Introduction

Welcome to this collection!

This collection is primarily a compilation of items circulating in the Email circuits, or as hard copy in our work places. They come, they go, they come around again. . .

No one knows where they originate, nor where they'll end up, hopefully with a few laughs along the way.

If you take offense along the way, well, change the gender, hair color or nationality of the brunt of the joke to something else.

None are meant to offend, it's a sad state when we can't laugh at ourselves, with each other.

Not all are in the best of taste, if I had to rate some, this would be rated PG (for Partially Gagging)! I tried weeding out objectionable material, but, it got to where what is objectional from one person to the next (besides I ended up with a much smaller volume)!

Anyways, there all here uncensored. . .

You've been warned, if you can't take a joke, proceed no further. . .

If you do, enjoy and have a good laugh. . .

3 Blondes

Three blondes were walking in the forest one day.

They saw a set of tracks and started arguing over what kind of tracks they were. The first blonde said, "I think they're deer tracks!" The second blonde said, "I think they're dog tracks!" The third blonde said, "Well, I think they're cow tracks!"

They were still arguing when the train hit them.

5 men

An Indian, a Rabbi, the Pope, an Italian, and an Irishman all walk into a bar together and sit down. The bartender looks at all 5 of them and says, "What is this... some kind of joke?"

5 survival steps

5 Steps to Avoid Being Shot by the Police
by Cheri Lewis, Deputy DA - Los Angeles, California

(This should be posted at the shallow end of the gene Pool...)

"I've devised a five point plan to help citizens avoid being shot by police.

This plan may not prevent all shootings, but very few will take place when the plan is rigorously adhered to. So, here are the rules:

1. **DON'T COMMIT VIOLENT CRIMES.** I know this seems elementary, but this rule is lost on many. They do the crime, get shot, and then wonder how it could possibly happen. They whine that it is so unfair. Well, Slick, violent crime, like jumping in front of moving cars, is just a high risk occupation, and, in case you missed committing violent crimes make police officers think you may not be a good person.

2. If you ignore rule No. 1, and the police do confront you, **DON'T RUN AWAY FROM THEM.** I know it's hard to believe, but that may make them think you're guilty of something. Hiding in bushes or closets makes some cops (mostly older ones) very nervous. They might even foolishly conclude that you're up to no good!

3. If you disregard rules 1 and 2, and the cops catch up with you anyway and inform you that you are under arrest, **DON'T MAKE FAST MOVEMENTS WITH YOUR HANDS.** I know it sounds silly, but grabbing a shiny beer can, a dark colored wallet, or one of those snazzy and real looking replica guns may make police officers mistakenly believe that you are about to hurt them.

4. If you disregard rules 1, 2, and 3, and manage to get what looks like a deadly weapon into your hands, **DON'T POINT IT AT THE COPS.** We all know that you're basically a nice person, but that may be lost on the police officers confronting you. In their paranoia, they may even believe they need to protect themselves.

5. If you disregard rules 1, 2, 3, and 4, **DON'T BE ASTONISHED IF THE COPS DO NOT INSTANTLY TURN INTO YOUR PERSONAL CONFIDANTE.** They may be too preoccupied to realize that you're normally a splendid person and that you're just having a bad day. They may be too preoccupied to see that when you point a weapon at them in a threatening manner, it is just your way of crying out for help. We both know that the whole problem can be traced to the fact that your mother didn't breast feed you, but some police officers are so cynical they just don't see it.

So, there you have it. If you really apply yourself and obey even some of the rules listed above, I bet you'll avoid the vast majority of police gunfire."

The Teddy Bears

A man meets a gorgeous woman in a bar. They talk, they connect, they end up leaving together. They get back to her place, and as she shows him around her apartment, he notices that her bedroom is completely packed with teddy bears.

Hundreds of small bears on a shelf all the way along the floor medium sized ones on a shelf a little higher, and huge bears on the top shelf. The man is kind of surprised that this woman would have a collection of teddy bears, especially one that's so extensive, but he decides not to mention this to her.

He comes to her... they kiss... and then they rip each others clothes off and make love.

After an intense night of passion, as they are lying there together in the afterglow, the man rolls over and asks, smiling, "Well, how was it?"

The woman says, "You can have any prize from the bottom shelf."

51 days

A bartender is sitting behind the bar on a typical day, when the door bursts open and in come four exuberant blondes. They come up to the bar, order five bottles of champagne and ten glasses, take their order over and sit down at a large table. The corks are popped, the glasses are filled and they begin toasting and chanting, "51 days, 51 days, 51 days!"

Soon, three more blondes arrive, take up their drinks and the chanting grows. "51 days, 51 days, 51 days!" Two more blondes show up and soon their voices are joined in raising the roof. "51 days, 51 days, 51 days!"

Finally, the tenth blonde comes in with a picture under her arm. She walks over to the table, sets the picture in the middle and the table erupts.

Up jump the others, they begin dancing around the table, exchanging high-fives, all the while chanting "51 days, 51 days, 51 days!"

The bartender can't contain his curiosity any longer, so he walks over to the table. There in the center is a beautifully framed child's puzzle of the Cookie Monster.

When the frenzy dies down a little bit, the bartender asks one of the blondes, "What's all the chanting and celebration about?"

The blonde who brought in the picture pipes in, "Everyone thinks that blondes are dumb and they make fun of us. So, we decided to set the record straight.

Ten of us got together, bought that puzzle and put it together. The side of the box said 2-4 years, but we put it together in 51 days!"

A Bad Habit to Break

Herman and Martha were happily married for nearly forty years. The only friction in their marriage was caused by the husband's habit of breaking wind nearly every morning as he awoke. The noise would always wake up Martha and the smell would cause her eyes to water as she would choke and gasp for air. Nearly every morning she would plead with him to stop ripping one in the morning. Herman told her that he couldn't help it.

