## Introduction

Welcome to this collection!

This collection is primarily a compilation of items circulating in the Email circuits, or as hard copy in our work places. They come, they go, they come around again. . .

No one knows where they originate, nor where they'll end up, hopefully with a few laughs along the way.

If you take offense along the way, well, change the gender, hair color or nationality of the brunt of the joke to something else.

None are meant to offend, it's a sad state when we can't laugh at ourselves, with each other.

Not all are in the best of taste, if I had to rate some, this would be rated PG (for Partially Gagging)! I tried weeding out objectionable material, but, it got to where what is objectional from one person to the next (besides I ended up with a much smaller volume)!

Anyways, there all here uncensored. . .

You've been warned, if you can't take a joke, proceed no further. . .

If you do, enjoy and have a good laugh. . .

### “Look In The Mirror”

Age 8: Looks at herself and sees herself as Cinderella/Sleeping Beauty.

Age 15: Looks at herself and sees herself as Cinderella/Sleeping Beauty/Cheerleader or if she is PMS'ing: sees fat/pimples/UGLY. (Mom I can't go to school looking like this!)

Age 20: Looks at herself and sees “too fat/too thin, too/short/too tall, too straight/too curly”- but decides she's going anyway.

Age 30: Looks at herself and sees “too fat/too thin, too short/too tall, too straight/too curly”- but decides she doesn't have time to fix it, so she goes anyway.

Age 40: Looks at herself and sees “too fat/ too thin, too short/too tall too straight/too curly”- but says: “At least I'm clean” and goes anyway.

Age 50: Looks at herself and sees “I am” and goes where ever she wants to.

Age 60: Looks at herself and reminds herself of all the people who can't even see themselves in the mirror anymore. Goes out and conquers the world.

Age 70: Looks at herself and sees wisdom, laughter and ability, goes out and enjoys life.

Age 80: Doesn't bother to look. Just puts on a purple hat and goes out to have fun with the world.

### “The Cucumber, pickle, penis”

One day a cucumber, a pickle and a penis were having a conversation:

The pickle says, “You know, my life really sucks. Whenever I get fat and juicy, they sprinkle seasonings over me and they stick me in a jar.”

The cucumber says, “Yeah you think that's bad? Whenever I get big fat and juicy, they slice me up and they put me over salad.”

The penis says, “You think that your lives are tough? Well, whenever I get big, fat and juicy, they throw a plastic bag over my head, shove me in a wet dark, smelly room and force me to do push-ups until I throw up and lose consciousness!!!”

### “Morris's wedding night”

At 85 years, Morris marries a lovely 25 year old woman. Because her new husband is so old the woman decides that on their wedding night they should have separate bedrooms.

She is concerned that the old fellow could overexert himself. After the wedding festivities she prepares herself for bed and for the knock on the door she is expecting.

Sure enough the knock comes and there is her groom ready for action. They unite in conjugal union and all goes well whereupon he takes his leave of her and she prepares to go to sleep for the night.

After a few minutes there's a knock on the door and there old Morris is again ready for more action. Somewhat surprised she consents to further coupling which is again successful after which the octogenarian bids her a fond good night and leaves.

She is certainly ready for slumber at this point, and is close to sleep, for the second time when there is another knock at the door and there he is again fresh as a 25 year old and ready for more.

Once again they do the horizontal boogie. As they're laying in afterglow the young bride says to him, "I am really impressed that a man your age has enough juice to go at it three times. I've been with guys less than half your age who were only good for one time. You're a great lover Morris."

Morris looks confused, and turns to her and says, "I was here already?"

The first one said, "Yeah, I've got a dollar. That's a great idea—I'll use that!"

He left and came back with shit all over his hands and clothes.

His friend looked at him and asked, "What in the hell happened to you?"

The first one replied, "Have you ever tried to wipe your ass with 3 quarters, 2 dimes, and a nickel?"

An executive was in quandary. He had to get rid of one of his staff. He had narrowed it down to one of two people, Debra or Jack. It would be a hard decision to make, as they were both equally qualified and both did excellent work.

He finally decided that in the morning whichever one used the water cooler first would have to go.

Debra came in the next morning, hugely hung over after partying all night. She went to the cooler to get some water to take an aspirin and the executive approached her and said: "Debra, I've never done this before, but I have to lay you or Jack off."

QUICKIES

A little boy asked his father, "Daddy, how much does it cost to get married?" And the father replied, "I don't know son, I'm still paying."

"What's that noise?"

This (Blonde) fellow is looking to buy a saw to cut down some trees in his backyard. He goes to a chainsaw shop and asks about various chainsaws.

The dealer tells him, "Look, I have a lot of models, but why don't you save yourself a lot of time and aggravation and get the top-of-the-line model. This chainsaw will cut a hundred cords of wood for you in one day."

So, the man takes the chainsaw home and begins working on the trees. After cutting for several hours and only cutting two cords, he decides to quit. He thinks there is something wrong with the chainsaw. "How can I cut for hours and only cut two cords?" the man asks himself. "I will begin first thing in the morning and cut all day," the man tells himself.

So, the next morning the man gets up at 4 am in the morning and cuts and cuts, and cuts till nightfall, and still he only manages to cut five cords.

The man is convinced this is a bad saw. "The dealer told me it would cut one hundred cords of wood in a day, no problem. I will take this saw back to the dealer," the man says to himself.

