy, we won't have any of that carrying on in this bar."

The reverend looked up at the bartender and said, "But you don't understand. I'm Pastor Fuzz."

The bartender nodded. "Well if you're that far you may as well finish."

Smart Dog?

A man walked by a table in a hotel and noticed three men and a dog playing cards. The dog was exhibiting an extraordinary performance.

"This is a very smart dog," the man commented.

"He's not so smart," said one of the irked players. "Every time he gets a good hand he wags his tail."

Waterbed

My wife calls our waterbed the Dead Sea.

Marriage secret

Some people ask the secret of our long marriage. We take time to go to a restaurant two times a week. A little candlelight, dinner, soft music and dancing. She goes Tuesdays, I go Friday's.

—Henny Youngman

Intended

A man is walking past this house when a used condom comes flying out of the second story window and lands squarely on his head. Rather disgusted and absolutely furious, he goes up to the front door and starts pounding on it.

An elderly man opens it and asks him what caused him to knock so loudly.

The passerby asks, "Who's in your upstairs room?"

The elderly man replies, "I can't see how it's any of your business. Since, you must know, my daughter and intended son-in-law are upstairs."

The passerby hands him the used condom and says, "Well, I just wanted you to know that your intended grandchild just fell out of the window!"

Movie ebonics

What if some famous movies were remade to fit into today's pop culture? Instead of being in boring old English they'd be written in Ebonics. I've taken the liberty of translating a few easily identifiable movie quotes into this new language for your reading pleasure.

"Luke, I'm your father."
Ebonics: "Hey boy, I's yo daddy."

"Frankly my dear, I don't give a damn!"
Ebonics: "Later, bitch!"

"To be or not to be? That is the question."
Ebonics: "Is I is or is I ain't? Shiiit"

"I'll be back."
Ebonics: "I's a fixin' to bust a cap in yo ass."

"We're off to see the wizard."
Ebonics: "We's fixin' to see the hoodoo 'bout some voodoo."

"You've got to get mad! Stand up wherever you are, go to the nearest window and yell as loud as you can: 'I'm mad as hell, and I'm not going to take it anymore!'"
Ebonics: Fuuuck You!

"We're going to need a bigger boat."
Ebonics: You see da teeth on this mutha fucka? Turn this piece-a-shit around and get my black ass back to shore!

"I am Spartacus."

Ebonics: "Who da fuck is Spartacus?"

Whose at fault

Officer Patrick McGuire of the New York City Police Department answers a call on his radio and reports to the scene of a car accident in the Queens-Midtown Tunnel. Officer McGuire notes that a new Buick had its front end merged with the rear end of a Chrysler.

The driver of the Buick was Father Francis O'Boyle; the driver of the Chrysler was Rabbi Isaac Goldstein. After Officer McGuire verifies that Rabbi Goldstein has suffered no physical injuries in the accident, he walks back to survey the damages to each vehicle.

Then, Officer McGuire walks over to Father O'Boyle and asks him: "Tell me, Father, just how fast was that Rabbi going when he backed into you?"

Quickest

A man approached a local in a village he was visiting. "What's the quickest way to York?"

The local scratched his head.

"Are you walking or driving?" he asked the stranger.

"I'm driving."

"That's the quickest way."

Third what

The new patient was airing his woes to an understanding doctor: "After the first, I'm tired, Doc. After the second, my chest aches and I start getting pains in my legs. After the third, I feel like fainting and it takes half-an-hour for my heart and respiration to return to normal."

"Why don't you quit after the first?" inquired the doctor.

"How can I do that, Doc?" said the patient. "I live on the third."

Bricks

A skinhead and his girlfriend were walking down Main Street when she spotted a beautiful diamond ring in a jewelry store window. "Wow, I'd sure love to have that!" she said.

"No problem, baby," the skinhead said, throwing a brick through the glass and grabbing the ring.

A few blocks later, his girlfriend was admiring a black leather jacket in another shop window. "What I'd give to own that!" she said.

"Sure thing, darling," the skinhead said, throwing another brick through the window and snatching the coat.

Finally, turning for home, they pass a Mercedes car dealership. "Boy, I'd do anything for one of those!" she said to her boyfriend.

"Whoa, baby!" the skinhead cried. "Do you think I'm made of bricks or something!"

Two old ladies

Two old ladies are walking through a museum and got separated.