She begged him to visit a doctor to see if anything could be done, but the husband wouldn't hear of it. He told her that it was just a natural bodily function, and then he would laugh in her face as she tried to wave the fumes away with her hands. She told him that there was nothing natural about it and if he didn't stop, he was one day going to "fart his guts out."

The years went by and Martha continued to suffer and Herman continued to ignore her warnings about "farting his guts out" until one Christmas morning.

Before dawn, Martha went downstairs to prepare the family feast. She fixed Christmas pudding, mashed potatoes, gravy and of course a turkey. While she was taking out the turkeys innards, a thought occurred to the wife as to how she might solve her husband's problem.

With a devilish grin on her face, she placed the turkey guts into a bowl and quietly walked upstairs hours before her flatulent husband would awake.

While he was still soundly asleep, she pulled back the covers and then gently pulled back her husband's jockey shorts. She then placed all of the turkey guts into her husband's underwear, pulled them up, replaced the covers and tiptoed back downstairs to finish preparing the family meal.

Several hours later she heard Herman awake with his normal loud butt trumpeting. This

was soon followed by a blood curdling scream and the sound of frantic footsteps as her husband ran to the upstairs bathroom. Martha could not control herself and her eyes began to tear up as she rolled on the floor laughing. After years of putting up with him she had finally gotten even.

About twenty minutes later, Herman came downstairs in his blood stained underpants with a look of horror in his eyes. She bit her lip to keep from laughing and she asked him what was the matter.

“Honey,” he said. “You were right - all those years you warned me and I didn’t listen to you.” “What do you mean?” asked Martha. “Well, you always told me that I would end up farting my guts out one of these days and today it finally happened. But by the grace of God and these two fingers, I think I got them all back in!”

A good blonde joke

A blonde walks into a pharmacy and asks the assistant for some rectum deodorant.

The pharmacist, a little bemused, explains to the woman they don’t sell rectum deodorant, and never have. Unfazed, the blonde assures the pharmacist that she has been buying the stuff from this store on a regular basis, and would like some more. “I’m sorry”, says the pharmacist, “we don’t have any.” “But I always get it here,” says the blonde. “Do you have the container it comes in?” asked the Pharmacist. “YES!”, said the blonde, “I’ll go home and get it.” She returns with the container and hands it to the pharmacist who looks at it and says to her, “This is just a normal stick of underarm deodorant.” Annoyed, the blonde snatches the container back and reads out loud from the container, “TO APPLY, PUSH UP BOTTOM.”

Accident Reports

Actual Accident Summaries

The following are real statements found on insurance claim forms. Drivers attempted to summarize the details of an accident succinctly...

—

Coming home, I drove into the wrong house and collided with a tree I don't have.

—

I thought my window was down, but found it was up when I put my head through it.

—

The other car collided with mine without giving warning of its intentions.

—

The guy was all over the road. I had to swerve a number of times before I hit him.

—

I pulled away from the side of the road, glanced at my mother-in-law and headed over the embankment.

—

In my attempt to kill a fly, I drove into a telephone pole.

—

I had been shopping for plants all day and was on my way home. As I reached an intersection a hedge sprang up obscuring my vision, and I did not see the other car.

The telephone pole was approaching. I was attempting to swerve out of its way when it struck the front end.

I was thrown from the car as it left the road. I was later found in the ditch by some stray cows.

The indirect cause of the accident was a little guy in a small car with a big mouth.

I had been driving for 40 years when I fell asleep at the wheel and had an accident.

I was on my way to the doctor with rear end trouble when my universal joint gave way causing me to have an accident.

As I approached the intersection a sign suddenly appeared in a place where no stop sign had ever appeared before. I was unable to stop in time to avoid the accident. To avoid hitting the bumper of the car in front, I struck the pedestrian.

My car was legally parked as it backed into the other vehicle.

An invisible car came out of nowhere, struck my car and vanished.

I told the police that I was not injured, but upon removing my hat found that I had a fractured skull.

I was sure the old fellow would never make it to the other side of the curb when I struck him.

The pedestrian had no idea which direction to run, so I ran over him.

Acts 2:38

An elderly woman had just returned to her home from an evening of church service when she was startled by an intruder.

As she caught the man in the act of robbing her home of its valuables, she yelled, "Stop! Acts; 2:38!" (Repent and be baptized, in the name of Jesus Christ, so that your sins may be forgiven).

The burglar stopped in his tracks. The woman calmly called the police and explained what she had done.

As the officer cuffed the man to take him in, he asked the burglar, "Why did you just stand there?"

All the old lady did was yell a scripture to you."

"SCRIPTURE?" replied the burglar, "She said she had an AX and two 38's!"

Adam & Eve

When Adam stayed out very late for a few nights, Eve became upset.

"You're running around with other women," she told her mate.

"Eve, honey, you're being unreasonable," Adam responded. "You know you're the only woman on earth."

The quarrel continued until Adam fell asleep, only to be awakened by a strange pain in the chest. It was his darling Eve poking him rather vigorously about the torso.

"What do you think you're doing?" Adam demanded.

"Counting your ribs," said Eve.

Adverts (risqué)

Mrs. Davis has three daughters who are all getting married within the same month. She tells each one of her daughters to write back about their married life. To avoid possible embarrassment to their new husbands by openly discussing their love lives, the mother and daughters agree to send newspaper advertisements as a "code" to let the mother know how their love lives are going.

The first one gets married and the second day a telegram arrives with a single message, simply: "MAXWELL COFFEE HOUSE".

Mrs. Davis gets the newspaper and checks the Maxwell Coffee House advertisement, and it says: "Good to the last drop..." So, Mrs. Davis is happy.

Then the second daughter gets married. After a week, there is a postcard that reads: "ROTHMAN'S MATTRESSES". So, Mrs. Davis looks at the Rothman's Mattresses ad, and it says: "FULL SIZE, KING SIZE". And Mrs. Davis is happy.

Then it is the third one's wedding. Mrs. Davis is anxious because two weeks have passed and still no message from the third daughter. Then after four weeks comes a letter with the message: "BRITISH AIRWAYS".