The very next day the man brings the saw back to the dealer and explains the problem. The dealer, baffled by the man's claim, removes the chainsaw from the case. The dealer says, "Hmm, it looks fine."

Then the dealer starts the chainsaw, to which the man responds, "What's that noise?"

"Dave's birthday"

Dave works hard at the plant, puts in a lot of overtime, and then spends most evenings bowling, playing basketball or working out at the gym. His wife, Mary, thinks he is pushing himself too hard, so, for his birthday, she takes him to a local strip club.

The doorman at the club greets them and says, "Hey, Dave, how ya doing?"

Mary is puzzled and asks if he's been to this club before.

"Oh no," says Dave. "He works out at the gym with me."

When they are seated, a waitress asks Dave if he'd like his usual Budweiser.

Mary is now becoming uncomfortable and says, "You must come here a lot for that woman to know you drink Budweiser."

"No, honey, she's in the Ladies Bowling League. We share lanes with them."

A stripper comes over to their table and throws her arms around Dave. "Hi Davey," she says, "Want your usual table dance?"

Mary, now furious, grabs her purse and storms out of the club.

Dave follows and spots his wife getting into a cab. Before Mary can slam the door, Dave

jumps in beside her. Right away she starts screaming at him.

The cabby turns his head and says, “Looks like you picked up a real bitch tonight, Dave.”

When he got to the bottom he saw his son pounding a nail into the wall. He said to his son, “What are you doing? I thought you were playing with your chemistry set. Why are you hammering a nail into the wall?”

His son replied, “This isn't a nail, Dad, it's a worm. I put these chemicals on it and it became as hard as a rock.”

His dad thought about it for a minute and said, "I'll tell you what, Son, give me those chemicals and I'll give you a new Volkswagon."

His son quite naturally said, "Sure why not."

The next day his son went into the garage to see his new car. Parked in the garage was a brand new Mercedes. Just then his dad walked in. He asked his father where his Volkswagon was. His dad replied, "It's right there behind the Mercedes. By the way, the Mercedes is from your mother."

## “Not As Easy As It Used To Be”

One day an elderly man decided that since he had never fathered any children that he would make a deposit to the local sperm bank. At the sperm bank a young Dr. gave the man a jar and told him to go into the bathroom and put his deposit in it. After what seemed like a long time the young Dr. began to worry about the elderly man so he went to the bathroom door and knocked and ask if he was all right. No answer came from beyond the door so the Dr. opened the door finding the elderly man breathing hard and sweating. The Dr. asks, “Are you OK!” The elderly man replied, “Son, it is not as easy as it use to be. I have slapped it, spit on it and beat it on the wall. I even ran hot water on it, I ran cold water on it and I can’t get the lid off this jar to save my life!”

In other words, Bush thinks there is too much gore, and Gore thinks there is too much Bush.

### “Revenge of the Air Lines Employee”

A crowded United Air Lines flight was cancelled. A single agent was assigned to rebook a long line of unhappy inconvenienced travelers.

She was doing her best when suddenly an angry customer pushed his way to her desk. He slapped his ticket down on the counter and shouted: “I don’t want to stand in line. I HAVE to be on this flight and it has to be FIRST CLASS and RIGHT NOW!”

The young agent replied, “I’m sorry, sir, I’ll try to help you but I’ve got to help these folks first. I’m sure we’ll be able to work things out for you.” The angry passenger was unimpressed and unrelenting. He asked loudly, so that all the passengers could hear, “I don’t want to stand in line! Do you have any idea who I am?”

Without hesitation, the agent smiled and grabbed her public address microphone. “May I have your attention, please,” her voice bellowed through the terminal. We have a passenger here WHO DOES NOT KNOW WHO HE IS. If anyone can help him identify himself, please come to the gate.” With the crowd laughing hysterically, he glared at her and swore, “Fuck you!”

Without flinching, she smiled and said, “I’m sorry, sir, but you’ll have to stand in line for that too!”

### “Before you leave”

A wife arrived home after a long shopping trip, and was horrified to find her husband in bed with a young, lovely thing. Just as she was about to storm out of the house, her husband stopped her with these words: “Before you leave, I want you to hear how this all came about. Driving home, I saw this young girl, looking poor and tired, I offered her a ride. She was hungry, so I brought her home and fed her some of the roast you had forgotten about in the refrigerator. Her shoes were worn out so I gave her a pair of your shoes you didn’t wear because they were out of style. She was cold so I gave her that new birthday sweater you never wore even once because the color didn’t suit you. Her slacks were worn out so I gave her a pair of yours that you don’t fit into anymore. Then as she was about to leave the house, she paused and asked, ‘Is there anything else that your wife doesn’t use anymore?’ ‘And so, here we are!’”

Husband and wife are getting all snugly in bed. The passion is heating up. But then the wife stops and says, “I don’t feel like it, I just want you to hold me.” The husband says “WHAT??” The wife explains that he must not be in tune with her emotional needs as a Woman. The husband realizes that nothing is going to happen tonight and he might as well deal with it. So the next day the husband takes her shopping at a big dept. store. He walks around and has her try on three very expensive outfits. And then tells his wife. We’ll take all three of them. Then goes over and gets matching shoes worth \$200 each. And then goes to the Jewelry Dept. and gets a set of diamond earrings. The wife is so excited (she thinks her husband has flipped out, but she does not care). She goes for the tennis bracelet. The husband says “but you don’t even play tennis, but OK if you like it then lets get it.” The wife is jumping up and down so excited she cannot even believe what is going on. She says, “I am ready to go, lets go to the cash register.” The husband says, “no - no - no, honey we’re not going to buy all this stuff.” The wife’s face goes blank. “No honey - I just want you to HOLD this stuff for a while.”