When they ran into each other later the first old lady said. "My! Did you see that statue of the naked man back there?"

The second old lady replied, "Yes! I was absolutely shocked!

How can they display such a thing! My gosh the penis on it was so large!"

And the first old lady blurted out, "And cold, too!"

Description

One day, an Eskimo family arrived in New York City. This was the first time out of their native village, and it wasn't long before the wife got lost. The Eskimo husband asked a passerby for help and was told to go to the police and report it.

When he got there, a police officer asked for his wife's description.

"What's that?" asked the Eskimo.

"Well, you see, a 'description' is telling what something looks like. For example, my wife is 25-years-old, 5'11", weighs 140 pounds, and measures 38-25-36. Now, what can you tell me about your wife?"

"Forget her!" exclaimed the Eskimo. "Let's go look for yours!"

Painting interpretation

A couple is attending an Art exhibit and they are looking at a portrait that has them a little taken aback. The picture depicts 3 very black, very naked men sitting on a park bench; 2 have a black penis and the one in the middle has a pink penis.

As the couple is looking somewhat puzzled at the picture, the Irish artist walks by and says, "Can I help you with this painting? I'm the artist who painted it."

The man says "Well, we like the painting but don't understand why you have 3 African men on a bench, and the one in the middle has a pink penis, while the other two have a black penis."

The Irish artist says, "Oh you are misinterpreting the painting. They're not African men, they are Irish coal miners and the one in the middle went home for lunch."

Same but different

Q: What can make you feel really good or be very annoying?

A: A woman's mouth!

Mother-in-law

John was in a bar looking very dejected.

His friend, Steve, walked over and asked, "What's wrong?"

"It's my mother-in-law," John replied, while shaking his head sadly. "I have a real problem with her."

"Cheer up," Steve said. "Everyone has problems with their mother-in-law."

"Yeah," John answered. "But I got mine pregnant."

Airplane nymph

A man boards an airplane and takes his seat. As he settles in, he glances up and sees a very beautiful woman boarding the plane.

He soon realizes she's heading straight towards his seat. Lo and behold, she takes the seat right beside his.

Eager to strike up a conversation, he blurts out, "Business trip or vacation?"

She turns, smiles and says, "Business. I'm going to the annual Nymphomaniac Convention in Chicago."

He swallows hard. Here is the most gorgeous woman he has ever seen, sitting next to him and she's going to a meeting of nymphomaniacs! Struggling to maintain his composure, he calmly asks, "What's your business role at this convention?"

"Lecturer," she says, "I use my experience to debunk some of the popular myths about sexuality."

"Really," he says, swallowing hard, "what myths are those?"

"Well," she explains, "one popular myth is that African American men are the most well

endowed when, in fact, it's the Native American Indian who is most likely to possess that trait. Another popular myth is that French men are the best lovers, when actually it is the man of Jewish descent. However, we have found that the best potential lover in all categories is the Southern Redneck."

Suddenly, the woman becomes a little uncomfortable and blushes. "I'm sorry," she says, "I shouldn't be discussing this with you. I don't even know your name!"

"Tonto!" the man says, "Tonto Goldstein! But my friends call me Bubba!

Snort shorts

Q: How can you tell when a man's had an orgasm?

A: From the snoring.

My cousin just died. He was only 19. He got stung by a bee-the natural enemy of a tightrope walker.

"Things you'll never hear a woman say: "My, what an attractive scrotum!"

"I read somewhere that 77 per cent of all the mentally ill live in poverty. Actually, I'm more intrigued by the 23 per cent who are apparently doing quite well for themselves."

"I discovered I scream the same way whether I'm about to be devoured by a Great White or if a piece of seaweed touches my foot."

"Capital punishment turns the state into a murderer. But imprisonment turns the state into a gay dungeon-master."

"My mother never saw the irony in calling me a son-of-a-bitch."

Art work

As an art teacher for an elementary school here in Jacksonville, Florida, one of my recent assignments for the children was to enter a contest that our new national football team, the Jacksonville Jaguars, was promoting.

The winning artwork gets placed on the back of the season tickets, so I encouraged the children to come up with a good logo and a colorful creation.

One innocent little girl was so enthused about her masterpiece she turned in to me. It had a picture of a mean looking jaguar that read, "You're messin' with the wrong pussy."

How much do you understand?