And Mrs. Davis looks into the British Airways ad, but this time she faints. The ad reads: "THREE TIMES A DAY, SEVEN DAYS A WEEK, BOTH WAYS."

Anthony proposed

One evening, a young woman came home from a date, rather sad. She told her mother, “Anthony proposed to me an hour ago.”

“Then why are you so sad?” her mother asked.

“Because he also told me he is an atheist. Mom, he doesn’t even believe there’s a Hell.”

Her mother replied, “Marry him anyway. Between the two of us, we’ll show him just how wrong he is.”

Area 51

Late one afternoon, the Air Force folks out at Area 51 were very surprised to see a Cessna landing at their "secret" base. They immediately impounded the aircraft and hauled the pilot into an interrogation room.

The pilot's story was that he took off from Vegas, got lost, and spotted the Base just as he was about to run out of fuel. The Air Force started a full FBI background check on the pilot and held him overnight during the investigation.

By the next day, they were finally convinced that the pilot really was lost and wasn't a spy. They gassed up his airplane, gave him a terrifying "you-did-not-see-a-base" briefing, complete with threats of spending the rest of his life in prison, told him Vegas was that-a-way on such-and-such a heading, and sent him on his way.

The next day, to the total disbelief of the Air Force, the same Cessna showed up again. Once again, the MP's surrounded the plane...only this time there were two people inside.

The same pilot jumped out and said, "Do anything you want to me, but my wife is in the plane and you have to tell her where I was last night!"

THE NEXT TIME YOU THINK YOU ARE HAVING A BAD DAY

1. Fire authorities in California found a corpse in a burned out section of forest while assessing the damage done by a forest fire.

The deceased male was dressed in a full wet suit, complete with scuba tanks on his back, flippers, and facemask. A post-mortem revealed that the person died not from burns, but from massive internal injuries. Dental records provided a positive identification.

Investigators then set about to determine how a fully clad diver ended up in the middle of a forest fire.

It was revealed that on the day of the fire, the person went for a diving trip off the coast some 20 miles from the forest. The fire fighters, seeking to control the fire as quickly as possible, called in a fleet of helicopters with very large dip buckets.

Water was dipped from the ocean & then flown to the forest fire & emptied.

You guessed it. One minute our diver was making like Flipper in the Pacific, the next he was doing the breaststroke in a fire dip bucket 300 feet in the air. Apparently he extinguished exactly 5'10" of the fire. Some days it just doesn't pay to get out of bed.

This article was taken from the California Examiner, March 20, 1998.

STILL THINK YOU ARE HAVING A BAD DAY?

2. A man was working on his motorcycle on his patio & his wife was in the kitchen. The man was racing the engine on the motorcycle when it accidentally slipped into gear. The man, still holding onto the handle bars, was dragged through the glass patio doors and along with the motorcycle dumped onto the floor inside the house.

The wife, hearing the crash, ran into the dining room and found her husband lying on the floor, cut & bleeding, the motorcycle lying next to him, and the shattered patio door. The wife ran to the phone and summoned the ambulance. Because they lived on a fairly large hill, the wife went down the several flights of stairs to the street to

escort the paramedics to her husband.

After the ambulance arrived and transported the man to the hospital, the wife uprights the motorcycle & pushed it outside. Seeing that gas was spilled on the floor, the wife got some paper towels, blotted up the gasoline, and threw the towels in the toilet.

The man was treated & released to come home. Upon arriving home, he looked at the shattered patio door and the damage done to his motorcycle. He became despondent, went to the bathroom, sat down on the toilet and smoked a cigarette. After finishing the cigarette, he flipped it between his legs into the toilet bowl while seated.

The wife, who was in the kitchen, heard the loud explosion & her husband screaming. She ran into the bathroom & found her husband lying on the floor. His trousers had been blown away & he was suffering burns on the buttocks, the back of his legs, & his groin. The wife again ran to the phone to call the ambulance.

The very same paramedic crew was dispatched & the wife met them at the street. The paramedics loaded the husband onto the stretcher and began carrying him to the street. While they were going down the stairs to the street accompanied by wife, one of the paramedics asked the wife how the husband had burned himself.

She told them and the paramedics started laughing so hard, one of them slipped and tipped the stretcher, dumping the husband out. He fell down the remaining stairs and broke his arm.

Still having a bad day?

Just remember, it could be worse.....

3. The average cost of rehabilitating a seal after the Exxon Valdez oil spill in Alaska was \$80,000. At a special ceremony, two of the most expensively saved animals were released back into the wild amid cheers & applause from onlookers. A minute later, in full view, a killer whale ate them both.

4. A psychology student in New York rented out her spare room to a carpenter in order to nag him constantly and study his reactions. After weeks of needling, he snapped and beat her with an axe leaving her mentally retarded.

5. A woman came home to find her husband in the kitchen, shaking frantically with what looked like a wire running from his waist towards the electric kettle. Intending to jolt him away from the deadly current she whacked him with a handy plank of wood by the back door, breaking his arm in two places. Until that moment he had been happily listening to his Walkman.

6. Two animal rights protesters were protesting at the cruelty of sending pigs to a slaughterhouse in Bonn Germany. Suddenly the pigs, all two thousand of them, escaped through a broken fence and stampeded, trampling the two hapless protesters to death.

And finally.....

7. Iraqi terrorist, Khay Rahnajet, didn't pay enough postage on a letter bomb. It came back with "return to sender" stamped on it. Forgetting it was the bomb; he opened it and was blown to bits.

Your day's not so bad, is it?