A short distance up the road, they found a badly mangled American soldier in a ditch on the other side of the road, who was still barely alive. They ran to him, cradled his blood-covered head and asked him what had happened.

“Well,” he whispered, “I was walking down this road, armed to the teeth. I came across this heavily armed Iraqi border guard. At this point she loved her boobs and didn’t want to lose them, so she got up in the middle of the bus and said, “Scooby dooby dooby, I want bigger boobies.”

“Blond and Blue”

A blond man showed up at work one day with a black eye. When his co-workers saw him they asked him what had happened. He told them it had happened at church. They didn’t believe him, and wanted to know what really happened.

Her dress was stuck in her butt-crack, so being the gentleman I am, I reached over and pulled it out for her. She did not like that, so she hit me.” The guys laughed and ribbed him about it all day.

The next week he showed up to work and his face was beat bad! Again the guys asked him what had happened and he told them he’d got beaten up at church. Again they didn’t believe him, so he explained, “I went to the church. I got on my knees and prayed. When I stood up to

The daughter replied, "Mom, I'm thirty-five years old, unmarried, and this thing is about as close as I'll ever get to a husband. Please, go away and leave me alone."

The next day, the girl's father heard the same buzz coming from the other side of the closed bedroom door. Upon entering the room, he observed his daughter making passionate love to her vibrator. **"Relationships Before And After"**

Before she moves in, she wears teddies and suspenders, and you hold your farts in until she leaves the room; she's a gorgeous sex kitten and you tell her so; you're so sweet and adorable, and blowjobs follow ambient dinners like a fine port.

After she moves in, she farts in her grungy trackie bottoms while hypnotized by Coronation Street; you scratch your nuts unashamedly and bitch about work; oral sex is strictly quid pro quo

and the new girl in the office really does have a great ass. Here are the key indicators of when the honeymoon period has finished.

### 1. Addictions

**Before:** You tell her you don't mind the occasional cold beer on a hot day with your mates, and that you've taken recreational drugs but those days are well and truly over.

**After:** For the fifth night in a row you stagger in blotto, dig out your stash and mull up, pass out in the lounge in your underpants and expect her to accept that you're just being you.

### 2. Bodily functions

**Before:** You spray aerosol after a crap; piss on the side of the bowl to reduce noise and never, ever fart in her presence.

**After:** You fart in front of her with impunity and obvious pride, commenting on the food intake for the day and speculating on the resultant odor. Despite repeated pleas to the contrary, you fart in bed and hold her head under the covers. You think it's hilarious.

### 3. Relations/Friends

**Before:** Her auntie Jane is a real character with a lively personality and interesting views about politics, and her unemployed girlfriend Amanda is a genuine, charming supportive friend who you think is really nice.

**After:** Auntie Jane is a loud-mouthed, pain-in-the-ass with all the personality of a cold sore. Amanda is a manipulative loser, but you wouldn't mind doing her if the opportunity arose.

### 4. Sex

**Before:** Sex is a sweat-soaked, gymnastic romp that lasts for hours. You screw to impress, using all your tricks - your renowned tit grope, marathon oral sex sessions, and jackhammer-like screwing. Screwing four times a day is not uncommon.

**After:** A wank is often preferable to the effort of sex. When you do have sex, you think about Amanda.

### 5. Attention span

**Before:** Her words are hypnotic; her wit is incisive; her anecdotes about her life pre-you are spellbinding. Over candlelight and coffee you listen with interest and politely chortle as she recounts stories of her childhood.

**After:** Your eyes glaze over as soon as she mentions anything that doesn't involve you. What's more, you develop the uncanny ability to be able to concentrate on the T.V and listen to her at the same time. The phrase, "Are you listening to me?" becomes an evening mantra.

### Overall Evaluation

**6. What She Thinks Before:** She thinks you are witty, disciplined, a sexual athlete, attentive, loving, faithful and devoid of all crass male habits which have plagued her previous relationships.....but she suspects that you're full of shit.

**After:** She KNOWS you're full of shit!!

### Upgrade

Dear Help Desk:

Last year I upgraded from Boyfriend 5.0 to Husband 1.0 and noticed that the new program began making unexpected changes to the accounting modules, limiting access to flower and jewelry applications that had operated flawlessly under Boyfriend 5.0.

In addition, Husband 1.0 uninstalled many other valuable programs, such as Romance 9.9 but installed undesirable programs such as NFL 5.0 and NBA 3.0.

Conversation 8.0 no longer runs and Housecleaning 2.6 simply crashes the system.

I've tried running Nagging 5.3 to fix these problems, but to no avail.

### Uplifting humor

A man walked into the ladies department of a Macy's. He shyly walked up to the woman behind the counter and said. "I'd like to buy a bra for my wife".

"What type of bra?" asked the clerk.

"Type?" inquires the man "There is more than one type?"