A Young Aussie was enjoying his first night in Rome drinking cappuccino at a pavement cafe when a pretty girl sat beside him.

"Hello," he said. "Do you understand English?"

"Only a little," she answered.

"How much?" he asked.

"Fifty dollars," she replied.

Condoms or lies?

A young couple with a box of condoms proceeded to do the wild thing. When they were finished, she discovered that there were only six condoms remaining in the box of 12, so she asked him, "What happened to the other five condoms?"

His nervous reply was, "Er, I masturbated with them."

Later, she then approached her male confidant friend, told him the story, and then asked him, "Have you ever done that?"

"Yeah, once or twice," he told her.

"You mean you've actually masturbated with a condom before?" she asked.

"Oh," he said, "I thought you were asking if I'd ever lied to my girlfriend."

Weighed

This young guy takes his blind date to an amusement park. They went for a ride on the Ferris wheel. After the ride, she seemed bored.

"What would you like to do next?" he asked.

"I wanna be weighed," she said. So the young man took her to the weight guesser. "One twelve," said the man at the scale, and he was absolutely correct.

Next they rode the roller coaster. After that, he bought her some popcorn and cotton candy, then he asked her what else she wanted to do.

"I wanna be weighed," she said again.

I really latched onto a winner tonight, thought the young man, and using the excuse that he had developed a headache, he took the girl home.

The girl's mother was surprised to see her home so early, and asked, "What's wrong, dear, didn't you have a nice time tonight?"

"Wousy," replied the girl.

Know what you mean

I was at a party this weekend and a jokester, stifling a laugh said, "Listen to this: One day, Moskowitz and Finkelstein were going to..."

At this, my Jewish friend, Al Cohen said, "Moskowitz and Finkelstein; Moskowitz and Finkelstein; always two Jews. Why do they have to be Jewish? Can't you tell the joke with other nationalities involved? Why don't you make them Chinese for a change?"

The jokester, sobered and embarrassed, said, "I'm sorry. I didn't mean to offend. Here's the joke: One day, Hong-lee Yang and Mao-chen Foo were going to the synagogue to attend the bar mitzvah of Hong-lee Yang's nephew..."

Medicine

You know, medicine is not an exact science, but we are learning all the time. Why, just fifty years ago they thought a disease like your daughter's was caused by demonic possession or witchcraft. But nowadays, we know that Isabelle is suffering from an imbalance of bodily humors, perhaps caused by a toad or a small dwarf living in her stomach.

Measuring

What's with all this snow? Anyway, I called my wife to tell her I'd be home early, and instead of being grateful she wanted to know why!

"Four to eight inches, that's why."

"There you go," she said craftily, "measuring all the way from the anus again!"

A pretty woman, carrying a stack of boxes from a shopping spree, was walking down the street when all of a sudden a strong wind lifts her skirt.

The hillbilly says, "And I can see you ain't one, neither!"

Baaaad news

"I've got some bad news and I've got some good news," says the doctor.

"What's the good news?" asked the patient.

"You can expect your penis to grow several inches in both length and diameter over the next few months."

"Wow," says the patient. "What's the bad news?"

"It's malignant." answered the doctor.

"No, not me," said the girl. "it's my old aunt here."

"Very well," said the doctor. "Madam, stick out your tongue."

This woman dies, and when she gets to heaven she asks Saint Peter, "Would it be possible for me to get together with my dear departed husband? He died many years ago."

Saint Peter asks, "What's his name?"

"John Smith," replies the woman.

"Gee," says Saint Peter, "we've got a lot of John Smiths up here. But sometimes we can identify people by their last words. Do you happen to remember what his last words were?"

The woman thinks for a moment, then says, "Oh yes! I remember them! He said that if I ever slept with another man after he was gone, he would roll over in his grave."

"Oh!" says Saint Peter. "You mean Whirling John Smith!"

Polish razor

A few nights ago a few friends and I were in a bar, telling all the polish jokes we knew; boy what a feast! Anyway, I ducked into the restroom to sprinkle the old porcelain.

While I was in there, this big guy came in and said to me, "Hey pal, I'm Polish and I don't like you telling all those Polish jokes!"

So I said, "Well, they're not against you, pal, just against anyone in Poland."

"My mother is in Poland!" He screams, and pulls out a razor.

Boy was I scared! I was sure he would have killed me if he had found a place to plug it in.