Bad Luck

After a few years of married life, a man finds that he is unable to perform. He goes to his doctor, and his doctor tries a few things, but nothing works. Finally the doctor says to him, "This is all in your mind," and refers him to a psychiatrist. After a few visits, the shrink confesses, "I am at a loss as to how you could possibly be cured." Finally, the psychiatrist refers him to a witch doctor. The witch doctor says, "I can cure this." He throws some powder on a flame and there is a flash with billowing blue smoke. The witch doctor says, "This is powerful healing, but you can only use it once a year! All you have to do is say '1-2-3' and it shall rise for as long as you wish!" The guy then asks the witch doctor, "What happens when it's over?" The witch doctor says, "All you or your partner has to say is '1-2-3-4' and it will go down. But be warned — it will not work again for a year!" The guy goes home and that night, he is ready to surprise his wife with the good news. So he lies in bed with her and says, "1-2-3," and suddenly gets an erection. His wife turns over and says, "What did you say '1-2-3' for?"

Baseball humor

Three old ladies are going to a Mariners game. They've never been and are very excited because of the way the Mariners are playing. But just to make the game a little more interesting, they bring along a bottle of Jack Daniels. It's a really good game and the crowd's into it and everybody is having a good time. The little old ladies keep adding a little Jack Daniels to their colas and are having a wonderful time. So there's still a lot of game left when they notice that they are out of Jack Daniels.

Big people words

A group of kindergartners were trying to become accustomed to their first grade. The biggest hurdle they faced was that the teacher insisted on no baby talk. You need to use 'big people' words," she'd always remind them. She asked Chris what he had done over the weekend. "I went to visit my Nana." "No, you went to visit your GRANDMOTHER. Use big people words! She then asked Mitchell what he had done. "I took a ride on a choo-choo." She said "No, you took a ride on a TRAIN! Use big people words." She then asked Ron what he had done. "I read a book," he replied. "That's WONDERFUL!" the teacher said. "What book did you read?" Ron thought about it, then puffed out his little chest with great pride and said, "Winnie the SHIT."

A Tough Situation

I have a moral question for you. This is an imaginary situation, but I think it is interesting to decide what one would do.

The situation: You are in the Middle East, and there is a huge flood in progress. Many homes have been lost, water supplies compromised and structures destroyed.

Let's say that you're a photographer and getting still photos for a news service, traveling alone, looking for particularly poignant scenes. You come across Osama Bin Laden who has been swept away by the flood waters. He is barely hanging on to a tree limb and is about to go under. You can either put down your camera and save him, or take a Pulitzer Prize winning photograph of him as he loses his grip on the limb.

So, here's the question and think carefully before you answer the question: which lens would you use?

Birds & the bees

A father asked his 10-year-old son if he knew about the birds and the bees." I don't want to know!" the child said, bursting into tears. "Promise me you won't tell me." Confused, the father asked what was wrong." Oh dad," the boy sobbed, "when I was 6, I got the 'there's no Santa' speech. At 7, I got the 'there's no Easter Bunny' speech. When I was 8, you hit me with the 'there's no tooth fairy' speech. If you tell me that grown-ups don't really have sex, I'll have nothing left to live for."

Blonde finger

A young woman said to her doctor, "You have to help me, I hurt all over."
"What do you mean?" asked the doctor.

The woman touched her right knee with her index finger and yelled, "Ow, that hurts."

Then she touched her left cheek and again yelled, "Ouch! That hurts, too."

Then she touched her right earlobe. "Ow, even that hurts."

The doctor asked the woman, "Are you a natural blonde?"

"Why yes," she said.

"I thought so," said the doctor. "You have a sprained finger."

Blonde joke

Once a blonde went to get her hair cut, but she was wearing headphones. The stylist said, "You gotta take off your headphones or I can't cut your hair!"

The blonde said, "No! I can't! I'll just DIE without them!" So the stylist just sighed, and cut the ends of her hair until she fell asleep, the stylist said to her self, "I'll just take these off her to cut her hair. She won't notice." So the stylist did just that.

After about 3 minutes, the blond fell out of the chair, dead. The stylist said, "I wonder what could have possibly killed her?! Maybe it had something to do with the headphones?" She took the blonde's headphones and put them on her own head, just to see what was playing.

The headphones were repeating, "Breath in, Breath out."

Brain Exercise

Exercise of the brain is as important as exercise of the muscles. As we grow older, it's important that we keep mentally alert. The saying: "If you don't use it, you will lose it" also applies to the brain, so.....

Below is a very private way to gauge your loss or non-loss of intelligence. So take the following test presented here and determine if you are losing it or are still a MENSA candidate.

OK, relax, clears your mind and..... begin.

1. What do you put in a toaster?

The answer is bread. If you said "toast", then give up now and go do something else. Try not to hurt yourself. If you said, "bread", go to question 2.

2. Say "silk" five times. Now spell "silk". What do cows drink?

Answer: Cows drink water. If you said "milk", please do not attempt the next question. Your brain is obviously overstressed and may even overheat. It may be that you need to content yourself with reading something more appropriate such as "Children's World." If you said, "Water" then proceed to question three.

3. If a red house is made from red bricks and a blue house is made from blue bricks and a pink house is made from pink bricks and a black house is made from black bricks, what is a greenhouse made from?

Answer: Greenhouses are made from glass. If you said “green bricks,” what the heck are you still doing here reading these questions????? Dang..... If you said “glass,” then go on to question four.

4. Twenty years ago, a plane is flying at 20,000 feet over Germany. If you will recall, Germany at the time was politically divided into West Germany and East Germany. Any way, during the flight, TWO of the engines fail. The pilot, realizing that the last remaining engine is also failing, decides on a crash landing procedure.

Unfortunately the engine fails before he has time and the plane crashes smack in the middle of “no man’s land” between East Germany and West Germany. Where would you bury the survivors ! - East Germany or West Germany or in “no man’s land”?

Answer: You don’t, of course, bury survivors. If you said ANYTHING else, you are a real dunce and you must NEVER try to rescue anyone from a plane crash. Your efforts would not be appreciated..... If you said, “Don’t bury the survivors” then proceed to the next question.

5. If the hour hand on a clock moves 1/60th of a degree every minute then how many degrees will the hour hand move in one hour?