"Look around," said the sales lady, as she showed a sea of bras in every shape, size color and material. "Actually, even with all of this variety, there are really only four types of bras," continued the sales clerk.

Confused, the man asked what were the types.

The sales lady replied "The Catholic type, the Salvation Army type the Presbyterian type, and the Jewish type. Which one do you need?"

Still confused the man asked, "What is the difference between them?"

The sales lady responded "It is all really quite simple. The Catholic type supports the masses, the Salvation Army type lifts up the fallen, the Presbyterian type keeps them staunch and upright, and the Jewish type makes mountains out of mole hills."

### Vacationing priests...

Two priests were going to Hawaii on vacation and decided that they would make this a real vacation by not wearing anything that would identify them as clergy. As soon as the plane landed, they headed for a store and bought some really outrageous shorts, shirts, sandals, sunglasses etc.

The next morning, they went to the beach, dressed in their "tourist" garb and were sitting on beach chairs, enjoying a drink, the sunshine and the scenery when a "drop dead gorgeous" blonde in a tiny bikini came walking straight towards them. They couldn't help but stare. When she passed them, she smiled and said, "Good morning Father, good morning Father," nodding and addressing each of them individually, then passed on by.

They were both stunned. How in the world did she recognize them as priests?

The next day they went back to the store, bought even more outrageous outfits; these were so loud, you could hear them before you even saw them, and again settled on the beach in their chairs to enjoy the sunshine.

After a while, the same gorgeous blonde, wearing a string bikini this time, came walking toward them again. (They were glad they had sunglasses, because their eyes were about to pop out of their heads.) Again, she approached them and greeted them individually, "Good morning Father, good morning Father," and started to walk away.

One of the priests couldn't stand it and said, "Just a minute young lady. Yes, we are priests, and proud of it, but I have to know, how in the world did you know we are priests?"

"Father, it's me, Sister Veronica!"

Virus Alert! Virus Alert!

If you receive an email entitled "Badtimes", delete it immediately.  
DO NOT OPEN IT!

Apparently, this one is especially nasty. It will not only erase everything on your hard drive, but will also delete anything on disks within 20 feet of your computer.

It will rewrite your backup files, changing all your active verbs to passive tense and incorporating undetectable misspellings which grossly change the interpretations of key sentences.

If opened in a Windows 95 environment, it will leave the toilet seat up and leave your hair dryer plugged in dangerously close to a full bathtub.

It demagnetizes the stripes on all of your credit cards.

It reprograms your ATM access code, screws up the tracking on your VCR, and uses sub-space field harmonics to scratch any CD's you attempt to play.

It will re-calibrate your refrigerator's coolness settings so that all of your ice cream melts and your milk curdles.

It will program your phone autodial to call only your mother-in-law's number.

It will mix antifreeze into your fish tank.

It will leave dirty socks on the coffee table when you are expecting company.

Its radioactive emissions will cause your toe jam and bellybutton fuzz to migrate behind your ears.

It will replace your shampoo with Nair and your Nair with Rogaine.

It will cause you to run with scissors and throw things in a way that is only fun until someone loses an eye.

It will give you Dutch Elm Disease and Tinea.

It will replace all of your luncheon meat with Spam.

It will molecularly rearrange your cologne or perfume, causing it to smell like dill pickles.

It is insidious and subtle. It is dangerous and terrifying to behold. It is also a rather interesting shade of mauve.

One evening a family brings their frail, elderly mother to a nursing home and leave her, hoping she will be well cared for.

The next morning, the nurses bathe her, feed her a tasty breakfast, and set her in a chair at a window overlooking a lovely flower garden. She seems OK, but after a while she slowly starts to lean over sideways in her chair.

Two attentive nurses immediately rush up to catch her and straighten her up.

Again she seems OK, but after a while she starts to tilt to the other side.

The nurses rush back and once more bring her back upright. This goes on all morning.

Later the family arrives to see how the old woman is adjusting to her new home. "So Ma, how is it here? Are they treating you all right?" they ask.

"It's pretty nice," she replies. "Except they won't let me fart."

Shoes

Arnold and his wife were cleaning out the attic one day when he came across a ticket from the local shoe repair shop. The date stamped on the ticket showed it was over eleven years old. They both laughed and tried to remember which of them might have forgotten to pick up a pair of shoes over a decade ago.

"Do you think the shoes will still be in the shop?" Arnold asked.

"Not very likely," his wife said.

"It's worth a try," Arnold said, pocketing the ticket.

He went downstairs, hopped into the car, and drove to the store.

With a straight face, he handed the ticket to the man behind the counter. With a face just as straight, the man said, "Just a minute. I'll have to look for these." He disappeared into a dark corner at the back of the shop.

Two minutes later, the man called out, "Here they are!"

"No kidding?" Arnold called back. "That's terrific! Who would have thought they'd still be here after all this time."

The man came back to the counter, empty-handed.

"They'll be ready Thursday," he said calmly.

Quick Wit:

"What are you watching, Dad?"

"Basketball game."

"What's the score?"

"117 to 114."

"Who's winning?"

"The team with 117."

Walking on water.....

A pastor and two of his deacons are out on the river fishing in their rowboat. Twelve o'clock rolls around, and one of the deacons notices a nice spot on the bank to have lunch. He turns to the others and says, "That looks like a nice spot for lunch. What do you say we have lunch over there?"