Do I Smell Like?

Trying to control my dry hair, I treated my scalp with olive oil before washing it. Worried that the oil might leave an odor, I washed my hair several times. That night when I went to bed, I leaned over to my husband and asked, "Do I smell like olive oil?"

"No," he said, sniffing me. "Do I smell like Popeye?"

Dancing

A couple preparing for a religious conversion meets with the orthodox rabbi for their final session. The rabbi asks if they have any final questions.

The man asks, "Is it true that men and women don't dance together?"

"Yes," says the rabbi, "for modesty reasons, men and women dance separately."

"So I can't dance with my own wife?"

"No."

"Well, okay," says the man, "but what about sex?"

"Fine," says the rabbi. "A mitzvah within the marriage!"

"What about different positions?" the man asks.

"No problem," says the rabbi.

"Woman on top?" the man asks.

"Why not?" replies the rabbi.

"How about doggie-style?"

"Of course!"

"Well, what about standing up?"

"NO!" says the rabbi, "It could lead to dancing!"

Lawyer affair

A comely redhead was thrilled to have obtained a divorce and dazzled by the skill and virtuosity of her lawyer, not to mention his healthy income and good looks. In fact, she realized, she had fallen head over heels in love with him, even though he was a married man.

"Oh, Sam," she sobbed at the conclusion of the trial, "isn't there some way we can be together, the way we were meant to be?"

Taking her by the shoulders, Sam proceeded to scold her, "Snatched drinks in grimy bars on the edge of town, lying on the phone, hurried meetings in sordid motels rooms - is that really what you want for us?"

"No, no..." she sobbed, heartsick.

"Oh," said the lawyer. "Well, it was just a suggestion."

Upper hand

A man was shipwrecked on a remote island. Although he had plenty of food and water, there was nothing for him to do except play with himself. After many years, even that became so monotonous that he couldn't even get an erection. Now, completely without any happiness, his sanity began to slip away.

One morning, as he is lying on the beach, he thinks he sees a ship in the distance. He quickly starts a fire, then throws wet seaweed on top until smoke is billowing high in the air. The ship starts to come his way!

He gets all excited and thinks, "Finally! I'm going to be saved!"

The first thing I want is to take a long, hot shower. Then they're going to give me some clothes and I'm going to go upstairs and have a nice dinner. I will find a nice lady to dance with, then I will take to her cabin and we can kiss and I can fondle her body. She'll start to take off her clothes and she'll be wearing red silk panties!"

At this, he gets an erection. He slips his hand into his shorts, grabs his pecker, and yells, "Ha Ha Ha!! I fooled you! I lied about the ship!"

What can I do?

Henry and his over-developed wife were sitting in the stands waiting for the football game to begin. A friend walked over, said, "Hello Henry," gave Henry's wife's breast a little squeeze and walked away.

A few minutes later another guy walked over, said, "Hello Henry," then, he too, fondled his wife's breasts and walked on. This strange sequence of events went on for some time.

Finally a man sitting next to Henry spoke up, "Listen pal, It's none of my business, but isn't it a little odd that at least twelve guys came by, said hello to you then grabbed your wife by the breast? What's the story?"

Henry looked at him and moaned, "What can I do? If I leave her at home, she sleeps with everybody."

Plane crash

At the plane crash site, one lone survivor sat with his back against a tree, chewing on a bone. As he tossed the bone onto a huge pile of bones, he noticed the rescue team. "Thank Heavens!", he cried out in relief. "I am saved!"

The rescue team did not move, as they were in shock, seeing the pile of human bones beside this lone survivor. Obviously he had eaten his comrades.

The Survivor saw the horror in their faces and hung his own head in shame. "You can't judge me for this," he insisted. "I had to survive. Is it so wrong to want to live?"

The leader of the rescue team stepped forward, shaking his head in disbelief. "I won't judge you for doing what was necessary to survive, but Good Heavens, man, your plane only went down yesterday!"

Four sides

Before his daring escape from prison, an infamous criminal had been photographed from four different angles. The FBI sent copies of the pictures to police chiefs all across the land, with orders to notify Washington the moment an arrest was made.

The next day, the Bureau received a faxed reply from the ambitious sheriff of a small Southern town: "PICTURES RECEIVED. ALL FOUR SHOT DEAD WHILE RESISTING ARREST."