Answer: One degree. If you said “360 degrees” or anything other than “one degree,” you are to be congratulated on getting this far, but you are obviously out of your league. Turn your pencil in and; exit the room. Everyone else proceed to the final question.

6. Without using a calculator - You are driving a bus from London to Milford Haven in Wales. In London, 17 people get on the bus. In Reading, six people get off the bus and nine people get on.

In Swindon, two people get off and four get on. In Cardiff, 11 people get off and 16 people get on. In Swansea, three people get off and five people get on.

In Carmathen, six people get off and three get on.

You then arrive at Milford Haven. What was the name of the bus driver?

Answer: Oh, for heaven sake! It was YOU, you dummy.

Breaking News

Kabul, Afghanistan—October 10, 2001—

Bubba drinkin’

Two rednecks, Bubba and Earl, were driving down the road drinking a couple of bottles of Bud.

The passenger, Bubba, said “Lookey thar up ahead, Earl, it’s a poll-ice roadblock!! We’re gonna get busted fer drinkin’ these here beers!!” “Don’t worry, Bubba,” Earl said.

“We’ll just pull over and finish drinkin’ these beers, peel off the label and stick it on our forehead and throw the bottles under the seat.” “What fer?”, asked Bubba. “Just let me do the talkin’, OK?”, said Earl.

Well, they finished their beers, threw the empty bottles under the seat, and each put a label on their forehead. When they reached the roadblock, the sheriff said, “You boys been drinkin’?”

“No, sir,” said Earl. “We’re on the patch.”

Cab Driver

The passenger tapped the cab driver on the shoulder to ask him something.

The driver screamed, lost control of the car, nearly hit a bus, went up on the sidewalk and stopped centimeters from a shop window.

For a second everything went quiet in the cab, then the driver said, "Look mister, don't ever do that again. You scared the daylights out of me!"

The passenger apologized and said he didn't realize that a little tap could scare him so much.

The driver replied, "You're right. I'm sorry, it's not really your fault. Today's my first day as a cab driver. I've been driving a hearse for the last 25 years."

Canadian joke

On the first day of grade three, Johnny's teacher asked the students to count to 50. Many of them did very well, some getting as high as 37. But Johnny did extremely well; he made it to 100 with only three mistakes. At home, he told his dad how well he had done. Dad told him, "That's because you are from Newfoundland, son."

The next day, in language class, the teacher asked students to recite the alphabet. Some made it to the letter "k" with only one mistake, but Johnny outdid them again. He made it all the way through, missing only the letter "m". That evening, once again, he brought his dad up-to-date, and his father explained, "That's because you are from Newfoundland, son".

The next day, after Physical Education class, the boys were taking showers.

Johnny noted that, compared to the other boys in his grade, he seemed quite "well-endowed". This confused him. That night, he asked his father, "Dad, they all have little tiny ones, but mine is ten times bigger than theirs. Is that because I'm from Newfoundland?"

"No, son," explained dad, "That's because you're 18."

Five cannibals

Five cannibals are hired as programmers at an IT consulting firm.

During the welcoming ceremony the boss says, "You're all part of our team now. You can earn good money here; so don't trouble the other employees. Know what I mean?"

The cannibals promise to leave the other employees unharmed. Four weeks later the boss returns and says, "You're all working very hard, and I'm very satisfied with all of you. One of the cleaning crew has disappeared however. Do any of you know what happened to her?"

The cannibals disavow all knowledge of the missing cleaner. After the boss has left, the leader of the cannibals says to the others, "Which of you idiots ate the cleaner?"

A hand rises hesitantly, to which the leader of the cannibals replies,

"You fool! For four weeks we've been eating Team Leaders, Managers, and Project Managers so no one would notice anything, and you have to go and eat the cleaner!"

Centipede

The guy was lonely, and decided life would be more fun if he had a pet. So he went to the pet store and told the owner that he wanted to buy an unusual pet. After some discussion, he finally bought a centipede, which came in a little white box to use for his house. He took the box back home, found a good location for the box, and decided he would start off by taking his new pet to the bar to have a drink. So he asked the centipede in the box, "Would you like to go to Frank's with me and have a beer?" But there was no answer from his new pet. This bothered him a bit, but he waited a few minutes and then asked him again, "How about going to the bar and having a drink with me?" But again, there was no answer from his new friend and pet. So he waited a few minutes more, thinking about the situation. He decided to ask him one more time; this time putting his face up against the centipede's house and shouting, "Hey, in there! Would you like to go to Frank's place and have a drink with me?" A little voice came out of the box: "I heard you the first time! I'm putting on my shoes."

CHICKEN SANDWICHES

A little boy and a little girl attended the same school and became friends. Every day they would sit together to eat their lunch. They discovered that they both brought chicken sandwiches every day!

This went on all through the fourth and fifth grades until one day he noticed that her sandwich wasn't a chicken sandwich. He said, "Hey, how come you're not eating chicken. Don't you like it anymore?"

She said "I love it but I have to stop eating it".

"Why?" he asked. She pointed to her lap and said "Cause I'm starting to grow little feathers down there!" "Let me see" he said. "Okay." She pulled up her skirt, he looked and said, "That's right. Better not eat any more chicken."

He kept eating his chicken sandwiches until one day he brought peanut butter. He said to the little girl, "I have to stop eating chicken sandwiches. I'm starting to get feathers down there too!" She asked if she could look so he pulled down his pants for her. She said "Oh, my God, it's too late for you. You've already got the neck and gizzard!!"

chicken story

A life-long city man, tired of the rat race, decided he was going to give up the city life, move to the country, and become a chicken farmer. He found a nice, used chicken farm, which he bought. Turns out that his next-door neighbor was also a chicken farmer. The neighbor came for a visit one day and said, "Chicken farming isn't easy. Tell you what. To help you get started, I'll give you 100 chickens."