The other deacon agrees, and so does the pastor. The deacon stands up in the boat, steps out onto the river and walks over to the bank. The pastor looks on with amazement, and thinks to himself, if his deacon is holy enough to walk on water, surely he can.

The other deacon stands up, picks up the picnic basket, steps out of the boat, and walks over to the bank and sits with the first deacon. Again, the pastor thinks, if his second deacon is holy enough to walk on water, surely he can.

The pastor stands up, steps out of the boat, and falls right into the water. While he's splashing around the first deacon turns to the second and says, "Think we should have told him where the tree stumps are?"

### Wall Clocks

Hillary Clinton died and went to heaven. As she stood in front of St. Peter at the Pearly Gates she saw a huge wall of clocks behind him.

She asked, "What are all those clocks?"

St. Peter answered, "Those are Lie-Clocks.

Everyone on Earth has a Lie-Clock.

Every time you lie the hands on your clock will move."

"Oh," said Hillary, "who's clock is that?"

"That's Mother Teresa's. The hands have never moved indicating that she never told a lie."

"Who's clock is that?"

"That's Abraham Lincoln's clock. The hands have only moved twice telling us that Abe only told 2 lies in his entire life."

"Where's Bill's clock?" Hillary asked.

Bill's clock is in Jesus' office. He's using it as a ceiling fan."

### Warning Label

Due to increasing products liability litigation, American Beer Brewers have accepted the FDA's suggestion that the following warning labels be placed immediately on all beer containers:

**WARNING:** The consumption of alcohol...

May leave you wondering what the hell happened to your bra.

May make you think you are whispering when you are not.

Is a major factor in dancing like a retard.

May cause you to tell your friends over and over again that you love them.

May cause you to think you can sing.

May lead you to believe that ex-lovers are really dying for you to telephone them at four in the morning.

May make you think you can logically converse with members of the opposite sex without spitting.

May make you think you have mystical Kung Fu powers, resulting in a severe a\*\*-kicking.

Is the leading cause of inexplicable rug burns on the forehead.

May lead you to believe you are invisible.

May lead you to think people are laughing WITH you.

May actually CAUSE pregnancy.

## Warning labels

Due to increasing product liability litigation, American beer brewers have accepted the FDA's suggestion that the following warning labels be placed immediately on all beer containers:

**WARNING:**

The consumption of alcohol may make you think you are whispering when you are not.

**WARNING:**

The consumption of alcohol is a major factor in dancing like an idiot.

**WARNING:**

The consumption of alcohol may cause you to tell the same boring story over and over again until your friends want to SMASH YOUR HEAD IN!!!!

**WARNING:**

The consumption of alcohol may cause you to thay shings like thish.

**WARNING:**

The consumption of alcohol may leave you wondering what the heck happened to your pants.

**WARNING:**

The consumption of alcohol may cause you to roll over in the morning and see something really scary (whose species and or name you can't remember).

**WARNING:**

The consumption of alcohol may create the illusion that you are tougher, smarter and more handsome than some really, really big guy named FRANZ.

**WARNING:**

The consumption of alcohol may lead you to think that people are laughing WITH you.

**WARNING:**

The consumption of alcohol may cause a disturbance in the time-space continuum, whereby small (and sometimes large) gaps of time may seem to literally disappear.

## Wash. Biol. Surv.

According to the Knight-Ridder News Service, the inscription on the metal bands used by the U.S. Department of the Interior to tag migratory birds has been changed. The bands used to bear the address of the Washington Biological Survey, abbreviated:

Wash. Biol. Surv.

until the agency received the following letter from an Arkansas camper:

“Dear Sirs:

While camping last week I shot one of your birds. I think it was a crow. I followed the cooking instructions on the leg tag and I want to tell you, it was horrible.”

The bands are now marked Fish and Wildlife Service.

### We should All be Tycoons!

Investment Advice

If you had bought \$1000.00 worth of Nortel stock one year ago, it would now be worth \$49.00.

With Enron, you would have \$16.50 of the original \$1,000.00.

With Worldcom, you would have less than \$5.00 left.

If you had bought \$1,000.00 worth of Budweiser (the beer, not the stock) one year ago, drank all the beer, then turned in the cans for the 10 cent deposit, you would have \$214.00 as well as the beer you drank.

Based on the above, my current investment advice is to drink heavily and recycle.

### Weakest link

I am going to ask you three questions.

And you have to answer them instantly. You can't take your time and you have to answer immediately. O.K.?

Let's find just how clever you really are .....

Ready?

GO !!!!!

**First Question:**

You are participating in a race. You overtake the second.  
What position do you finish?

**NOW!** See the answer below.....

**Answer:**

If you answer that you arrived first, then you are absolutely wrong!!! Cause you overtake the second and you take his place so you arrived second!!! !!

To answer the second question don't take as much time as you took for the first question.

**Second Question:** If you overtake the last then you arrive...?

**Answer:** If you answer that you arrived second last then you are wrong again.

Tell me, how can you overtake the LAST !!!! The question is wrong! You're not very good at this are you???

**Third Question:**

**Subject:** Tricky math!

**Note:** This riddle must be done **IN YOUR HEAD ONLY** and **NOT** using paper and a pen. Try it.

Take 1000 and add 40 to it. Now add another 1000. Now add 30. Another 1000. Now add 20. Now add another 1000. Now add 10.