Chinaman and the hooker

A Chinese man arranges for a hooker to come to his room for the evening. Once in the room they undress, climb into bed, and go at it. When finished, the Chinese man jumps up, runs over to the window, takes deep breath, dives under the bed, climbs out the other side, jumps back into bed with the hooker and commences to repeat the performance.

The hooker is impressed with the gusto of the second encounter.

When finished, the Chinese man jumps up, runs over to the window, takes a deep breath, dives under the bed, climbs out the other side, jumps back into bed with the hooker and starts again. The hooker is amazed as this sequence is repeated four times. During the fifth encore, she decides to try it herself. So when they are done she jumps up, goes to the window and takes a deep breath of fresh air, dives under the bed...and finds four Chinese men.

Things start getting heated on the sofa, but after a while alcohol gets the better of the man's bladder. "I have to go," he says. "Well you can't go upstairs, it's right next to my parents' bedroom," she replies. "Use the kitchen sink".

So he dutifully retires to the kitchen. A few minutes later, he pops his head round the door and asks, "Do you have any paper?"

"Hey, Pal," she retorted. "If you show me one more trick with that thing, I'm going home to mother."

Take it

A Man goes to see the Rabbi.

"Rabbi, something terrible is happening and I have to talk to you about it."

The Rabbi asked, "What's wrong?"

The man replied, "My wife is poisoning me."

The Rabbi, very surprised by this, asks, "I'm sure you're wrong."

The man pleads, "I'm telling you, I'm certain she's poisoning Me. What should I do?"

The Rabbi then offers, "Tell you what, let me talk to her. I'll see what I can find out and I'll let you know."

A week later the Rabbi calls the man and says, "Well, I spoke to your wife. I spoke to her on the phone for three hours. You want my advice?"

The man anxiously says, "Yes, please."

"OK. Take the poison," says the Rabbi.

Growing wild

There was a man who really took care of his body. He lifted weights and jogged six miles every day. One morning he looked into the mirror admiring his body and noticed that he was suntanned all over, with the exception of his penis. So he decided to do something about that. He went to the beach, completely undressed himself, and buried himself in the sand, except for his penis, which he left sticking out of the sand.

A bit later, two little old ladies came strolling along the beach, one using a cane to help her get along. Upon seeing the thing sticking out of the sand, the lady with the cane began to poke the penis with her cane. She turned to the other little old lady and said, "There really is no justice in the world."

The other little old lady asked, "What do you mean by that?"

The first little old lady replied, "When I was 20, I was curious about it. When I was 30, I enjoyed it. When I was 40, I asked for it. When I was 50, I paid for it. When I was 60, I prayed for it. When I was 70, I forgot about it. Now that I'm 80, the damned things are growing wild, and I'm too old to squat."

A man walks into a tee shirt store. There are 3 shirts on display. The first has a picture of Richard Nixon with a white mustache. Below the picture is titled "Got Milk."

The second tee shirt has a picture of Ronald Reagan with a white mustache. It is entitled "Forgot Milk."

The third tee shirt has a picture of Monica Lewinsky with a white mustache. It is entitled "Not Milk."

Thank goodness

A completely inebriated man was stumbling down the street with one foot on the curb and one foot in the gutter. A cop pulled up and said, "I've got to take you in, pal. You're obviously drunk"

Our wasted friend asked, "Ociffer, are ya absolutely sure I'm drunk?"

"Yeah, buddy, I'm sure," said the copper. "Let's go."

Breathing a sigh of relief the wino said, "Thank goodness, I thought I was a cripple."

Unbelievable

A jealous husband hired a private detective to check on the movements of his wife. The husband wanted more than a written report, he wanted video of his wife's activities.

A week later, the detective returned with a video. They sat down together to watch it. Although the quality was less than professional, the man saw his wife meeting another man! He saw the two of them laughing in the park. He saw them enjoying themselves at an outdoor café. He saw them dancing in a dimly lit nightclub. He saw the man and his wife participate in a dozen activities with utter glee.

"I just can't believe this," the distraught husband said.

The detective said, "What's not to believe? It's right up there on the screen."

The husband replied, "I just can't believe that my wife could be so much fun."

Gunman

Police in Oakland, California spent two hours attempting to subdue a gunman who had barricaded himself inside his home.

After firing ten tear gas canisters, officers discovered that the man was standing beside them, shouting, "Please come out and give yourself up."