The new chicken farmer was thrilled. Two weeks later the new neighbor stopped by to see how things were going. The new farmer said, "Not too good. All 100 chickens died."

The neighbor said, "Oh, I can't believe that. I've never had any trouble with my chickens. I'll give you 100 more."

Another two weeks went by, and the neighbor stops in again. The new farmer says, "You're not going to believe this, but the second 100 chickens died too."

Astounded, the neighbor asked, "What went wrong? What did you do to them?"

"Well", says the new farmer, "I'm not sure whether I'm planting them too deep or too close together."

children's bloopers

A little boy was in a relative's wedding. As he was coming down the aisle, he would take two steps, stop, and turn to the crowd. While facing the crowd, he would put his hands up like claws and roar. So it went, step, step, ROAR, step, step, ROAR, all the way down the aisle. As you can imagine, the crowd was near tears from laughing so hard by the time he reached the pulpit.

When asked what he was doing, the child sniffed and said, "I was being the Ring Bear."

One Sunday in a Midwest City, a young child was "acting up" during the morning worship hour. The parents did their best to maintain some sense of order in the pew but were losing the battle.

Finally, the father picked the little fellow up and walked sternly up the aisle on his way out. Just before reaching the safety of the foyer, the little one called loudly to the congregation, "Pray for me! Pray for me!"

And one particular four-year old prayed, "And forgive us our trash baskets as we forgive those who put trash in our baskets."

A little boy was overheard praying: "Lord, if you can't make me a better boy, don't worry about it. I'm having a real good time like I am."

A Sunday school teacher asked her little children, as they were on the way to church service, "And why is it necessary to be quiet in church?" One bright little girl replied, "Because people are sleeping."

A little boy opened the big and old family Bible with fascination, looking at the old pages as he turned them. Then something fell out of the Bible and he picked it up and looked at it closely. It was an old leaf from a tree that had been pressed in between the pages. "Mama, look what I found," the boy called out. "What have you got dear?" his mother asked. With astonishment in the young boy's voice he answered, "It's Adam's suit!!"

The preacher was wired for sound with a lapel mike, and as he preached, he moved briskly about the platform, jerking the mike cord as he went. Then he moved to one side, getting wound up in the cord and nearly tripping before jerking it again. After several circles and jerks, a little girl in the third pew leaned toward her mother and whispered, "If he gets loose, will he hurt us?"

Six-year old Angie, and her four-year old brother, Joel, were sitting together in church. Joel giggled, sang and talked out loud. Finally, his big sister had had enough. "You're not supposed to talk out loud in church."

"Why? Who's going to stop me?" Joel asked. Angie pointed to the back of the church and said, "See those two men standing by the door? They're Hushers".

My grandson was visiting one day when he asked, "Grandma, do you know how you and God are alike?" I mentally polished my halo, while I asked, "No, how are we alike?" "You're both old," he replied.

A ten-year old, under the tutelage of her grandmother, was becoming quite knowledgeable about the Bible. Then, one day, she floored her grandmother by asking, "Which Virgin was the mother of Jesus? The virgin Mary or the King James Virgin?"

A Sunday school class was studying the Ten Commandments. They were ready to discuss the last one. The teacher asked if anyone could tell her what it was.

Susie raised her hand, stood tall, and quoted, "Thou shall not take the covers off the neighbor's wife."

I had been teaching my three-year old daughter, Caitlin, the Lord's Prayer.

For several evenings at bedtime, she would repeat after me the lines from the prayer. Finally, she decided to go solo. I listened with pride as she carefully enunciated each word, right up to the end of the prayer: "Lead us not into temptation," she prayed, "but deliver us some E-mail. Amen."

Terri asked her Sunday School class to draw pictures of their favorite Bible stories. She was puzzled by Kyle’s picture, which showed four people on an airplane, so she asked him which story it was meant to represent. “The flight to Egypt,” said Kyle.

“I see! And that must be Mary, Joseph, and Baby Jesus,” Ms. Terri said. “But who’s the fourth person?”

“Oh, that’s Pontius-the Pilot.

Pastor Dave Charlton tells us, “After a worship service at First Baptist Church in Newcastle, Kentucky, a mother with a fidgety seven-year-old boy told me how she finally got her son to sit still and be quiet. About halfway through the sermon, she leaned over and whispered, ‘If you don’t be quiet, Pastor Charlton is going to lose his place and will have to start his sermon all over again!’ It worked.”

A little girl was sitting on her grandfather’s lap as he read her a bedtime story. From time to time, she would take her eyes off the book and reach up to touch his wrinkled cheek. She was alternately stroking her own cheek, then his again. Finally she spoke up, “Grandpa, did God make you?” “Yes, sweetheart,” he answered, “God made me a long time ago.” “Oh,” she paused, “Grandpa, did God make me too?” “Yes, indeed, honey,” he said, “God made you just a little while ago.” Feeling their respective faces again, she observed, “God’s getting better at it, isn’t he?”

closing time

There is a Police car parked outside of a local nite club, on a Friday night, at closing time. The first patron out of the door staggers to a nearby car and tries to unlock the door with his keys. Unable to open the door, he tries another car, again with no success. He then staggers across the parking lot to his own car, and sits down inside. Meanwhile, the other bar patrons file quietly to their cars. The first guy out starts waving and singing and saying goodnight to the other patrons. Finally, after all of the other patrons had left, he gets in his car, starts it up. Before he even gets the car in gear, the Policeman turns on his lights and pulls beside him. The officer says, ‘Get out of your car, I’m giving you a breathalyzer test.’

The patron agrees, and blows into the testing device. The Officer checks the reading, and it is 0.0. The patron then says that he had not been drinking that evening. Confused, the officer asks him why he was staggering throughout the parking lot, seemingly inebriated. The patron explained simply, ‘I’m the designated distraction.’

Cook until tender

Two cannibals meet one day. The first cannibal says, "You know, I just can't seem to get a tender Missionary. I've baked them, I've stewed them, and I've roasted them, and barbecued them... I just cannot seem to get them tender."