What is the total? (scroll down for answer)

Did you get 5000?

The correct answer is actually 4100. Don't believe it? Check with your calculator! The decimal sequence confuses our brain, that always jumps to the highest decimals (100s instead of 10s).

You are the weakest link. Goodbye.

### Weather report

{This had most of the state of Michigan laughing for 2 days and a very embarrassed female news anchor who will, in the future, likely think before she speaks.}

What happens when you predict snow but don't get any....

True story...a female news anchor who, the day after it was supposed to have snowed and didn't, turned to the weatherman and asked "So Bob, where's that 8 inches you promised me last night?"

Not only did HE have to leave the set, but half the crew did too they were laughing so hard!

### Welfare

A welfare recipient walked into the local welfare office, marched straight up to the counter and said, "Hi, I hate drawing welfare. I would really rather find a job."

The man behind the counter replied, "Your timing is amazing. We just got a listing from a very wealthy man who wants a chauffeur/bodyguard for his nymphomaniac daughter.

You'll have to drive around a big black Mercedes, and the suits, shirts, and ties are provided. Because of the long hours of this job, meals will also be provided and you will also be required to escort the young lady on her overseas holidays trips.

The salary package is \$200,000 a year."

The welfare recipient said, "You're bullshitting me man!"

The man behind the counter said, "Well, you started it!"

### Wet Washington

A curious fellow died one day and found himself waiting in the long line of judgment. As he stood there he noticed that some souls were allowed to march right through the gates of heaven - others, though, were led over to Satan who threw them into the burning pit. But every so often, instead of hurling a poor soul into the fire, Satan would toss a soul off to one side into a small pile.

After watching Satan do this several times, the fellow's curiosity got the better of him. So he strolled over and tapped Satan on the shoulder. "Excuse me, Prince of Darkness," he said, "I'm waiting in line for judgment, but I couldn't help wondering, why are you tossing those people aside instead of flinging them into the fires of hell with the others?"

"Ah, those..." Satan said with a groan.

"They're all from Western Washington, they're too wet to burn!"

### What a job

Reaching the end of a job interview, the Human Resources Person asked a young Engineer fresh out of MIT, "And what starting salary were you looking for?"

The Engineer said, "In the neighborhood of \$125,000 a year, depending on the benefits package."

The interviewer said, "Well, what would you say to a package of 5-weeks vacation, 14 paid holidays, full medical and dental, company matching retirement fund to 50% of salary, and a company car leased every 2 years say, a red Corvette?"

The Engineer sat up straight and said, "Wow! Are you kidding?"

And the interviewer replied, "Yeah, but you started it."

### WHAT TO DO WITH OBL

I like this idea....I think this would truly be justice!!

As for what to do with Osama bin Laden:

Killing him will only create a martyr. Holding him prisoner will inspire his comrades to take hostages to demand his release.

Therefore, I suggest we do neither.

Let the Special Forces, Seals or whatever covertly capture him, fly him to an undisclosed hospital and have surgeons quickly perform a complete sex change operation. Then return her to Afghanistan to live as a woman under the Taliban.

## Where's God?

Two brothers, aged 8 and 10, were always playing pranks and getting into mischief. When things went wrong in town, at school, at fairs, and at church, they were inevitably behind it.

Their parents were beside themselves with anxiety. What if their children should "step over the line" and get in trouble with the Law.

They decided to send the boys to talk with the pastor of the church, a Bible-thumping, God-fearing, pulpit-pounding Rock of Ethics and Values.

The 8-year-old had the first appointment, walking the four blocks from home to the church. When he sat in the chair across from the pastor's desk, the pastor regarded him with a deep scowl, and after a minute said, "Young man, where is God?" The boy remained silent in his chair. The pastor raised his voice a bit. "Young man, I said where is God?"

Still the boy remained quiet, but his eyes widened, and he swallowed nervously. The pastor leaned over his desk and yelled, "Young man, I asked you a question! Now where is God?" In terror, the boy leaped from his chair, ran home, vaulted up the stairs to his bedroom, and hid in his closet.

The 10-year-old, hearing the noise, ran into his younger brother's bedroom and found him shivering in the closet. "What happened?" he said, starting to get scared himself. "Oh, man, we're in deep trouble," said the 8-year-old. "God's missing, and everyone thinks we did it."

## Which?

One Sunday morning, the pastor noticed little Alex was staring up at the large plaque that hung in the foyer of the church. It was covered with names and small American flags were mounted on either side of it.

The seven-year-old had been staring at the plaque for some time, so the pastor walked up, stood beside the little boy, and said quietly, "Good morning, Alex."

"Good morning, Pastor," replied the young man, still focused on the plaque.

"Pastor, what is this?"

"Well, son, it's a memorial to all the young men and women who died while in the service."

Soberly, they stood together, staring at the large plaque. Little Alex's voice was barely audible when he asked, "Which service, the 9:45 or the 11:00?"

## While You Were IN

A day in the life of a busy executive, as reflected in responses to telephone calls:

"He hasn't come in yet."

"I expect him any minute."

"He's in, but he's in conference."

"He's out to lunch."

"I expect him back any minute."

"He's somewhere in the building. His coat is here."

"He came back to the office, but now he's at a meeting."

"He's gone for the day."