Cards

Jones jumped up from the card table white with rage.

"Stop this game," he shouted, "Smith is cheating!"

"How do you know?"

"He's not playing the hand I dealt him!"

Guesses

Three men were trying to guess the professions of their respective dates of the previous evening, judging by their bedroom performance and conversation.

The first insisted that his date had been a nurse, because she said, "Lie back and relax. This won't hurt a bit."

The second concluded that his must have been a schoolteacher, because she had said, "Do it over and over until you get it right."

The third figured that his date must have been a stewardess, because all she had said was, "Put this over your mouth and nose and continue to breathe normally."

Chance meeting

This man had been having a few beers down at the neighborhood bar. It was dark out and he was walking home by a park when nature called so he stepped behind a hedge to relieve himself.

To his and their surprise a couple were going at it on the grass and he almost stepped on them. The guy got up and took off running.

The man could see the naked outline of the gal's bare legs, as she continued to lie there while he relieved himself. He could feel his interest grow as he finished. Without a word he got

down on his knees between her legs and took advantage of the situation.

She embraced him and showed her willingness.

Just as they were both getting into it hot and heavy, a cop walked by and shined his flashlight on them saying, "What the hell do you think you're doing, this is a public park."

The man said, "But officer this is my wife."

The officer said, "Oh, I didn't know she was your wife."

"Neither did I 'till you shined your light on her."

Women

Women are like elephants to me. I like to look at them but I wouldn't want to own one.

—W.C. Fields (1880 - 1946)

Explanation

Just as John and his wife started to make love, their six-year old son burst into the room. "What are you doing, Dad?" he asked.

"You know how you've always wanted a brother?" the father asked. "I'm putting a brother inside of your mom and he'll join our family in about nine months." The boy thanked his parents and closed the door.

The next evening the dad found the boy in front of the house, crying. "What's the matter, son?"

"Dad, you know how you were putting a brother inside Mom for me?" the kid said. "Well, Mr. Johnson from next door ate him this morning."

Timing

The police had been told to clean up the neighborhood so it was dead easy when the drunk staggered towards the constable and said: "Excuse me offisher, what time is it?"

The cop replied, "It's one o'clock," and bonked him on the head with his baton.

"Jeez," said Paddy. "I'm glad I didn't ask you an hour ago!"

Vegetables

My wife asked me to buy ORGANIC vegetables from the market. I went and looked around and couldn't find any.

So I grabbed an old, tired looking employee and said, "These vegetables are for my wife. Have they been sprayed with any poisonous chemicals?"

"The produce guy looked at me and said, "No. You'll have to do that yourself."

Two men

Ask any man, and he will tell you that any woman's ultimate fantasy is to have two men at once. While this has been verified by a recent sociological study, it appears that most men do not realize that in this fantasy, one man is cooking and the other is cleaning.

Do I Look

When your wife asks, “Do I look fat?”

The correct response is, “Do I look stupid?”

Italian Mama

Maria just got married, and being a traditional Catholic Italian, she was still a virgin. So, on her wedding night, staying at her mother’s house, she was quite understandably nervous.

However, her mother reassured her.

“Don’t worry, Maria. Tony’s a good man. I cook pasta. You go upstairs and he’ll take care of you.”

So up she went. When she got upstairs, Tony took off his shirt and exposed his hairy chest. Maria ran downstairs to her mother and said, “Mama, Mama, Tony’s got a big hairy chest!”

“Don’t worry, Maria,” says the mother, “All good men have hairy chests. I cook the pasta. You go upstairs. He’ll take good care of you.”

So, up she went again. When she got up in the bedroom, Tony took off his pants exposing his hairy legs. Again Maria ran downstairs in panic to her mother, “Mama, Mama, Tony took off his pants and he’s got hairy legs!”

“Don’t worry, Maria. All good men have hairy legs. Tony’s a good man. I cook the pasta. You go upstairs, and he’ll take good care of you.”

So, up our poor Maria went again. When she got up there, the patient groom Tony took off his socks, and on his left foot he was missing three toes. When Maria saw this, she ran downstairs. “Mama, Mama, Tony’s got a foot and a half!”

“Step aside,” said the mother. “You stay here and stir the pasta. I’m going upstairs. This job is for Mama!”