The second cannibal asks, "What kind of Missionary do you use?"

The other replied, "You know, they have those brown cloaks with a rope around the waist and they're sort of bald on top with a funny ring of hair on their heads."

"No wonder!" the second cannibal replies. Those are friars!"

Cop stop

A guy blows a stop sign in Philly and gets caught by a policeman. Cop says, "License and registration please." Guy says, "What for?" Cop says, "You didn't come to a complete stop at the stop sign." Guy says, "I slowed down, and no one was coming." Cop says, "You still didn't come to a complete stop. License and registration, please." Guy says, "What's the difference?" Cop says, "The difference is, you have to come to a complete stop. License and registration, PLEASE!" Guy says, "If you can show me the difference between slow down and stop I'll give you my license and registration." Cop says, "Okay, exit your vehicle sir." At this point, the cop takes out his Night Stick and starts beating the crap out of the guy and says, "Now sir, do you want me to slow down or stop?"

courtroom drama

At the height of a political corruption trial, the prosecuting attorney attacked a witness.

"Isn't it true," he bellowed, "that you accepted five thousand dollars to compromise this case?"

The witness stared out the window, as though he hadn't heard the question.

"Isn't it true that you accepted five thousand dollars to compromise this case?" the lawyer re-

peated. The witness still did not respond.

Finally, the judge leaned over and said, "Sir, please answer the question."

"Oh," the startled witness said, "I thought he was talking to you."

Cousin Pookie Johnson

I know that everyone needs a job, but there are some places where YOUR cousins should not be allowed to work.

There was a case in one hospital's Intensive Care ward where patients always died in the same bed, on Sunday morning, at about 11 a.m., regardless of their medical condition. This puzzled the doctors and some even thought that it had something to do with the supernatural. No one could solve the mystery... as to why the deaths occurred around 11 a.m. on Sundays.

So a world-wide team of experts were assembled to investigate the cause of the incidents. The next Sunday morning, a few minutes before 11 a.m., all doctors and nurses nervously wait outside the ward to see for themselves, what the terrible phenomenon was all about. Some were holding wooden crosses, prayer books and other holy objects to ward off the evil spirits.

Just when the clock struck 11... Pookie Johnson, the part-time Sunday sweeper, entered the ward and unplugged the life support system so that he could use the vacuum cleaner.....

crotchless panties

A woman walks into a sex boutique because she feels the need to spice up her marriage. She finds a pair of crotchless panties and figures it's just the thing she needs, so she purchases them.

When she gets home, the woman undresses and then puts on just the newly purchased crotchless panties.

Then, she gets comfortable on the bed and waits for her husband to arrive home from work. A short time later, her husband arrives home and walks into the bedroom.

"Want some of this, baby?" says the wife in a sexy voice. Her husband raises his brow and says, "Heck no! Look what it did to your underwear!"

After September 11th there are 111 days left to the end of the year.

119 is the area code to Iraq/Iran. $1 + 1 + 9 = 11$

Don't flush when you're drunk

A drunk gets up from the bar and heads for the bathroom. A few minutes later, a loud, blood curling scream is heard coming from the bathroom. A few minutes later, another loud scream reverberates throughout the bar.

The bartender goes to the bathroom to investigate why the drunk is screaming.

"What's all the screaming about in there? You're scaring my customers!"

I'm just sitting here on the toilet and every time I flush something comes up and squeezes the hell out of my balls!"

With that, the bartender opens the door, looks in and says..... "You idiot, you're sitting on the mop bucket!"

Dr. Visit

A woman and a baby come into the doctor's office.

She was told to go into the examining room and wait for the doctor. After arriving there, the doctor examined the baby and asked the woman, "Is he breast fed or on the bottle?"

"Breast fed", she replied.

"Well, strip down to your waist," the doctor ordered. She did. He pressed, kneaded and pinched both breasts for a while in a detailed examination. Motioning to her to get dressed he said, "No wonder this baby is hungry. You don't have any milk."

"Naturally," she said, "I'm his Grandma. But I'm glad I came."

Facelift

A married couple was in a terrible accident where the woman's face was severely burned. The doctor told the husband that they couldn't graft any skin from her body because she was too skinny. So the husband offered to donate some of his own skin. However, the only skin on his body that the doctor felt was suitable would have to come from his buttocks.

The husband and wife agreed that they would tell no one about where the skin came from, and requested that the doctor also honor their secret. After all, this was a very delicate matter.

After the surgery was completed, everyone was astounded at the woman's new beauty. She looked more beautiful than she ever had before! All her friends and relatives just went on and

on about her youthful beauty!

One day, she was alone with her husband, and she was overcome with emotion at his sacrifice.

She said, "Dear, I just want to thank you for everything you did for me. There is no way I could ever repay you."

"My darling," he replied, "think nothing of it. I get all the thanks I need every time I see your mother kiss you on the cheek."

Favorite Cookies

An elderly man lay dying in his bed in death's agony, he suddenly smelled the aroma of his favorite chocolate chip cookies wafting up the stairs.

He gathered his remaining strength, and lifted himself from the bed. Leaning against the wall, he slowly made his way out of the bedroom, and with even greater effort forced himself down the stairs, gripping the railing with both hands. With labored breath, he leaned against the door frame, gazing into the kitchen.

Were it not for death's agony, he would have thought himself already in heaven. There, spread out upon newspapers on the kitchen table were literally hundreds of his favorite chocolate chip cookies. Was it heaven? Or was it one final act of heroic love from his devoted wife, seeing to it that he left this world a happy man?

Mustering one great final effort, he threw himself toward the table, landing on his knees in a rumped posture. His parched lips parted; the wondrous taste of the cookie was already in his mouth; seemingly bringing him back to life. The aged and withered hand shaking made its way to a cookie at the edge of the table, when it was suddenly smacked with a spatula by his wife. "Stay out of those," she said, "they're for the funeral."