To a 2-L jacketed round reactor vessel (reactor #1) with an overall heat transfer coefficient of about 100 Btu/F-ft<sup>2</sup>-hr, add ingredients one, two and three with constant agitation.

In a second 2-L reactor vessel with a radial flow impeller operating at 100 rpm, add ingredients four, five, six, and seven until the mixture is homogenous.

To reactor #2, add ingredient eight, followed by three equal volumes of the homogenous mixture in reactor #1.

Additionally, add ingredient nine and ten slowly, with constant agitation. Care must be taken at this point in the reaction to control any temperature rise that may be the result of an exothermic reaction.

Using a screw extrude attached to a #4 nodulizer, place the mixture piece-meal on a 316SS sheet (300 x 600 mm).

Heat in a 460K oven for a period of time that is in agreement with Frank & Johnston's first order rate expression (see JACOS, 21, 55), or until golden brown.

Once the reaction is complete, place the sheet on a 25C heat-transfer table, allowing the product to come to equilibrium.

### WHY DID THE CHICKEN CROSS THE ROAD?

**JERRY FALWELL:**

Because the chicken was gay! Isn't it obvious?

Can't you people see the plain truth in front of your face? The chicken was going to the "other side." That's why "they" call it: the "other side."

Yes, my friends, that chicken is gay. And, if you eat that chicken, you will become gay too.

I say we boycott all chickens until we sort out this abomination that the liberal media whitewashes with seemingly harmless phrases like "the other side." That chicken should not be free to cross the road. It's as plain and simple as that.

**PAT BUCHANAN:**

To steal a job from a decent, hardworking American.

**DR. SEUSS:**

Did the chicken cross the road? Did he cross it with a toad? Yes, the chicken crossed the road, but why it crossed, I've not been told!

**ERNEST HEMINGWAY:**

To die. In the rain.

**MARTIN LUTHER KING, JR.:**

I envision a world where all chickens will be free to cross the road without having their motives called into question.

**GRANDPA:**

In my day, we didn't ask why the chicken crossed the road.

Someone told us that the chicken crossed the road, and that was good enough for us.

**ARISTOTLE:**  
It is the nature of chickens to cross the road.

**KARL MARX:**  
It was a historical inevitability.

**RONALD REAGAN:**  
What chicken?

**CAPTAIN JAMES T. KIRK:**  
To boldly go where no chicken has gone before.

**FOX MULDER:**  
You saw it cross the road with your own eyes. How many more chickens have to cross before you believe it?

**FREUD:**  
The fact that you are at all concerned that the chicken crossed the road reveals your underlying sexual insecurity.

**BILL GATES:**  
I have just released eChicken 98, which will not only cross the road but also will lay eggs, file your important documents, and balance your checkbook. Internet explorer is an inextricable part of eChicken.

**EINSTEIN:**  
Did the chicken really cross the road or did the road move beneath the chicken?

**LOUIS FARRAKHAN:**  
The road, you will see, represents the black man.  
The chicken crossed the "black man" in order to trample him and keep him down.

**COLONEL SANDERS:**  
I missed one?

### Why dogs are better than kids

Kibbles and water are cheaper than formula and diapers.  
They have more hair when they are born.  
Dogs never forget to "go" before they leave.  
Dogs can go on long trips without yelling "MOM HE'S TOUCHING ME!!!"  
Dogs never grow out of being kissed in front of their friends.  
Dogs don't wear holes in the knees of their trousers.  
It doesn't matter how much dog hair a Dog gets in its mouth.  
You can cage a dog without going to jail.  
Dogs don't "backwash" crackers when sharing your soda.  
The older a Dog gets, the more they like you.  
Dogs don't ask why. Dogs don't ask why. Dogs don't ask why.  
Dogs don't roll their eyes when you insist Dogs today have it easier.  
Dogs stick their tongue deep inside your ear canal; children use a pencil.  
Dogs have tails, making it easier to grab them as they run away.  
No one passes you a Dog with a loaded diaper.  
Dogs don't grow out of their paddock shoes every 2 1/2 months

And the number one reason?

Dogs, when entering those teen years, are neutered.

### Why most men are not secretaries

Husband's note on refrigerator to his wife: Someone from the Guyna College called. They said Pabst beer is normal.

### Why Parents Go Grey

The boss of a big company needed to call one of his employees about an urgent problem with one of the main computers. He dialed the employees home phone number and was greeted with a child's whispered, "Hello?" Feeling put out at the inconvenience of having to talk to a youngster the boss asked, "Is your Daddy home?" "Yes", whispered the small voice. "May I talk with him?" the man asked. To the surprise of the boss, the small voice whispered, "No." Wanting to talk with an adult, the boss asked, "Is your Mommy there?"

"Yes", came the answer. "May I talk with her?" Again the small voice whispered, "no". Knowing that it was not likely that a young child would be left home alone, the boss decided he would just leave a message with the person who should be there watching over the child. "Is there any one there besides you?" the boss asked the child. "Yes" whispered the child, "A policeman". Wondering what a cop would be doing at his employee's home, the boss asked, "May I speak with the policeman?" "No, he's busy", whispered the child. "Busy doing what?", asked the boss. "Talking to Daddy and Mommy and the Fireman", came the whispered answer. Growing concerned and even worried as he heard what sounded like a helicopter through the ear piece on the phone the boss asked, "What is that noise?" "A hello-copper", answered the whispering voice. "What is going on there?", asked the boss, now alarmed. In an awed whispering voice the child answered, "The search team just landed the hello-copper" Alarmed, concerned and more than just a little frustrated the boss asked, "Why are they there"? Still whispering, the young voice replied along with a muffled giggle: "They're looking for me"

widow

Three guys were working on a high rise building project: Steve, Bill and Charlie. Steve falls off and is killed instantly.

