

Now That I Found You:

I can still remember  
When all I had was time  
A time when I had nothing  
But this empty heart of mine  
When I needed inspiration  
When the night was all I knew  
You were the light shining into my life  
The reason for all the love I'm feeling.

Now that I've found you  
I don't know how I lived without you  
I don't know how I survived without  
Your love  
Now that I've found you  
I only know I'd be lost without you  
I found the love  
that I'll never find again  
Cause all I ever needed  
and all I ever wanted  
Has come true  
I found it all now that I found you.

I could've searched forever  
And never realized  
The treasure of a lifetime  
was the love inside your eyes.  
When I reach for inspiration  
In your touch, it's always there.

Giving me faith every step of the way  
Giving me all I ever needed  
And every step of the way  
I'm gonna dedicate my heart to you  
Promise you my world forever  
Pledging my love my whole life through

I'm glad I found you!  
With love, Always  
Regina