Female comebacks

Watch out guys, they're ready for you!

Man: Haven't I seen you someplace before?

Woman: Yes, that's why I don't go there anymore.

Man: Is this seat empty?

Woman: Yes and this one will be if you sit down.

Man: Your place or mine?

Woman: Both. You go to yours, and I'll go to mine.

Man: So, what do you do for a living?

Woman: I'm a female impersonator.

Man: Hey baby, what's your sign?

Woman: Do not enter.

Man: How do you like your eggs in the morning?

Woman: Unfertilized.

Man: Your body is like a temple.

Woman: Sorry, there are no services today.

Man: I would go to the end of the world for you.

Woman: But would you stay there?

Man: If I could see you naked, I'd die happy.

Woman: If I saw you naked, I'd probably die laughing.

Female fighters

Take all American women who are within five years of menopause - train us for a few weeks, outfit us with automatic weapons, grenades, gas masks, moisturizer with SPF15, Prozac, hormones, chocolate, and canned tuna - drop us (parachuted, preferably) across the landscape of Afghanistan, and let us do what comes naturally.

Think about it. Our anger quotient alone, even when doing standard stuff like grocery shopping and paying bills, is formidable enough to make even armed men in turbans tremble.

We've had our children, we would gladly suffer or die to protect them and their future. We'd like to get away from our husbands, if they haven't left already.

And for those of us who are single, the prospect of finding a good man with whom to share life is about as likely as being struck by lightning. We have nothing to lose.

We've survived the water diet, the protein diet, the carbohydrate diet, and the grapefruit diet in gyms and saunas across America and never lost a pound. We can easily survive months in the hostile terrain of Afghanistan with no food at all!

We've spent years tracking down our husbands or lovers in bars, hardware stores, or sporting events...finding bin Laden in some cave will be no problem.

Uniting all the warring tribes of Afghanistan in a new government? Oh, please ... we've planned the seating arrangements for in-laws and extended families at Thanksgiving dinners for years ... we understand tribal warfare.

Between us, we've divorced enough husbands to know every trick there is for how they hide, launder, or cover up bank accounts and money sources. We know how to find that money and we know how to seize it ... with or without the government's help!

Let us go and fight. The Taliban hates women. Imagine their terror as we crawl like ants with hot-flashes over their godforsaken terrain.

Finding a Chinese Jew

Sid and Al were sitting in a Chinese restaurant.

"Sid," asked Al, "are there any Jews in China?"

"I don't know," Sid replied. "Why don't we ask the waiter?"

When the waiter came by, Al asked him, "Are there any Chinese Jews?"

"I don't know sir, let me ask," the waiter replied, and he went into the kitchen. He returned in a few minutes and said, "No, sir. No, Chinese Jews."

"Are you sure?" Al asked.

"I will check again, sir," the waiter replied and went back to the kitchen.

While he was still gone, Sid said, "I cannot believe there are no Jews in China. Our people are scattered everywhere."

When the waiter returned he said, "Sir, no Chinese Jews."

"Are you really sure?" Al asked again. "I cannot believe there are no Chinese Jews." "Sir, I ask everyone," the waiter replied exasperated. "We have Orange Jews, Prune Jews, Tomato Jews and Grape Jews, but we have no Chinese Jews."

Flies

I stopped at a friend's house the other day and found him stalking around the house with a fly swatter. When I asked if he got any flies, he answered, "Yeah, 5 of 'em, 3 males and 2 females". Curious, I inquired as to how he could tell the difference. He answered, "Easy, 3 were on a beer can and 2 were on the phone."

Genders of nouns

From the Washington Post Style Invitation, in which it was postulated that English should have male and female nouns, and readers were asked to assign a gender to nouns of their choice and explain their reason.

The best submissions:

~~~~~

**SWISS ARMY KNIFE**

male, because even though it appears useful for a wide variety of work, it spends most of its time just opening bottles.

**KIDNEYS**

female, because they always go to the bathroom in pairs.

**TIRE**

male, because it goes bald and often is over-inflated.

**HOT AIR BALLOON**

male, because to get it to go anywhere you have to light a fire under it... and, of course, there’s the hot air part.

**SPONGES**

female, because they are soft and squeezable and retain water.

**WEB PAGE**

female, because it is always getting hit on.

**SHOE**

male, because it is usually unpolished, with its tongue hanging out.

**COPIER**

female, because once turned off, it takes a while to warm up. Because it is an effective reproductive device when the right buttons are pushed. Because it can wreak havoc when the wrong buttons are pushed.

**ZIPLOC BAGS**

male, because they hold everything in, but you can always see right through them.

**SUBWAY**

male, because it uses the same old lines to pick people up.

**HOURGLASS**

female, because over time, the weight shifts to the bottom.

**HAMMER**

male, because it hasn't evolved much over the last 5,000 years, but it's handy to have around.

**REMOTE CONTROL**

female...Ha!...you thought I'd say male. But consider, it gives a man pleasure, he'd be lost without it, and while he doesn't always know the right buttons to push, he keeps trying.

**Genie**

Three guys, a Canadian, Osama Bin Laden and President Bush are out walking together one day.

They come across a lantern and a genie pops out of it. "I will give each of you one wish, that's three wishes total," says the Genie.

The Canadian says "I am a farmer, my dad was a farmer, and my son will also farm. I want the land to be fertile in Canada."

With a blink of the Genie's eye, "POOF" the land in Canada was forever made fertile for farming.

Osama Bin Ladin was amazed so he said "I want a wall around Afghanistan, so that no infidels, Jews or Americans can come into our precious state.

Again, with a blink of the Genie's eye, 'POOF' there was a huge wall around Afghanistan.

President Bush says, "I'm very curious, please tell me more about this wall."

The Genie explains, "Well, its about 15,000 feet high, 500 feet thick and completely surrounds the country; nothing can get in or out. It's virtually impenetrable."

President Bush says, Fill it with water."