As the ambulance takes the body away, Charlie says, "Someone should go and tell his wife."

Bill says, "OK, I'm pretty good at that sensitive stuff, I'll do it."

2 hours later, he comes back carrying a 6-pack. Charlie says, "Where did you get that, Bill?"

"Steve's wife gave it to me."

"That's unbelievable, you told the lady her husband was dead and she gave you the beer?"

Bill says, "Well not exactly. When she answered the door, I said to her, 'You must be Steve's widow.'"

She said, "No, I'm not a widow."

And I said, "Wanna bet me a six-pack?"

Wierd ER stories

A 28-year-old male was brought into the ER after an attempted suicide. The man had swallowed several nitroglycerin pills and a fifth of vodka. When asked about the bruises about his head and chest he said that they were from him ramming himself into the wall in an attempt to make the nitroglycerin explode.

A 50-year old woman came into the ER with a complaint of mild abdominal pain.

During a pelvic exam the doctor found that the lady had inserted a whole chicken piece by piece into her vagina and then safety-pinned her labia shut. Unable to have children she was hoping that the chicken would turn into a baby.

Six firemen dragged a woman with shortness of breath and who weighed approximately 500 lbs. into the ER on a tarp. While trying to undress the lady an asthma inhaler fell out of one of the folds under her arm. After an X-ray showed a round mass on the left side of her chest her massive left breast was lifted to find a shiny new dime. And last but not least during a pelvic exam a TV remote control was discovered in one of the folds of her crotch. She became known as "THE HUMAN COUCH".

A doctor who spoke limited Spanish was rushed to a car in the ER parking lot to find a Spanish woman in the process of giving birth. Wanting to tell the woman to push he started yelling "Put a! Put a! Put a!" At this the grandmother started to cry and the baby's father had to be restrained. What the doctor should have been saying was "Puja!" (Push!) Instead he was saying: "Whore! Whore! Whore!"

An unconscious 36-year old man was brought to the ER with cocaine induced seizures. As a nurse pulled back the foreskin to insert a catheter (A tube that passes through the urethra and into the bladder) a neatly folded twenty-dollar bill fell out of the foreskin fold. When the man woke up and demanded to leave, the nurse gave him back his belongings and told him where she had found the money. His response: "It was a fifty, bitch!"

An elderly woman came into the ER complaining: "I got the green vines in my virginy" (interesting). A pelvic exam verifies that she did, indeed, have a six-inch vine growing out of her

vagina. Further inspection revealed that she had a mass in her vaginal vault. It was easily moved and looked very much like a potato. It was, indeed, a potato. The patient said that her uterus was falling out and that she “put the potato in there to hold it up” and then forgot about it.

The most non-emergent ER visit: A male adolescent came in at 2 a.m. with a complaint of belly button lint.

A young female came to the ER with lower abdominal pain. During the exam and questioning the female denied being sexually active. The doctor gave her a pregnancy test anyway and it came back positive. The doctor went back to the young female’s room.

Doctor: “the results of your pregnancy test came back positive. Are you sure you’re not sexually active?”

Patient: “Sexually active? No, sir, I just lay there.”

Doctor: “I see. Well’ do you know who the father is?”

Patient: “No. Who?”

A 92-year old woman had a full cardiac arrest at home and was rushed to the hospital. After about thirty minutes of unsuccessful resuscitation attempts the old lady was pronounced dead. The doctor went to tell the lady’s 78-year old daughter that her mother didn’t make it.

“Didn’t make it?” she replied. “Where could they be? She left in the ambulance forty-five minutes ago!”

A 15-year old boy was lying on a stretcher with his mother sitting next to him. The boy was coming down from “crank” (methamphetamine) that he had injected into his veins with needles he had been sharing with his friends.

Concerned about this the doctor asked the boy if there was anything he might have been doing that put him at risk for AIDS. The boy thought for a while then said questioningly, “I’ve been f\*\*\*ing the dog?”

A 19-year old female was asked why she was in the ER. She said that she and her boyfriend were having sex and the condom came off and she wasn’t able to retrieve it with her fingers. “I went to the bathroom and “gagged” myself to vomit but couldn’t vomit it up either.”

### CPR

On a stifling hot day, a man fainted in the middle of a busy intersection. As traffic began to pile up in all directions, a woman rushed to help him. As she knelt down to loosen his collar, a man emerged from the crowd, pushed her aside, and said, “It’s all right, honey. I’ve had a course in first aid.”

She stood up and watched as he took the man’s pulse and prepared to administer artificial respiration. Then she tapped him on the shoulder.

“When you get to the part about calling a doctor,” she said, “I’m already here.”

### Quick Wit:

A harried driving instructor came home from work, kicked off his shoes, and fell into a chair. “I’m thinking of taking six or seven of my students to England,” he said.

“What on earth for?” his wife asked.

“It might make them feel good to see what it’s like to drive on the left side of the road-legally.”