The Wink

The personnel director was interviewing people for the position of account executive. One candidate offered excellent references and experience, and he was well dressed and well spoken. The only catch was a disconcerting mannerism: the fellow couldn’t seem to stop winking.

So the personnel director decided to be frank. “You’ve got all the qualifications for the job and I’d really like to hire you, but I have to be honest. I’m afraid that facial tic of yours might put clients off.”

“I’m glad you brought that up, sir,” said the candidate, “because all I need to make that annoying wink go away is a couple of aspirins. See for yourself. I’ve got some on me.”

And he began emptying his pockets on the desk. The prospective employer was startled to see dozens of packages of condoms piling up - ribbed ones, lubricated ones, Magnums, every variety imaginable.

“Aha,” cried the young man happily, “here they are.” He brandished two aspirin, swallowed them, and sure enough the wink went away in less than a minute.

“So much for the wink,” said the personnel manager sternly, gesturing at the mountain of rubbers, “but what about all this stuff here? I don’t want the company represented by some wild womanizer.”

“No fear. I’m a happily married man.”

“So how can you account for the contents of your pockets?”

“It’s quite simple, sir,” the fellow assured him earnestly.

“Have you ever gone into a drug store, winking like crazy, and asked for a bottle of aspirin?”

Short quote

The only way to avoid being miserable is not to have enough leisure to wonder whether you are happy or not. —George Bernard Shaw

3 to 2

So it seems that these four rabbis had a series of theological arguments, and three were always in accord against the fourth.

One day, the odd rabbi out, after the usual "3 to 1, majority rules" statement that signified that he had lost again, decided to appeal to a higher authority.

"Oh, God!" he cried. "I know in my heart that I am right and they are wrong! Please give me a sign to prove it to them!"

It was a beautiful, sunny day. As soon as the rabbi finished his prayer, a storm cloud moved across the sky above the four.

It rumbled once and dissolved. "A sign from God! See, I'm right, I knew it!" But the other three disagreed, pointing out that storm clouds form on hot days.

So the rabbi prayed again: "Oh, God, I need a bigger sign to show that I am right and they are wrong. So please, God, a bigger sign!" This time four storm clouds appeared, rushed toward each other to form one big cloud, and a bolt of lightning slammed into a tree on a nearby hill.

"I told you I was right!" cried the rabbi, but his friends insisted that nothing had happened that could not be explained by natural causes. The rabbi was getting ready to ask for a "very big" sign, but just as he invoked, "Oh God...", the sky turned pitch black, the earth shook, and a deep, booming voice intoned, "HEEEEEEEEE'SRIIIIIIGHT!"

The rabbi put his hands on his hips, turned to the other three and said, "Well?"

"Well, what?" shrugged the other rabbis, "now it's 3 to 2."

Crissco

There was an old guy wandering around the supermarket calling out, "Crisco, Crisssco!"

Finally a store clerk approached. "Sir, the Crisco is in aisle five."

"Oh," replied the old gentleman, "I'm not looking for cooking Crisco, I am calling my wife."

"Your wife is named "Crisco?"

"Nah," he answered, "I only call her that when we're out in public."

"Oh? What do you call her when you are at home?"

"Lard ass."

Redneck pets

Q: What do you call a redneck who has both a dog and a cat?

A: Bisexual!

Feminism too far

A radical feminist is getting on a bus when, just in front of her, a man gets up from his seat. She thinks to herself, "Here's another man trying to keep up the customs of a patriarchal society by offering a poor, defenseless woman his seat." And she pushes him back onto the seat.

A minute later, the man tries to get up again. She is insulted again and refuses to let him up.

This goes on a couple more times over the next few minutes.

Finally, the man says, "Look, lady, I was supposed to get off two stops ago. Please let me get up."

A jeweler called the police station to report a robbery.

Elephant heist

“You’ll never believe what happened, Sergeant. A truck backed up to my store, the doors opened and an elephant came out. He broke my plate glass window, stuck his trunk in, sucked up all the jewelry and climbed back into the truck. The doors closed and the truck pulled away.”

The desk sergeant said, “Could you tell me, for identification purposes, whether it was an Indian elephant or an African elephant?”

“What’s the difference?” asked the jeweler. “Well,” said the sergeant, “an African elephant has great big ears and an Indian elephant has little ears.”

“Come to think of it, I couldn’t see his ears,” said the jeweler. “He had a stocking over his head.”

...and on to the next volumn!
